A. EDUCATION AND EMPLOYMENT

EDUCATION

DOCTOR OF SCIENCE (Sc.D.) degree in Health Policy and Management.

Harvard University T.H. Chan School of Public Health, Department of Health Policy and Management, Boston, MA 06/1990

Major: **Program Evaluation**

Minors: (1) Health Economics, and (2) Resource Allocation.

Thesis: *A Health Insurance Study of Boston's Inner-City Chinese Americans: the Study of Health Insurance Coverage, Health Care Utilization, and the Willingness-To-Pay for Health Insurance.*

(Advisor: Professor William Hsiao)

MASTER OF PUBLIC HEALTH(MPH) degree in International Health

University of Texas School of Public Health, Houston, TX 06/1982

Major: **International Health**

Thesis: *Health Manpower Planning in Taiwan*

(Advisor: Professor George Walker)

BACHELOR OF SCIENCE (B.S.) degree in Public Health

China Medical University Department of Public Health (China Medical College prior to 2003), Taichung, Taiwan 06/1978

Major: Public Health

CURRENT POSITIONS

1. International Health Program, School of Biological and Population Health Sciences, College of Public Health and Human Sciences, Oregon State University, (Corvallis, OR)

COORDINATOR 2000 - present

PROFESSOR 2015 - present

ASSOCIATE PROFESSOR 1997 - 2015

ASSISTANT PROFESSOR 1990 - 1997

2. Center for Global Health, College of Public Health and Human Sciences, Oregon State University (Corvallis, OR)

Chair of Planning Committee December 2012 to December 2013

Director January 1, 2014 to present

3. Applied Economics Graduate Program, Oregon State University

Affiliated Faculty Member for the M.A. and Ph.D. Program in Applied Economics Program Fall 2008 to present

4. Graduate Programs in Public Policy, Oregon State University,

Affiliated Faculty Member for the M.A. and Ph.D. Program in Public Policy

Winter 2012 to present

5. National Yang-Ming University, Taipei, Taiwan

Visiting Faculty, International Health Program

2002-2004, and 2010 to present

Assisted the university to establish this graduate program (MS and PhD) in 2002, and teach the following intensive courses:

- (1) Health Development for Displaced Population (2010)
- (2) Political Economy of International Health Development (2011)
- (3) Critical Evaluation of International Health Programs (2012)
- (4) Critical Approach to Global Health (2013)
- (5) Political Economy of International Health Development (2014)
- (6) Critical Evaluation of International Health Programs (2015)
- (7) Health System Strengthening and Development (2016)

6. Taipei Medical University (Taipei, Taiwan)

Visiting Professor, Global Health and Development Program
February 2013 to present

7. United States Congress, National Health Insurance Act Advisory Member

Blue Ribbon Task Force Committee Member
Congressman John Conyers Jr. of Michigan. (Volunteer)
2008 to Present

8. National Health Administration, Ministry of Health and Welfare, Taiwan

Policy Advisor
October 2013 to December 2015
A member of the 6-member Policy Advisory Council.

9. Health Care for All Oregon

Volunteer Consultant
Provide technical advice on how to design and plan for a universal health care system for Oregon.
May 2012 to present.

10. Mid-Valley Health Advocate

Volunteer Consultant
Provide technical advice on how to design and plan for a universal health care system for Oregon.
October 2001 to present.

11. Physician for National Health Programs (PNHP) Mid-Valley Chapter

Volunteer Consultant
Provide technical advice on how to design and plan for a universal health care system for Oregon.
October 2011 to present.

PREVIOUS WORK EXPERIENCE

1. National Health Research Institute (NHRI, Taiwan's equivalent of NIH in the U.S.), Division of Health Policy, Taiwan

Consultant (Volunteer), International Health Research Unit
July 2006 to 2012

- Advise the unit on various international health policy and research issues

2. Vital Report Global Health 2008, Brussels, Belgium

Member of the Advisory Committee for the Europe-based Global Health consortium to develop the *Vital Report Global Health 2008*,
2007 to 2009

3. Bureau of Health Promotion, Taipei, Taiwan

Consultant. July 2009
• Advised the senior administrators on setting national health promotion

priorities and evaluation of national health promotion programs

- 4. Oregon State University, Department of Anthropology**
Faculty Member for the Ph.D. Program in Applied Anthropology – Medical Anthropology
Fall 2004 to Spring 2008
- 5. Portland State University, Graduate Program in Health Management and Policy**
Adjunct Faculty Member. Fall 1998 to Spring 2014
- 6. National Taiwan University, College of Public Health, Taipei, Taiwan**
Adjunct Researcher, Center for National Health Insurance
2006 – 2008
- 7. Department of Health (renamed Ministry of Health and Welfare in 2013), Taipei, Taiwan**
Member of the Advisory Council for International Health (Volunteer)
2006-2007
Provide advices for international health development program for Taiwan's Department of Health.
- 8. Bureau of National Health Insurance, Taipei, Taiwan**
(renamed National Health Insurance Administration, in July 2013)
Visiting Researcher and Consultant
August 2004 – September 2004
August 2003 – September 2003
July 2002 – September 2002
August 2001 – September 2001
- 9. Kobe University, Research Center for Urban Safety and Security and Faculty of Medicine, Division of Urban Health and Safety, Kobe, Japan**
June 2000 to September, 2000
Foreign Researcher and Visiting Professor
 - Research on health care systems' preparedness for disasters.
- 10. Bureau of National Health Insurance, Taipei, Taiwan**
March 1999 – August 1999
RESEARCHER • Provided policy analysis and consultancy
 - Taught a weekly class on health system finance and health care system for senior administrators
 - Provided several workshops for staff
- 11. University of Tsukuba, Tsukuba, Japan**
October 1998 - February, 1999
VISITING RESEARCHER
Institute of Community Medicine, Faculty of Medicine
 - Research on developing a model graduate program in international health for Japanese national universities
 - Taught a weekly graduate class on health care system
- 12. University of Bergen (Universitet i Bergen), Bergen, Norway**
July 1995 to September, 1995
VISITING RESEARCHER FELLOWSHIP
At the Centre for Epidemiologic Research, Faculty of Medicine

- Research on comparative diet and health between Norwegians and Norwegian immigrants in the United States

13. Harvard University School of Public Health, Boston, MA

January 1990 – April 1990

RESEARCH ANALYST

Responsibility:

Designed the strategy for managing medical technology under the planned National Health Insurance in Taiwan (with Professor William Hsiao and colleagues).

14. Harvard University School of Public Health, Boston, MA

1988 – 1990

COMPUTER LABORATORY USER ASSISTANT

15. South Cove Community Health Center/Harvard University School of Public Health, Boston, MA

1987 – 1989

RESEARCH ANALYST

A Robert Wood Johnson Foundation Demonstration Project:
Health Insurance for Uninsured Asian Americans.

Responsibilities:

- (1) Construction of interview survey questionnaire on health insurance and medical care utilization;
- (2) supervision of survey administered to 450 households in Boston Chinatown;
- (3) the training of interviewers;
- (4) sample design;
- (5) analysis of data; and
- (6) writing the final report.

16. China Medical College Department of Public Health (Renamed China Medical University in 2003), Taichung, Taiwan

1982 – 1984

LECTURER

Teaching:

1. Research Methods for Social Science
2. Statistics
3. Health Care Systems
4. Epidemiology
5. Introduction to Public Health
6. Sociology of Health

Advising: 30 undergraduate advisees

B. PROGRAM DEVELOPMENT AND ADMINISTRATION

Program Development

1. Planned and established the MPH in International Health Track at Oregon State University

From 1992 to 1993 I planned and developed the first international health program in Oregon, the MPH in International Health Track, as part of the Oregon MPH Program (the first collaborative MPH Program in the nation that included Oregon Health Sciences University, Oregon State University, and Portland State University).

2. Planned and established the MPH in Health Management and Policy Track at Oregon State University

From 1992 to 1993 I planned and developed the MPH in Health Management and Policy Track, as part of the Oregon MPH Program

3. Developed a model graduate program in international health for Japanese Ministry of Education

During my sabbatical leave at University of Tsukuba from October of 1998 to February of 1999 in Japan, I worked on a Japanese Ministry of Education grant to develop a model graduate program in international health for Japan's national universities.

4. Assisted National Yang-Ming University 國立陽明大學 in Taiwan to develop Taiwan's first graduate program in international health

In 2002 I assisted my colleagues in Taiwan's National Yang-Ming University to develop Taiwan's first graduate program in international health. In 2003 this Program became a partner program of International Health Program at OSU.

5. Assisted Taiwan's National Health Research Institute to develop a research program in international health

From 2006 to 2012 I served as a voluntary consultant to assist my colleagues in Taiwan's National Health Research Institute (NHRI, Taiwan's equivalent of NIH) to develop a research program in international health.

6. Planned and developed the Center for Global Health at OSU

From December of 2012 to December of 2013 I chaired the planning committee to plan and develop the new Center for Global Health at OSU, which was officially opened in January of 2014.

7. Planned and developed the new Global Health Concentration of the PhD in Public Health at OSU

From April of 2016 to June of 2016 I was a committee member that develops the new Global Health Concentration of the PhD in Public Health at the College of Public Health and Human Sciences, OSU.

Program Administration

1. Coordinator of International Health Program at OSU

I have been serving as the Coordinator of MPH in International Health program at Oregon State University since April of 2000. The responsibilities include curriculum design, establishing international partners for internship sites, recruiting students,

mentoring students, recruiting faculty members, and organizing students professional activities including regular seminars, bi-annual international health conferences, and bi-annual international health awareness week.

2. Director of Center for Global Health at OSU

Since January of 2014 I have been serving as the Inaugural Director of the newly established Center for Global Health at OSU. The responsibilities include networking to expand and establish international partners for collaboration, mobilizing faculty expertise to collaborate in international programming and projects, applications for grants, organize the inaugural international conference in June of 2014, organize regular seminar series that include Student Forum, Alumni Forum, NGO Forum, Professional Seminar Series, Faculty Thematic Group Seminar Series, and other professional activities, both on campus and outside campus.

C. TEACHING, ADVISING AND OTHER ASSIGNMENTS

1. Credit Courses

Current Courses at Oregon State University (all are at graduate level)

1. H529 International Health
2. H528 Global Health Issues
3. H527 Critical Assessment of International Health Programs
4. H533 Health Systems Organization (Summer session only)
5. H599 Health Systems Strengthening for International Health (Summer session only)
6. H626 Global Health Systems Strengthening and Development

Courses at National Yang-Ming University (OSU's partner university in Taiwan)

1. Political Economy of International Health Development
2. Upstream Global Health
3. Critical Assessment of International Health Programs
4. Health Development for Displaced Population
5. Health System Strengthening and Development

Courses Taught in Previous Years

1. H599 Health Development for Displaced Population
2. H531/H431 Health Care Marketing
3. H515 Research Methodology for Health
4. H575 Health Program Evaluation
5. H520 Health Services Agencies
6. H210 Introduction to Health Services

2. Curriculum Development

Curriculum Committee Services

1. Department of Public Health Curriculum Committee member: 2000 – 2011
2. School of Biological and Population Health Sciences Curriculum Committee member: 2012- Present

Curriculum Development at OSU

Note: From 1993 to 2011 I was the only full-time faculty member of MPH-International Health Track, and took the overwhelming majority responsibilities and tasks of curriculum development, revision, and development of its competencies.

1. Development of MPH-International Health Track Curriculum
Role: major developer, Oct. 1992 – June 1993, 1st revision: Oct. 1999 to April. 2000
2. Revisions of MPH-International Health Track curriculum
Role: major developer,
 - 2nd revision: winter term 2003
 - 3rd revision: fall 2005 and winter term 2006
 - 4th revision: fall 2013 and winter term 2014
3. Developed the Competencies for MPH-International Health Track
Role: major developer, from fall term 2004 to spring term 2005.
4. Curriculum development for the new PhD concentration in Health Policy

Role: as a committee member, suggested several new required course, and developed an outline of one of the new course; from fall term 2010 to spring term 2011.

5. Curriculum development for the new PhD concentration in Global Health
Role: as a committee member, suggested competencies, and developed a new doctoral level course; spring of 2016.
6. Courses developed:
 - (1) H538 Public and Private Health Insurance
From fall term 2004 to spring term 2005
First offer: Winter term 2006
 - (2) H599 Health Development for Displaced Population
From spring term 2007 to winter term 2008
First offer: Spring term 2008
 - (3) H638 Public and Private Health Insurance
From fall term 2011 to winter term 2012
First offer: Fall term 2012
 - (4) H527 (Formerly H599) Critical Assessment of International Health Programs
From winter term 2010 to summer term 2013
First offer: Fall term 2013 (taught as an intensive course at NYMU during spring of 2012)
 - (5) H599 Health System Strengthening for International Health
From fall term 2015 to winter term 2016
First offer: Spring Semester of 2016 at NYMU
 - (6) H626 Global Health Systems Strengthening and Development
(developed in spring 2016)

3. Mentoring Graduate and Undergraduate Students

Doctoral students

- Served as the mentor and major professor for PhD students:
Completed: 13 (including one Fulbright Scholar)
Current: 3
- Served as a committee member for PhD student's dissertation committee:
Completed: 24
Current: 5

Master students

- Served as the mentor and major professor for Master degree students:
Completed: 58
Current: 5
- Served as a committee member for Master degree student's committee:
Completed: 163
Current: 3

Undergraduate Students Mentoring on Honor or International Degree Senior Thesis

Summary: Undergraduate students senior thesis mentored as a major professor: 8
(Honor College: 2; International Degree: 6)

4. PhD Advisees' Achievements: Awards or Fellowships

1. Alana Knudson

Received **National Rural Health Association's (NHRA) 2016 President Award**

2. Margaret Henning

- 1) Received **American Public Health Association International Health Section, International Health Mid-Career Achievement Award, 2015**
- 2) Received **Ruth E. Warnke Tuition Research Award, 2008-2009 (\$5,000)** to support her doctoral thesis data collection in Zambia.
- 3) Oregon Public Health Association Annual Conference Presentation **People's Choice Award, First Prize, 2006.**

3. Rebecca Schoon

- 1) Received the **Ryoichi Sasakawa Young Leaders Fellowship Fund in 2015** for conducting her doctoral dissertation research in Taiwan.
- 2) Received **NSF East Asia and Pacific Summer Institutes Fellowship** in 2016 to conduct her proposed doctoral research on an innovative method of Assessing Community Preferences for Health Care Priority Setting

4. Carla Alvarado

- 1) Received the **Mount Sinai International Exchange Program for Minority Students Fellowship in 2015** to conduct research in Brazil.
- 2) She was selected and funded to participate in the **Academy Health Diversity Scholars Network in 2014.**

5. Alicia Nuñez

She presented a poster at the 8th World Congress of International Health Economics Association in Toronto in July 10th – 13th of 2011, and received the **Second Place Award for Poster Competition** (she was the coauthor and I was the lead author).

6. Daniel Lopez-Cevallos

- 1) He was selected by the **World Health Organization** to be one of a small group of scholars as "**Outstanding Young Researchers**" to participate in a global conference "Global Ministerial Forum on Research for Health" organized and funded by the World Health Organization in Bamako, Mali, in November 17 – 19 of 2008.
- 2) **Graduate Student Presentation Award, UCGIS, 2008.**
- 3). Received the **Ryoichi Sasakawa Young Leaders Fellowship Fund in 2006** for conducting her doctoral dissertation research in Ecuador.

7. Ruth Mwandira:

- 1) She received **World Bank Margaret McNamara Memorial Fund educational grant of \$15,000 in April of 2010.** She competed with graduate students around the world to apply for this grant, which supported her data collection in Malawi for her doctoral thesis. (One of only 8 doctoral students received this award in North America during 2010).
- 2) **P.E.O International Peace Scholarship (IPS) - \$8,000. 2008/2009**
- 3) **American Association of University Women (AAUW) - \$20,000. 2007-2008**

5. International Teaching

Curriculum Development in Other Countries

1. Developed a model graduate program in International Health for the Japanese Ministry of Education, Culture, Sports, Science and Technology, Oct. 1998 to Feb. 1999.

During my sabbatical leave at University of Tsukuba , 筑波大学 I was working on a grant with my Japanese colleague Prof. Kobayashi to develop a model graduate program in international health for Japanese national universities. I was the lead author of this report.

2. Development of International Health Program at Tohoku University 東北大学 , Japan, Jan. 1999 to Sep. 2000.
I assisted my colleague Professor Uehara at Tohoku University Faculty of Medicine to develop an International Health Program for its medical students, which later also expanded to include master and PhD programs in international health. From Jan. 1999 to Aug. 2009 I was invited to Tohoku University 4 times to conduct workshop, give lectures, including a lecture and meeting with its Dean of Faculty of Medicine to introduce MPH Program in International Health.
3. Development of Taiwan's first graduate program in International Health, Aug. to Dec., 2002.
I assisted my colleagues at Taiwan's National Yang Ming University (國立陽明大學 NYMU) to develop Taiwan's first graduate program in international health, that was established in 2003 with its first class enrolled in the fall of 2003. In the same year, I was instrumental to establish NYMU as OSU's partner university, and the IH Program at OSU has a very close collaboration with the IH Program at NYMU. I also have been teaching 4 intensive courses (rotating in different years) at NYMU during spring break since 2010.

6. Faculty adviser for students professional organization

1. OSU Taiwanese Student Association, 1993 to 2003
 2. OSU International Health Club, 2001 to Present
 3. OSU Taiwanese Student Forum, 2014 to Present
-

D. SCHOLARSHIP

1A. Refereed Academic Publications

1. Chi C
Methods of Health Manpower Planning.
Public Health Quarterly 1983;10 (1):1-9.
2. Chi C
Health Sector Resource Allocation in Developing Countries.
Public Health Quarterly 1983;10 (2):128-135.
3. Chi C
The Attitudes of Medical Students Toward the Choice of Specialties.
Public Health Quarterly 1984;11(3):273-285.
4. Lee JL, Chi C, Lai JS
A Critical Review of the Policy Research on Chinese Medicine in Taiwan, 1981-1994.
Public Health Quarterly 1994;21(2):97-107.
Role: a major contributor to the research idea, conducted major parts of research, co-wrote the manuscript, and final revision and edit of the manuscript
5. Lee JL, Lai JS, Chen SJ, Chi C, Chang SK, Chen CY
Estimating Production Functions of Traditional Chinese Medicine Physicians in Taiwan.
Taiwan Journal of Public Health 1994;13 (2):156-167.
Role: a major contributor to the research idea and analytical method, conducted major parts of research, assessed the model estimation, and final revision and edit of the manuscript
6. Chi C
The Development of Education and Research in International Health. *Taiwan Journal of Public Health* 1994;13(4):362-370.
7. Chi C
Integrating Traditional Medicine Into Modern Health Care Systems: Examine the Role of Chinese Medicine In Taiwan.
Social Science and Medicine 1994;39(3):307-321.
8. Lee JL, Chi C, Lai JS
The Effects of Time, Income and Price on the Demand for Chinese Medicine Ambulatory Care.
Taiwan Journal of Public Health 1995;14 (6):470-476.
Role: a major contributor to the research idea and analytical method, conducted major parts of research, assessed the model estimation, and final revision and edit of the manuscript
9. Lee JL, Chi C, Lai JS
The Analytical Methods of Medical Care Demand Study and Its Limitations: An example from Chinese medicine ambulatory care study.
Public Health Quarterly,1996;22(4):247-255
Role: a major contributor to the research idea and theoretical grounds, conducted major parts of research, co-wrote the manuscript, and final revision and edit of the manuscript
10. Chi C, Lee JL, Lai JS, Chen CY, Chang SK, Chen SC
The Practice of Chinese Medicine in Taiwan.

Social Science & Medicine 1996;43(9):1329-1348.

Role: Initiated the research idea, established the method and choose the analytical model, performed the statistical analysis, wrote the entire manuscript with inputs from coauthors.

11. Chi C

A Critical Examination of Theoretical Foundation for Cost-Sharing in Health Insurance.

Public Health Quarterly, 1997;23(4):181-197

12. Chi C, Lee JL, Lai JS, Chen SC, Chang SK, Chen CY

Utilization of Chinese Medicine in Taiwan.

Alternative Therapies in Health and Medicine 1997;3(4):40-53.

Role: Initiated the research idea, established the method and choose the analytical model, participated in original data collection, performed the statistical analysis, wrote the entire manuscript with inputs from coauthors.

13. Chi C

Promoting Health or Reducing Financial Risks? Two Normative Views on Public versus Free Market Health Insurance Systems.

Public Health Quarterly 1998; 24(2):77-96

14. Chi C

The Use of Event Count Model for Studying Health Care Services.

Medical Care 1998; 36(12):1639-1659.

15. Chi C

An Inquiry into the Deeper Issues Underlying Cost-Sharing.

National Health Insurance 1999; 21:10-14

16. Chen CY, Chang SK, Chi C, Chen SC, Lee JL, Lai JS

The Factors that Influence People in the Utilization of Chinese Medicine.

China Medical College Journal 1999; 8(1):77-87.

Role: a major contributor to the research idea and analytical method, conducted major parts of research, and assessed the model estimation.

17. Chi C

On Universities' Academic Independence.

National Taiwan University Biomedical Bulletin, May 2000; 1:2-3.

18. Chi C

The Future of Health Economics.

Taiwan Journal of Public Health 2000;19 (2):69-85.

19. Chi C

Eyes of Beholder—The nature and rules of normative research in health policy analysis.

Taiwan Journal of Public Health 2001; 20(4):249-258

20. Chi C, Kamae I

Health Care Systems' Preparedness for Disasters.

Report of Research Center for Urban Safety and Security (Kobe University) 2003;7:91-106.

Role: Initiated the research idea, conducted the vast majority of the research, provided theoretical foundation, and wrote the entire manuscript with coauthor's input.

21. Chi C

Global Challenges in International Health.

Taiwan Journal of Public Health 2004;23(1):18-31.

22. Lang HC, Chi C, Liu CM

Impact of Case Payment Reimbursement Method on the Utilization and Costs of Laparoscopic Cholecystectomy.

Health Policy 2004;67:195-206.

Role: A major contributor to the research paper's idea and theoretical foundation, assessed the analytical framework and results, wrote the entire manuscript based on coauthor's input.

23. Chi C, Lee JL, Tsai SL, Chen WY

Out of Pocket Payment for Medical Care under Taiwan's National Health Insurance System.

Health Economics 2008;17:961-975.

Role: Initiated the research idea, established the method and choose the analytical model, participated in original data collection, assessed and decided the statistical model and interpretation of results, wrote the entire manuscript with inputs from coauthors.

24. Tuepker A, Chi C

Evaluating integrated healthcare for refugees and hosts in an African context.

Health Economics Policy and Law 2009;4:159-178.

Role: A major contributor to the research idea and research questions, conducted a substantial part of the research, and co-wrote the manuscript with my coauthor.

25. López-Cevallos DF, Chi C

Health care utilization in Ecuador: a multilevel analysis of socio-economic determinants and inequality issues.

Health Policy and Planning 2010;25(3):209-218.

Role: A major contributor to the research idea and research questions, assessed the statistical models and its results, co-wrote the manuscript revision and final edit of the manuscript.

26. Lopez-Cevallos DF, Chi C

Assessing the context of health care utilization in Ecuador: A spatial and multilevel analysis.

BMC Health Services Research 2010;10:64.

Role: A major contributor to the research idea and research questions, assessed the statistical models and its results, co-wrote the manuscript and revision and final edit of the manuscript.

27. Chen WY, Chi C, Lin YH

Willingness to pay for health care under Taiwan's National Health Insurance system.

Applied Economics 2011; 43:1113-1123.

Role: A major contributor to the research idea and research questions, participated in data collection, assessed the statistical models and its results, revision and final edit of the manuscript.

28. Henning M, Chi C, Khanna S

Factors Associated with School Teachers' Perceived Needs and Level of Adoption of HIV Prevention Education in Lusaka, Zambia.

International Electronic Journal of Health Education 2011;14:1-15.

Role: A major contributor to the research idea and research questions, choose the statistical model and analysis, assessed the statistical models and its results, co-wrote the manuscript, and revision and final edit of the manuscript.

29. López-Cevallos DF, Chi C

The role of emigrant remittance as a predictor of health care utilization in Ecuador.

Rev Panam Salud Publica / Pan American Journal of Public Health 2012;31(1):9-

16..

Role: A major contributor to the research idea and research questions,

- assessed the statistical models and its results, co-wrote the manuscript and revision and final edit of the manuscript.
30. Chi C., Lee JL, Schoon R
Assessing Health Information Technology in a National Health Care System—An Example from Taiwan.
Advances for Health Care Administration 2012;12:75-109.
 Role: Developed the original idea, research questions, and analytical framework of this research, conducted the vast majority of this research, and wrote the entire manuscript with inputs from coauthors.
31. Henning M, Chi C
Exploring Factors Associated With A Teachers' Self-Efficacy in HIV- Prevention Education in Lusaka, Zambia.
International Journal for Equity in Health 2012;11(Supplemental 1):A4-5.
 Role: A major contributor to the research idea and research questions, choose the statistical model and analysis, assessed the statistical models and its results, co-wrote the manuscript, and revision and final edit of the manuscript.
32. Lopez-Cevallos DF, Chi C
Inequity in health care utilization in Ecuador: an analysis of current issues and potential solutions.
International Journal for Equity in Health 2012;11(Supplemental 1):A6-7.
 Role: A major contributor to the research idea and research questions, choose the statistical model and analysis, assessed the statistical models and its results, co-wrote the manuscript, and revision and final edit of the manuscript.
33. Lee J-L, Chi C, Hsu M-Y.
Patient safety and nursing staff allocation
Journal of Nursing (Taiwan) 2013;60(2):19-23.
 Role: A major contributor of the research ideas and its theoretical framework, co-wrote the manuscript and its final revision.
34. Lee J-L, Hung C-T, Chen W-Y, Tsai T-H, Chi C* (*Corresponding Author*)
The Development and Application of Add-on Payment under DRG Systems
Taiwan Journal of Public Health 2013; 32(3):205-219.
 Role: A major contributor of the research ideas and its theoretical framework, conducted a substantial part of the research, co-wrote the manuscript and was responsible for its final revision after the journal reviewed it.
35. Henning M, Chi C.
Exploring the role and capacity of school teachers in Zambia to support orphans and vulnerable children: Considerations for educational recourse allocation in Lusaka, Zambia.
International Quarterly of Community Health Education 2012-2013;33(3):231-246. doi: 10.2190/IQ.33.3.b.
 Role: A major contributor to the research idea and research questions, choose the statistical model and analysis, assessed the statistical models and its results, co-wrote the manuscript, and revision and final edit of the manuscript.
36. Nunez A, Chi C
Equity in health care utilization in Chile.
International Journal for Equity in Health 2013;12:58-64.
 Role: A major contributor to the research idea and research questions, choose the statistical model and analysis, assessed the statistical models and interpretation of its results, co-wrote the manuscript, and revision and final edit of the manuscript.

Funding Agency: Department of Health 行政院衛生署, Taiwan, 08/01/2007-07/31/2008.

Role: Co-Investigator (PI: Dr. Jwo-Leun Lee, China Medical University)

5. Sustainable Rural Health Development in Ethiopia

Funding Agency: Oregon State University College of Health and Human Sciences Pilot Grant, 07/01/2007-06/30/2009

Role: **Principal Investigator**

6. Collaboration for Health Development and Millennium Development Goals in Latin America

Funding Agency: Department of Health, Taiwan, 11/01/2006-10/01/2007.

Role: **Co-Principal Investigator** (with Dr. Fernando Ortega, Universidad San Francisco de Quito)

7. Methodology for National Health Expenditure and Health Care Priority Setting.

Funding Agency: National Health Research Institute 國家衛生研究院, Taiwan, 01/01/2006-12/31/2008.

Role: Co-Investigator (P.I.: Dr. Andrew Huang of Duke University School of Medicine)

8. An Assessment of Effective Methods for Taiwan's Multilateral Cooperation in Maternal Mortality and Morbidity Reduction in Haiti.

Funding Agency: Taiwan Department of Health 行政院衛生署, Taiwan, 07/01/2003 to 12/31/2003.

Role: **Principal Investigator**

9. Out of Pocket Medical Care Payments under the Global Budget Reimbursement System of Taiwan's National Health Insurance

Funding Agency: Bureau of National Health Insurance 中央健康保險局, Taiwan, 01/01/2003-12/31/2004.

Role: **Co-Principal Investigator** (with Dr. Jwo-Leun Lee, China Medical University, Taiwan)

10. Utilization of Chinese Medicine in Central Taiwan under National Health Insurance.

Funding Agency: National Department of Health, Chinese Medicine Council, Taiwan, 2002. 衛生署中醫藥委員會

Role: Co-Investigator

11. An Assessment of Health Care Capacities and Establishment of a Women's Clinic in Uzhgorod, Ukraine.

Funding Agency: USAID, 01/01/2001-12/31/2003

Role: Expert Consultant (P.I.: Louis Muscato)

12. A Study of Factors that Affect the Cost Inflation of Taiwan's National Health Insurance.

Funding Agency: Taiwan Department of Health, Rate Arbitration Committee, Taiwan, 09/01/2000-08/31/2001. 全民健保費用協定委員會

Role: Principal Investigator

13. An Analytical Model for Global Budget under National Health Insurance.

Funding Agency: Taiwan Department of Health, Rate Arbitration Committee 全民健保費用協定委員會, Taiwan,

08/01/2000-07/31/2001.

Role: Co-Investigator. (P.I.: Jwo-Leun Lee, China Medical University, Taiwan)

14. A Study of Regulation for Private Administration of the National Health Insurance in Taiwan

Funding Agency: Bureau of National Health Insurance, Taiwan, 07/01/1999 - 06/30/2000. 中央健康保險局

Role: Principal Investigator

15. Methodological Issues of Health Care Prioritization in Oregon Health Plan and the Proposed Framework for Health Care Priority Setting in Japan

Funding Agency: Ministry of Health and Welfare 日本厚生省, Japan, 09/01/1999- 08/31/2000.

A collaborative research with the Tohoku University Department of Health Policy and Management, and Kobe University Center for Urban Health and Safety

Role: Co-Investigator (P.I. : Nobuo Koinuma, Tohoku University, Japan)

16. Development of Graduate Programs in International Health for Japanese Universities

Funding Agency: Ministry of Education 日本文部省, Japan, 09/01/1998- 08/31/2000.

A collaborative research with the University of Tsukuba Department of Community Medicine.

Role: Co-Investigator (P.I.: Yasuki Kobayashi, The University of Tokyo, Japan)

17. Identifying the Factors on the Supply Side that Affect the NHI Expenditure.

Funding Agency: Bureau of National Health Insurance 中央健康保險局, Taiwan, 07/01/1998 – 06/30/1999.

Role: Co- Investigator (P.I.: Michael Chen, National Chung Cheng University, Taiwan)

18. A Longitudinal Study on the Utilization of Chinese Medicine in Taiwan, Before and After the Implementation of National Health Insurance.

Funding Agency: Taiwan Department of Health 衛生署, Taiwan, 07/01/1994- 06/30/1996

A collaborative project with the faculty of China Medical College, Taiwan.
Role: Co-investigator (P.I.: Jim-Hsounng Lai, China Medical College, Taiwan)

19. Estimating the Production Functions of Taiwan Provincial Health Department's Various Divisions.

Funding Agency: Taiwan Provincial Health Department 台灣省衛生處,
01/01/1996 – 12/31/1996.

A collaborative project with the faculty of China Medical College, and Taiwan's Provincial Department of Health, Taiwan.

Role: Expert Consultant (P.I.: Jwo-Leun Lee, China Medical College, Taiwan)

20. The Promotion of Cooperation in the Research and Development of Chinese Medicine in Taiwan and China.

Funding Agency: Taiwan Department of Health 衛生署, Taiwan, 01/01/1993-
12/31/1994,

A collaborative project with the faculty of China Medical College and Taiwan's Department of Health, Taiwan.

Role: Co-investigator (P.I.: Jim-Shoung Lai, China Medical College, Taiwan)

21. Methods and Criteria for Evaluating Maternal and Child Health Programs in Developing Countries.

Funding Agency: Ministry of Health and Welfare 日本厚生省, Japan,
01/01/1994 – 12/31/1994

Role: Co-investigator (P.I.: Yasuki Kobayashi, Teikyo University, Japan)

22. Utilization of Chinese Medicine under the Labor's Health Insurance.

Funding Agency: Taiwan Bureau of Labor Insurance 勞保局, Taiwan,
09/01/1992-08/31/1993,

Role: Co-investigator (P.I.: Jim-Shoung Lai, China Medical College, Taiwan)

23. The Supply and Demand of Chinese Medicine in Taiwan.

Funding Agency: Taiwan Department of Health 衛生署, Taiwan, 10/01/1991-
09/30/1992,

A joint project with the faculty of China Medical College, Taiwan.

Role: Co-investigator (P.I.: Jim-Shoung Lai, China Medical College, Taiwan)

24. A Health Insurance Study of Boston's Chinatown Residents.

Funding Agency: Robert Wood Johnson Foundation, 07/01/1988-06/30/1990

A joint project between Harvard School of Public Health and South Cove Community Health Center, Boston.

Role: Research Analyst (P.I.: William Hsiao, Harvard School of Public Health)

E. SERVICES

1. University Services

1A. University Services

1. **Founding Member of the OSU International Degree Committee**
I represent College of Health and Human Performance (1997-2003), College of Health and Human Sciences (2003-2012), and College of Public Health and Human Sciences (since 2012) in this committee.
2. **Member of International Education Council** representing the College of Health and Human Sciences (2010 - 2012)
3. **OSU Faculty Senate** (2011-2012)
4. **Oregon MPH Program Track Coordinator Committee Member** (1999 to 2014).
5. **Contact faculty member for OSU's partnership with University of Gondar, Ethiopia.** (Since 2009)
6. **Developed the collaborative relationship between OSU and National Yang-Ming University (NYMU, 國立陽明大學) in Taiwan** and serve as the contact faculty member for OSU's partnership with National Yang-Ming University. (Since 2003)
I was instrumental in establishing this partnership between OSU and NYMU.
7. Participated and contributed to the development of a **Memorandum of Understanding (MOU) in collaboration between OSU and India's largest health-related NGO, MAMTA,** in 2008.
8. **Served as a Provost appointed member of the International Education Subcommittee** (2001 – 2002).
The task of this university-wide 10-members committee was to evaluate OSU's international education and research, and develop a strategic plan as a part of the OSU 2007 Vision.
9. **Member of OSU's Africa Initiative** (since 2007)
The Africa Initiative meets monthly or bi-monthly to discuss and share information about research and education opportunities in Africa.
10. Participated and contributed to the development of official collaboration with **Universidad San Francisco de Quito, Ecuador,** together with Dr. Fernando Ortega my PhD mentee, in 2001.
11. Serving as the **faculty advisor** for three students organizations.
 - (1) **Taiwanese Students Association** (1997 - 2004)
 - (2) **International Health Club** (from 2002 to present)
 - (3) **Taiwanese Student Forum** (April 2014 to present)

1B. College Services

1. Member, Search committee to recruit the new dean of College of Health and Human Sciences, Dr. Tammy Bray. (2002-2003).
2. Member, Search committee for associate dean, Dr. Liz Gray (2006-2007).
3. Member, College Transition Team (2010-2011)
Serving as a member for the restructuring of College of Health and Human Sciences into College of Public Health and Human Sciences, the restructuring of 3 departments into 2 schools, and preparation for CEPH accreditation as a new school of public health. (2010 to 2011)
4. Member, Search committee for MPH Internship Coordinator, Faith Vawter (2011-2012)
5. Member, College Public Health Curriculum Committee (2011 to present)
6. Development of international internship sites for MPH students.
I was instrumental to set up the multiple international internship sites in Asia, Africa and Latin America for our MPH and other graduate and undergraduate students.
7. Member, College Seminar Committee (2014 to present)
8. Member, College Administrative Team (2014 to present)
9. Member, College Associate Dean for Student Success Screening Committee (2015)
10. Member, College MPH Program Manager Search Committee (2015)

2. Service to the Profession

1. Visiting Researcher, Bureau of National Health Insurance (BNHI, renamed National Health Insurance Administration in 2013), Taiwan, 1999
2. Consultant, Bureau of Health Promotion (BHP, renamed Health Promotion Administration in 2013), Taiwan, 2009
