A. EDUCATION AND EMPLOYMENT INFORMATION

Education

Doctor of Philosophy in Kinesiology 2011
University of Michigan, Ann Arbor, MI
Major: Kinesiology with a focus in adapted physical activity

Bachelor of Education 2006
Trent University, Peterborough, ON, Canada
Major: Education

European Master in Adapted Physical Activity 2003
Katholieke Universiteit, Leuven Belgium
Major: Adapted Physical Activity

Bachelor of Kinesiology with Honours (thesis) 2002
Acadia University, Wolfville, NS, Canada
Major: Kinesiology

Training

OSU Public Voices Fellow 2021
Oregon State University, Corvallis, OR
A national initiative with the OpEd project to change who writes history

Physical Activity & Public Health Training Course 2013
Center for Disease Control & Prevention & University of South Carolina Prevention
Research Center, Park City, UT

Professional Positions

School Head 2023– present
School of Exercise, Sport, and Health Sciences
College of Health, Oregon State University,
Corvallis, OR

Interim School Head 2022- 2023
School of Biological & Population Health Sciences,
College of Public Health & Human Sciences, Oregon State University,
Corvallis, OR

Professor (with tenure) College of Public Health & Human Sciences, Oregon State University, Corvallis, OR	2022- present
OSU IMPACT for Life Endowed Faculty Scholar College of Public Health & Human Sciences, Oregon State University, Corvallis, OR	2019–present
Healthy Development in Early Childhood Research Core Director Hallie E. Ford Center for Healthy Children & Families, College of Public Health & Human Sciences, Oregon State University, Corvallis, OR	2018- 2023
Associate Professor (with tenure) College of Public Health & Human Sciences, Oregon State University, Corvallis, OR	2017–2022
Assistant Professor College of Public Health & Human Sciences, Oregon State University, Corvallis, OR	2011–2017
Consultant–Subject Matter Expert Relias Learning	2014–2015
Graduate Student Research Assistant School of Kinesiology, University of Michigan	2007–2011
Graduate Student Teaching Assistant School of Kinesiology, University of Michigan	2009
Director, S.M.I.L.E. (Sensory, Motor, Instructional, Leadership, Experience) School of Recreation Management & Kinesiology, Acadia University, Wolfville, Nova Scotia	2006–2007
Lecturer School of Recreation Management & Kinesiology, Acadia University, Wolfville, Nova Scotia	2006–2007
Undergraduate Teaching Assistant School of Recreation Management & Kinesiology, Acadia University, Wolfville, Nova Scotia	2001–2002

Licensures and Certifications

Certificate of Qualification –Teacher, Ontario College of Teachers 2006–2017

Professional Memberships

National Center for Faculty Development and Diversity 2020- present

National Consortium for Physical Education for Individuals with Disabilities 2012–present

Society for Health & Physical Educators (SHAPE) America (formerly American Alliance for Health, Physical Education, Recreation & Dance) 2010–present

Ontario College of Teachers 2006–2017

B. TEACHING, ADVISING AND OTHER ASSIGNMENTS

B1. Instructional Summary

My teaching responsibilities have ranged annually. The courses that I teach include upper-level undergraduate courses and graduate courses. In addition to these teaching responsibilities, I regularly guest lecture and offer independent study courses to graduate students and undergraduate students every term. Independent study courses include, but are not limited to, theses, research projects, guided readings, and experiential learning through service-related programs in adapted physical activity (e.g., IMPACT, IMPACT 4 Life).

B1.1. Credit Courses

<u>Term</u>	<u>Course Number</u>	<u>Course Title</u>	<u>Credit Hours</u>	<u>Number of Students</u>
Winter 2022	KIN 549	Physical Activity for Persons with Severe Disabilities	3	~8
Fall 2021	KIN 444/544	Advanced Adapted Physical Activity	3	~40
Winter 2021	KIN 549	Physical Activity for Persons with Severe Disabilities	3	10
Fall 2020	KIN 444/544	Advanced Adapted Physical Activity (remote offering)	3	~40
Fall 2020	HHS 199	Imperfect and Thriving	2	~15
Spring 2020	KIN 444	Advanced Adapted Physical Activity	3	~24
Winter 2020	KIN 549	Physical Activity for Persons with Severe Disabilities	3	8

Fall 2019	HHS 199	Imperfect and Thriving	2	25
Fall 2019	KIN 444/544	Advanced Adapted Physical Activity	3	~40
Winter 2018	KIN 549	Physical Activity for Persons with Severe Disabilities	3	11
Fall 2017	KIN 481	Analysis of Critical Issues in Kinesiology	3	25
Fall 2017	KIN 444/544	Advanced Adapted Physical Activity	3	25
Winter 2017	KIN 444	Advanced Adapted Physical Activity	3	40
Fall 2016	KIN 314	Introduction to Adapted Physical Activity	3	133
Fall 2016	KIN 444/544	Advanced Adapted Physical Activity	3	20
Summer 2016	KIN 549	Physical Activity for Persons with Severe Disabilities	3	~10
Summer 2016	KIN 314	Introduction to Adapted Physical Activity	3	~30
Spring 2016	KIN 311	Motor Behavior	4	35
Winter 2016	KIN 444	Advanced Adapted Physical Activity	3	24
Winter 2016	KIN 549	Physical Activity for Persons with Severe Disabilities	3	12
Fall 2015	KIN 444/544	Advanced Adapted Physical Activity	3	15
Fall 2015	KIN 314	Introduction to Adapted Physical Activity	3	~95
Summer 2015	EXSS 314	Introduction to Adapted Physical Activity	3	33
Spring 2015	EXSS 311	Motor Behavior	4	~117
Spring 2015	EXSS 314	Introduction to Adapted Physical Activity	3	~61
Winter 2015	EXSS 314	Introduction to Adapted Physical Activity	3	67
Fall 2014	EXSS 314	Introduction to Adapted Physical Activity	3	71
Summer 2014	EXSS 549	Physical Activity for Persons with Severe Disabilities	3	8
Fall 2011	EXSS 444/544	Adapted Physical Activity	4	37
Winter 2012	EXSS 549	Physical Activity for Persons with Severe Disabilities	3	12
Spring 2012	EXSS 507/607	Seminar	1	~15
Fall 2012	EXSS 549	Physical Activity for Persons with Severe Disabilities	3	15

Winter 2013	EXSS 444	Adapted Physical Activity	4	48
Fall 2013	EXSS 444/544	Adapted Physical Activity	4	48
Winter 2014	EXSS 549	Physical Activity for Persons with Severe Disabilities	3	12
Fall 2009	KIN 425	Motor Behavior & Developmental Disabilities	3	~ 40
Winter 2007	KINE 2443	Growth & Motor Development	3	~ 30
Winter 2007	KINE 3373	Children with Special Needs	3	~30
Fall 2006	KINE 1513	Fundamental Movement	3	~ 30
Fall 2006	KINE 2003	Adapted Physical Activity	3	~ 30

B1.2. Invited Guest Lectures

Undergraduate/Graduate Audience

Oregon State University

Fall 2020	HDFS (Grad students)	Professional Development	Professional Development
Winter 2012- present	EXSS/KIN 131	Introduction to EXSS	Research in KIN/ APA
Spring 2016	ANS 230	Companion Animal Management	Disability & Family Pets
Spring 2016	KIN 550	Health Promo for Pers w Dis	Health Promotion for Children
Winter 2016	Honors	Honors College Mentor Panel	Kinesiology
Winter 2016; 2017	HDFS 311	Infant & Child Development	Early Intervention
Fall 2014	EXSS 311	Motor Behavior	Mountain of Motor Development
Winter 2014	EXSS 607	Topics in aging IGERT	Life as a New Faculty
Fall 2013	EXSS 547	Inclusion in Physical Activity	Behavior Management

Kansas State University (via Zoom)

Winter 2022	Graduate Seminar	Communicating research through OpEds
-------------	------------------	--------------------------------------

Georgia State University (via Skype)

Winter 2014	KH 9960	Advanced Research Seminar	Autism Spectrum Disorders
-------------	---------	---------------------------	---------------------------

Slippery Rock University (via Skype)

Fall 2016 Adapted Physical Activity Seminar Public Health & APA
Fall 2015 Adapted Physical Education Seminar Research in APA

Faculty Audience

Oregon State University

Winter 2016	Hybrid Faculty Learning Community	New Course Management/ Hybrid
Spring 2015	Hybrid Faculty Learning Community	Developing a Hybrid Course
Winter 2015	Oregon Healthiest State Initiative	Adapted Physical Activity
Fall 2014	Hybrid Faculty Learning Community	Strength of a Hybrid Course
Spring 2014	Ecampus Faculty Forum	Hybrid Showcase (EXSS 444)
Spring 2013	Hybrid Faculty Learning Community	Lesson's learned (EXSS 444)

B1.3. Curriculum Development

Oregon State University

Spring 2014–Spring 2018 New option associated with the OSU CPHHS MPH degree
Joint participation in an identified initiative in Physical Activity. This initiative resulted in an MPH Physical Activity Option.

Fall 2013–Spring 2017 Master of Adapted Physical Education (degree creation)
Joint participation in the creation of a professional degree program, the Master of Adapted Physical Education (MAPE).

Fall 2013–Winter 2015 EXSS Undergraduate Restructure
Joint participation with EXSS faculty in the significant restructure of courses and course content associated with the EXSS undergraduate degree.

Fall 2012 EXSS 444 Adapted Physical Activity
Joint participation in the hybrid faculty learning community course to redesign EXSS 444 Adapted Physical Activity into a hybrid course offering.

Relias Learning

Fall 2014–Spring 2015 New courses for Relias Learning
Responding to Healthcare Needs (Focused Learning series); Weight Management; The Importance of Physical Fitness.
Wrote course content as a subject matter expert.

B1.4. Graduate & Undergraduate Students

Graduate Mentoring

Graduate student mentoring is an accomplishment that I take extreme pride in. In the Children & Youth with Disabilities Laboratory, which I direct, we take a team approach to all of our projects, from idea conceptualization to products (e.g., manuscripts, presentations, reports). I have been honored to work with graduate students at the Master and Doctoral level. I believe that their accomplishments, to date, are a direct reflection of their combined experiences at OSU and otherwise, including my mentorship. Where I was the major professor, I have indicated graduate student major accomplishments (e.g., awards and current positions).

<u>Doctoral Student</u>	<u>Major</u>	<u>Instructional Role</u>	<u>Degree/ Completion Date</u>
Nicole Fiscella	KIN	Major professor	PhD/ 2023

Dr. Fiscella graduated with her PhD in Kinesiology with an option in Adapted Physical Activity in 2023. My mentorship of Dr. Fiscella commenced in the Fall 2019, notably Dr. Fiscella was funded on a Leadership training grant from the US Department of Education Office of Special Education Programs. Dr. Fiscella joined the faculty at Slippery Rock University as an Instructor in Fall 2023.

Ming-Chih (Darren) Sung	KIN	Major professor	PhD/ 2022
-------------------------	-----	------------------------	-----------

Dr. Sung graduated with his PhD in Kinesiology with an option in Adapted Physical Activity in 2022. Dr. Sung is funded as a graduate teaching assistant. Dr. Sung was the recipient of the Steve Skaggs award in Spring 2020 for his leadership, outstanding contributions to the program and general willingness to learn. Dr. Sung joined the faculty at the University of South Carolina Upstate as an Assistant Professor (tenure-track) in Fall 2022.

Kathleen McCarty	KIN	Major professor	PhD/ 2022
------------------	-----	------------------------	-----------

Dr. McCarty graduated with her PhD in Kinesiology with an option in Adapted Physical Activity in 2022. During her degree program Dr. McCarty successfully secured fellowship funding through the Robert Wood Johnson Foundation (~\$120,000). As a part of her fellowship funding, she was a Robert Wood Johnson Health Policy Scholar. In 2020, Dr. McCarty secured a second fellowship from the U.S. Department of Education, Office of Special Education Programs. In 2021, Dr. McCarty was awarded the Local American Kinesiology Doctoral Student Award. Dr. McCarty joined the faculty at the University of San Francisco as an Assistant Professor Winter 2023.

Winston Kennedy	KIN	Major professor	PhD/ 2022
-----------------	-----	------------------------	-----------

Dr. Kennedy completed his PhD in Kinesiology with an option in Adapted Physical Activity in 2022. My mentorship of Dr. Kennedy commenced in the Fall of 2021. Notably, Dr. Kennedy completed a Doctor of Physical Therapy degree prior to entering the PhD program. Dr. Kennedy

was funded on a Leadership training grant from the US Department of Education Office of Special Education Programs. Dr. Kennedy secured a post-doctoral position at Merrimack College.

Willie Leung KIN **Major professor** PhD/ 2021

Dr. Leung graduated in Summer 2021. Dr. Leung is an assistant professor of human performance at the University of Tampa. My co-mentorship of Dr. Leung commenced in the Fall of 2019. Dr. Leung was funded on a Leadership training grant from the US Department of Education Office of Special Education Programs.

Byoung Mo Ku KIN **Major professor** PhD/ 2019

Dr. Ku graduated in Spring 2019. Dr. Ku is currently an assistant professor at Nanyang Technological University in Singapore (August 2021). Immediately following his degree program at OSU, Dr. Ku accepted an assistant professor position (tenure-track) in the Department of Kinesiology at Vanguard University of Southern California. While at OSU, Dr. Ku was funded as a graduate teaching assistant in the College of Public Health & Human Sciences.

Kiley Tyler KIN **Major professor** PhD/ 2016

Dr. Tyler graduated in Summer 2016. Dr. Tyler is an assistant professor at Loyola University Chicago (commenced in August 2016). While at OSU, Dr. Tyler was funded on a leadership training grant from the US Department of Education. Within our adapted physical activity program, Dr. Tyler was the recipient of the adapted physical activity Steven O. Skaggs Award. At the College level within OSU, Dr. Tyler received the Woods Foster Fellowship and the Jesse Bell Memorial Graduate Student Loan Award.

Amanda Tepfer EXSS **Major professor** PhD/ 2015

Dr. Tepfer is currently an assistant professor (tenure-track) at The State University of New York (SUNY) Cortland (commenced Fall 2018; previously Dr. Tepfer was an assistant professor at Norwich University), focused on physical education teacher education and adapted physical education. While at OSU, Dr. Tepfer was funded on a leadership training grant from the US Department of Education. While at OSU, Dr. Tepfer received the Ruth Warnke Graduate Research Fellowship Award. Nationally, Dr. Tepfer was recognized as the Outstanding Doctoral Student of the Year (SHAPE America) and received an Emerging Scholar Award at the National Consortium for Physical Education for Individuals with Disabilities. Internationally, Dr. Tepfer was selected for the International Federation of Adapted Physical Activity International Volunteer Program (Istanbul, Turkey).

Master’s Student **Major** **Instructional Role** **Degree/ Completion Date**

Jodi Stinson KIN **Major professor** MS/ 2019

Ms. Stinson commenced her Master’s degree at Oregon State University in the Fall of 2017. Her funding included a graduate teaching assistantship at OSU.

Amelia “Chloe” Simpson KIN **Major professor** MS/ 2018

Ms. Simpson commenced her Master’s degree at Oregon State University in the Fall of 2016. Her funding included a graduate teaching assistantship at OSU and APE consulting services at the Lebanon Community Schools (PI MacDonald).

Erica Twardzik KIN **Major professor** MS/ 2016

Dr. Twardzik is currently a post-doctoral scholar at Johns Hopkins University. Following her degree program at OSU, she completed her PhD at the University of Michigan (joint degree in Kinesiology and Public Health, 2021). While at OSU, Dr. Twardzik was recognized as an Emerging Scholar from the National Consortium for Physical Education for Individuals with Disabilities.

Samantha Ross EXSS **Major professor** MS/ 2015

Dr. Ross is an Assistant Professor at West Virginia University. Following her degree program, Dr. Ross completed her PhD at Oregon State University, funded on a leadership training grant from the US Department of Education, Office of Special Education Programs. While at OSU Dr. Ross was the recipient of many awards and honors; these included the Art Kioski travel scholarship, the Oregon Public Health Association Disability Section scholarship, and the President’s Commission on the Status of Women scholarship.

Nicole Cook EXSS **Major professor** MS/ 2014

Ms. Cook has completed Physician Assistant Studies at the University of St. Francis (2016) and is currently practicing as a physician’s assistant. While at Oregon State University, Ms. Cook was selected for the International Federation of Adapted Physical Activity International Volunteer Program (Istanbul, Turkey).

Jacqueline (Megan) Irwin EXSS **Major professor** MS/ 2013

Dr. Irwin is a current post-doctoral scholar at the University of South Carolina. While at Oregon State University, Dr. Irwin was funded as a graduate teaching assistant. In addition, Dr. Irwin successfully secured funding from the College to both complete her dissertation and travel to two national meetings.

Undergraduate Mentoring

*Undergraduate students are an active part of our research initiatives within the Children and Youth with Disabilities Laboratory (PI **MacDonald**). The following descriptions explain some of the funding mechanisms we have utilized for undergraduate research opportunities.*

The University Honors College is a small degree-granting college within OSU. This college offers OSU's most prestigious degree, the Honors Baccalaureate Degree, which can be earned by any undergraduate major. Undergraduate awards associated with the Honors College include the DeLoach Scholarship and the Honors College Experience. In addition, some students choose our lab for their honors thesis, as noted below.

The Undergraduate Research Awards Program (URAP) was a competitive award for undergraduate students in the College of Public Health & Human Sciences.

The Undergraduate Research, Scholarship and the Arts (URSA Engage [formerly Undergraduate Research, Innovation, Scholarship & Creativity URISC]) is a competitive award for undergraduate students across all disciplines within OSU.

<u>Student's Name</u>	<u>Major</u>	<u>Additional Information</u>	<u>Mentoring Completion Date</u>
Ditte Hansen		Honors College Thesis member	2023
Esme Burnett		Honors College Thesis member	2024 (anticipated)
Kimia Pourmehr		Beginning Researcher	2024 (anticipated)
Briana Snisky		URSA Engage	2024 (anticipated)
Alia Mau	HDFS	URSA Engage	2022
Arihana Wallace	KIN	URSA Engage	2022
Brandon Kuske	KIN	URSA Engage	2022

Lisa Cowgill	EXSS	Honors College, thesis advisor MacDonald	2014
Erika Sawka	NUTR	Honors College, DeLoach Scholarship (Fall 2012–Spring 2013)	2013
Schyler Sprague	EXSS	URAP (Winter & Spring 2013)	2013
Maegan Childs	EXSS	URAP (Winter & Spring 2012), URISC (Fall 2012)	2012

B2. Student Evaluation Summary

Oregon State University has a standard questionnaire to evaluate the instructor. On the “Student’s Evaluation of Teaching form,” the ratings are “very poor=1, poor=2, fair=3, good=4, very good=5 and excellent=6. These forms are completed anonymously online by the students. Reported below are the student answers to question 1 “the course as a whole was . . .,” and question 2 “the instructor’s contribution to the course was . . .”

<u>Course and Section Number</u>	<u>Term</u>	<u>Year</u>	<u>Number of Evaluations/ Enrollment</u>	<u>Q1 Median (Instructor/ College)</u>	<u>Q2 Median (Instructor/ College)</u>
KIN 549	OSU Winter	2021	0/10	N/A	N/A

B3. Peer Teaching Evaluations

B4. Other Assignments

Position

Kinesiology Undergraduate Program Coordinator

Timeframe

September 2016–December 2018

C. RESEARCH, SCHOLARSHIP, AND CREATIVE ACTIVITY

* Denotes current &/or former graduate student

** Denotes undergraduate student

*** Denotes graduate student at another institution

Note: regarding the ordering of authors, the first author made the greatest contribution.

Note: Each contribution indicates my specific role within the research, scholarship &/or creative activity. The following descriptions accompany the role indicated in the contribution:

- Lead author: Wrote majority of paper, conceptualized idea, designed study, interpreted results.
- Major contributor: Wrote significant portion of paper, assisted significantly in idea conceptualization, assisted significantly in interpreting results.
- Contributing author: This role varies by specific contribution and could include, writing part(s) of the paper, participation in idea conceptualization, participation in interpreting results.
- Senior author: This role typically consists of mentoring graduate and/ or undergraduate students through all aspects of the contribution.

3. Twardzik, E.*, & **MacDonald, M.** (2016). *Transitions from early intervention/ early childhood special education to school-based education for children diagnosed with developmental delay: Oregon Department of Education (ODE) report*. Report submitted to the Oregon Department of Education Special Education Department. [Senior author.]

2. Twardzik, E. *, & **MacDonald, M.** (2016). *Ensuring enrollment into Part C programs*. Report submitted to the Oregon School Readiness Consortium intended for policy-makers at the Oregon Department of Education. [Senior author.]
1. Arnhold, R., Jackson, D., **MacDonald, M.**, Taliaferro, A., Tymeson, G., Weiner, B., & Alexander, C. (2016). *Providing community-based PE services for students with disabilities in special education transition programs*. [Guidance document]. Society of Health and Physical Educators (SHAPE America). [Contributing author.]

C1.5 Book/ Media Reviews

1. **MacDonald, M.**, & Wegis, H. (2016). Review of Exercise Buddy: A visual exercise system. *Adapted Physical Activity Quarterly*, 33(2), 205–206. doi:10.1123/APAQ.2015-0133. [Lead author.]

C1.6 Papers under Review at Refereed Journals

6. Parkinson, C. *, Shen, X., **MacDonald, M.**, Logan, S., Gorrell, L. & Hatfield, B. (Revise & resubmit). The role of adaptive strategies on outdoor recreation engagement during COVID-19 in the U.S. [Contributing author.]
5. Sung, M.C.*, Massey, W., Logan, S., McClelland, M. & **MacDonald, M.** Cross-cultural comparison of motor skill and executive function in autistic children from Taiwan and the United States. [Senior author.]
4. Foster, S., Kile, M., Geldhof, J., Mercurief, Lipscomb, S., MacDonald, M., McClelland, M., Anderson, K., Chang, S., Megowan, M. & DeRuyter, T. (In preparation). Have flame retardant chemical exposures changed over time? An exposure assessment using silicone wristbands among Oregonian preschool-aged children before and during the COVID-19 pandemic. [Contributing author.]
3. Case, L., Hatfield, B., Logan, S., MacDonald, M., & Yun, J. (Review & Resubmit). Assessing the use of best practice recommendations in adapted physical activity/ education service learning programs. [Contributing author.]
2. Leung, W.*, Sung, M. C.*, Fiscella, N.*, McCarty, K.*, & **MacDonald, M.** (Submitted). The effects of exergaming on physical activity outcomes in people with disabilities: A meta-analysis. *Adapted Physical Activity Quarterly*. [Senior author.]
1. McCarty, K.*, Massey, W., & **MacDonald, M.** (Submitted). “Sports is a vehicle”: Understanding the collegiate adaptive athletics landscape, vision, and future. [Senior author.]

C1.7 Papers in Progress

1. Tepfer, A.* , Sung, M.C.* & **MacDonald, M.** Motor skills and early academic achievement relations in at-risk preschoolers. [Senior author.]

C1.8 Media (Podcasts, Webcasts & OpEds)

11. **MacDonald, M.** (2024, February 2). Students with disabilities often left on the sidelines when it comes to school sports. *The Conversation*. [OpEd](#).

C2. Professional Meetings, Symposia, and Conferences

C2.1 National & International Presentations

Note: Paper presentations resulting in published abstracts are only listed under published abstracts.

77. Sung, M. & **MacDonald, M.** (Submitted). *Cross-cultural exploration of motor skills and executive function among children with autism spectrum disorder in Taiwan and the United States* (June 2024). Paper accepted to IMDRC, Ghent, Belgium XX.
76. Frank, D.*, Darling, S., Vitale, K., **MacDonald, M.** & Udell, M. (Submitted). *Child-Cat attachment and emotional support: A at training animal-assisted program*. Paper submitted to the America Psychological Association Conference and Expo, XXX, XX.
75. Larkin, A., Jackson, D., **MacDonald, M.** & Hystad, P. (Submitted March 2024). *Identifying children's environmental health conditions and needs with multimodal models and large-scale social media analytics*. Paper submitted to the NVIDIA Conference and Expo, San Jose, CA.
74. Jost, C.*, **MacDonald, M.** & Khanna, S. (Submitted November 2023). *Examining the effectiveness of a community-driven disability awareness program on disability inclusion practices in rural Botswana: A community-based approach*. Paper accepted at the American Public Health Association Annual Meeting, Atlanta, GA.
73. Sung, M.C. & **MacDonald, M.** (June 2023). *Comparison of motor skills in children with autism spectrum disorder: A cross-cultural investigation in Taiwan and the United States*. Paper submitted to the International Symposium on Adapted Physical Activity (ISAPA). Dunedin, New Zealand.
72. Ketcheson, L., Pitchford, E.A., Staples, K., Lloyd, M., **MacDonald, M.** & Ulrich, D. (May 2023). *Pervasiveness of motor incoordination among children with autism spectrum disorder both with and without concurrent intellectual disability*. Paper submitted to the International Symposium on Autism Research (INSAR). Stockholm, Sweden.
71. Jost, C.*, **MacDonald, M.** & Khanna, S. (November 2022). *A community-based participatory approach to examining the impact of disability awareness training on attitudes towards persons with disabilities*. Paper accepted at the American Public Health Association Annual Meeting, Boston, MA.
70. Jost, C.*, Capener, N.*, **MacDonald, M.** & Khanna, S. (October 2022). *A systematic review of legislation, policy and strategic plans governing educational opportunities for people with disabilities living in Southern Africa*. Paper accepted at the Oregon Public Health Association Annual Meeting, Corvallis, OR.
69. Sung, M.C.* & **MacDonald, M.** (October 2022). *Investigating the association between gross motor skills and working memory: A cross-cultural analysis of young children with autism spectrum disorder from the US and Taiwan*. Paper accepted at the North American Federation of Adapted Physical Activity Symposium, St. Catherine's, ON.

68. Fiscella, N.*, Leung, W.*, Bales, C.**, Beamer, J. & **MacDonald, M.** (October 2022). *Undergraduate student volunteer experiences and perspectives participating in an adapted physical activity community service program.* Paper accepted at the North American Federation of Adapted Physical Activity Symposium, St. Catherine's, ON.
67. Case, L.*, Yun, J., **MacDonald, M.**, Hatfield B., Logan, S.W. (May 2022). *What is the goal of adapted physical education service-learning programs in the United States?* Paper presented at the North American Society for the Psychology of Sport and Physical Activity, Waikoloa Village, HI.
66. Sung, M.C.*, Tepfer, A. & **MacDonald, M.** (September 2021). *Mediation of cognitive abilities on the relationship between motor skills and early academic achievement in preschoolers at risk for disabilities.* Paper accepted to the 5th Assembly of the International Motor Development Research Consortium, Virtual.
65. Leung, W.*, **MacDonald, M.**, & Schuna, J. (2021). *Are people with disabilities using wearable devices? The association between people with disabilities and wearable devices.* Paper submitted to the American Public Health Association's 2021 Annual Meeting and Expo, Virtual.
64. Udell, M.A.R, Wanser, S. H., & **MacDonald, M.** (June 2021). *Considering the bond: Efficacy and attachment benefits of AAI's between children and their family dog.* Paper submitted to the International Society for Anthrozoology (IZAZ) Annual Conference, Virtual.
63. **MacDonald, M.**, Udell, M.A.R, Schuna, J., & Jiang, D. (April 2021). *Improved physical activity behaviors in children with developmental disabilities: A program with the family dog.* Paper accepted at the Society for Research in Child Development (SRCD) Biennial Meeting, Virtual.
62. **MacDonald, M.**, & Healy, S. (Accepted May, 2020). *Physical activity and screen-time among children with autism; A longitudinal analysis from 9–18 years.* Paper submitted to the International Symposium on Autism Research (INSAR). Seattle, WA.
61. Peterson-Ahmad, M., **MacDonald, M.**, Case, L.*, Hovey, K., & Wegis, H. (February, 2020). *The IMPACT of collaborative partnerships in serving students with disabilities.* Paper accepted by the CEC 2020 Special Education Convention and Expo. Portland, OR.
60. McCarty, K.*, Thomas, J., & **MacDonald, M.** (November, 2019). *Decolonizing kinesiology curriculum in higher education: Reimagining "special populations."* Paper submitted to the North American Society for the Sociology of Sport Conference. Virginia Beach, VA.
59. Hudson-Hanley, B.*, Irvin, V., Flay, B., **MacDonald, M.**, & Kile, M. (June, 2019). *Prenatal PBDE exposure and neurodevelopment effects in children <7 years: A systematic review and meta-analysis.* Paper presented at the Society of Pediatric and Perinatal Epidemiologic Research. Minneapolis, MN.

58. **MacDonald, M.**, Udell, M.A.R., Schuna, J., & Jiang, D. (March 2019). *Physical activity and social wellbeing benefits for children with developmental disabilities and their family dog*. Paper submitted to the Society for Research in Child Development (SRCD) Biennial Meeting. Baltimore, MD.
57. McCarty, K.*, & **MacDonald, M.** (February, 2019). Efforts towards a Title IX-mirroring policy for collegiate students with disabilities. Paper presented at the Symposium on Disability Rights. Birmingham, AB.
56. Simpson, A. C.*, & **MacDonald, M.** (October, 2018). *Parental perceptions of a family dog-assisted physical activity program for their children with developmental disabilities*. Paper presented at the North American Federation of Adapted Physical Activity (NAFAPA), Corvallis, OR.
55. Stinson, J.*, & **MacDonald, M.** (October, 2018). *The relationship of motor skills and challenging behaviours in young children with developmental disabilities*. Paper presented at the North American Federation of Adapted Physical Activity (NAFAPA), Corvallis, OR.
54. Sung, M. C.*, & **MacDonald, M.** (October, 2018). *Effects of open–and closed-skill exercise interventions on motor skills and executive function of children with autism spectrum disorder*. Paper presented at the North American Federation of Adapted Physical Activity (NAFAPA), Corvallis, OR.
53. Ku, B.*, & **MacDonald, M.** (October, 2018). *The effect of parents on physical activity of children with developmental disabilities*. Paper presented at the North American Federation of Adapted Physical Activity (NAFAPA), Corvallis, OR.
52. Ku, B.*, & **MacDonald, M.** (October, 2018). *Parental behavior comparisons between parents of children with ASD and parents of children without ASD: A meta-analysis*. Paper presented at the North American Federation of Adapted Physical Activity (NAFAPA), Corvallis, OR.
51. Simpson, A. C.*, & **MacDonald, M.** (March, 2018). *Parental perceptions of a dog-assisted physical activity intervention for children with developmental disabilities*. Paper presented at the Society for Health and Physical Educators (SHAPE) America Annual meeting, Nashville, TN.
50. Ku, B.*, & **MacDonald, M.** (June, 2018). *Differences in parental behaviors of parents of young children with and without ASD in two different play settings*. Paper presented at the North American Society for the Psychology of Sport and Physical Activity (NASPSPA), Denver, CO.
49. Heinonen, G.***, & **MacDonald, M.** (2018, November). *Examining the relationship between parent and child health in young children with developmental disabilities*. Paper accepted to the American Public Health Association Annual Meeting. San Diego, CA.

48. **MacDonald, M.**, & Norcross, M. (2018, January). *Learning by doing—(For Us and Them): Creating and managing an undergraduate experiential learning requirement at Oregon State University*. Paper presented at the American Kinesiology Association 2018 Leadership Workshop. Denver, CO.
47. Kile, M., Lipscomb, S., **MacDonald, M.**, McClelland, M., Scott, R., O’Connell, S., & Anderson, K. (2017, April). *Social behaviors in preschool children and exposure to flame retardants*. Paper presented at the Children’s Environmental Health Translational Research Conference (CEHN). Arlington, VA.
46. Dixon-Ibarra, A., Yun, J., Krahn, G., **MacDonald, M.**, Hunt, M., & Cappetty, J. (2017, November). *Training for life: Evaluation of the Special Olympics Oregon Team Wellness Program*. Paper submitted to the American Public Health Association Annual Meeting. Atlanta, GA.
45. Ku, B.* , Heinonen, G.** , Hatfield, B., & **MacDonald, M.** (2017, June). *An inquiry into how parents of children with autism spectrum disorder interact with their children in a physical activity-based play setting*. Paper to be presented at the 21st International Symposium of Adapted Physical Activity (ISAPA). Daegu, South Korea.
44. Ross, S.* , Hatfield, B., Catena, M.* , **MacDonald, M.**, Cook, E.** , & Logan, S. (2017, April). *Play! Effect of an inclusive playgroup intervention with powered mobility devices on toddlers’ social interactions*. Paper to be presented at the Society for Research in Child Development (SRCD) Biennial Meeting. Austin, TX.
43. **MacDonald, M.**, McIntyre, L. L., & Heinonen, G. A.** (2017, June). *Relations of parent/caregiver weight and child weight status in a sample of young children with developmental delay*. Paper submitted to the American Association on Intellectual and Developmental Disabilities Annual Conference. Hartford, CT.
42. Twardzik, E.* , **MacDonald, M.**, Smit, E., & Odden, M. (2016, October). *Young children and infants diagnosed with developmental delay transitioning into school based service programs: A secondary data analysis*. Paper to be presented at the American Public Health Association 2016 Annual Meeting. Denver, CO.
41. Ross, S.* , Logan, S., Catena, M.* , Feldner, H., Schreiber, M., **MacDonald, M.**, & Galloway, J. (2016, September). *Social mobility behaviors of children with and without disabilities across contexts*. Paper presented at the North America Federation of Adapted Physical Activity Annual Meeting. Edmonton, AB.
40. Schenkelberg, M.*** , Menear, K., **MacDonald, M.**, & Bremer, E.*** (2016, September). *Salient research questions related to physical activity and autism spectrum disorder*. Paper presented at the North American Federation of Adapted Physical Activity Annual Meeting. Edmonton, AB.

39. Kile, M., Lipscomb, S., **MacDonald, M.**, McClelland, M., Scott, R., O'Connell, S., & Anderson, K. (2016, October). *Assessing preschool children's exposure to flame retardants using silicon wristbands, and links with teacher-rated social behaviors*. Paper presented at the International Society of Exposure Science (ISES) 2016 Annual Meeting, Utrecht, Netherlands.
38. Twardzik, E.* **MacDonald, M.**, & Dixon-Ibarra, A. (2016, July). *Children with developmental delay missing out on adapted physical education services when transitioning into school*. Paper to be presented at the National Consortium for Physical Education for Individuals with Disabilities 2016 annual meeting. Washington, D.C.
37. Twardzik, E.* , Cotto-Negron, C.* , & **MacDonald, M.** (2015, July). *How state system administration impacts enrollment in early intervention services*. Paper presented at the National Consortium for Physical Education for Individuals with Disabilities, Washington, D.C.
36. Ross, S.* , Tepfer, A.* , Baltzer, W., Udell, M., **MacDonald, M.** (2015, June). *Effects of an adapted animal assisted intervention on physical activity and quality of life for children with mobility disabilities*. Paper presented at the North American Society for the Psychology of Sport and Physical Activity (NASPSA), Portland, OR.
35. Tepfer, A.* , Baltzer, W., Udell, M., & **MacDonald, M.** (2014, October). *Dog ownership and physical activity for children with cerebral palsy*. Paper presented at the National Federation of Adapted Physical Activity (NAFAPA), Ann Arbor, MI.
34. Tepfer, A.* , Kile, M., Lipscomb, S., McClelland, M., & **MacDonald, M.** (2014, October). *Motor skill proficiency and school readiness in at-risk preschool children*. Paper presented at the National Federation of Adapted Physical Activity (NAFAPA), Ann Arbor, MI.
33. Tyler, K.* , Menear, K., & **MacDonald, M.** (2014, October). *The physical fitness & physical activity of children with autism spectrum disorders*. Paper presented at the National Federation of Adapted Physical Activity (NAFAPA), Ann Arbor, MI.
32. Irwin, J.* , **MacDonald, M.**, & Robinson, L. (2014, October). *Divergence: Acquisition of motor development milestones as early indicators of autism spectrum disorder*. Paper presented at the National Federation of Adapted Physical Activity (NAFAPA), Ann Arbor, MI.
31. Driver, S., & **MacDonald, M.** (2014, July). *Adapted Physical Activity and Public Health Issues*. Paper presented at the National Consortium for Physical Education for Individuals with Disabilities (NCPEID), Washington, D.C.
30. Shapiro, D., & **MacDonald, M.** (2014, July). *Teaching practices in adapted physical Education*. Paper presented at the National Consortium for Physical Education for Individuals with Disabilities (NCPEID), Washington, D.C.

29. **MacDonald, M.**, & Tepfer, A.* (2013, July). *A movement-based early intervention for young children with autism: A randomized control trial*. Paper presented at the International Symposium on Adapted Physical Activity (ISAPA), Istanbul, Turkey.
28. Cook, N.*, & **MacDonald, M.** (2013, July). *Fitness & school-aged children with autism spectrum disorder*. Paper presented at the International Symposium on Adapted Physical Activity (ISAPA), Istanbul, Turkey.
27. Tepfer, A.* , & **MacDonald, M.** (2013, July). *Fundamental motor skill development & physical activity of children with autism*. Paper presented at the International Symposium on Adapted Physical Activity, Istanbul, Turkey.
26. **MacDonald, M.** (2013, July). *Early intervention & adapted physical activity*. Paper presented at the National Consortium for Physical Education for Individuals with Disabilities (NCPEID), Washington, D.C.
25. Tepfer, A.* , & **MacDonald, M.** (2013, July). *Motor skill performance & school readiness*. Paper presented at the National Consortium for Physical Education for Individuals with Disabilities (NCPEID), Washington, D.C.
24. Driver, S., & **MacDonald, M.** (2013, July). *Adapted physical activity research can address public health issues*. Paper presented at the National Consortium for Physical Education for Individuals with Disabilities, Washington, D.C.
23. Zimmer, C.***, **MacDonald, M.**, & Staples, K. (2012, October). *Choosing movement assessments for children with developmental disorders*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Birmingham, AL.
22. Irwin, J.* , & **MacDonald, M.** (2012, October). *Motor & social development: Differences between children with and without autism*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Birmingham, AL.
21. Tepfer, A.* , & **MacDonald, M.** (2012, October). *Physical activity and self-regulation in young children: Is physical activity a key player in school readiness?* Paper presented at the North American Federation of Adapted Physical Activity Symposium, Birmingham, AL.
20. Tepfer, A.* , & **MacDonald, M.** (2012, October). *Standardized assessments vs. natural setting observations among children with ASD*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Birmingham, AL.
19. Tyler, K.* , Penry, J., & **MacDonald, M.** (2012, October). *The physical fitness of school-aged children with autism*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Birmingham, AL.

18. Morgan, J.*, & **MacDonald, M.** (2012, October). *The role of motor skills in the physical activity behaviors of children with autism*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Birmingham, AL.
17. **MacDonald, M.** (2012, July). *Recent autism updates and the role of adapted physical education*. Paper presented at the National Consortium for Physical Education and Recreation for Individuals with Disabilities, Washington, DC.
16. **MacDonald, M.**, & Yun, J. *Creating, disseminating and teaching evidence-based practice: Movement studies in disability at Oregon State University*. Paper presented at the Office of Special Education Project Directors Meeting, Washington, D.C.
15. **MacDonald, M.** (2012, May). *The relationship of motor skills & social skills in young children with autism*. Paper presented at the International Meeting For Autism Research, Toronto, ON.
14. **MacDonald, M.**, Ulrich, D., & Esposito, P. (2011, July). *The relationship of motor skills on severity in young children with autism spectrum disorder*. Paper presented at the 18th International Symposium of Adapted Physical Activity, Paris, France.
13. Columbi, C., Carr, T., **MacDonald, M.**, & Lord, C. *Developing a measure of treatment outcome: The autism diagnostic observation schedule-change*. Paper presented at the Society for Research in Child Development Biennial Meeting, Montreal, PQ.
12. Carr, T., Costanza, C., **MacDonald, M.**, & Lord, C. *Measuring response to intervention with the autism diagnostic observation schedule-change*. Paper presented at the Society for Research in Child Development Biennial Meeting, Montreal, PQ.
11. **MacDonald, M.**, Esposito, P., Hauck, J., Jeong, I., Ketcheson, L., & Ulrich, D. (2010, November). *The Physical activity patterns of youth with ASD*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Riverside, CA.
10. **MacDonald, M.**, & Ulrich, D. (2010, November). *The relationship of motor skills in the early social communication of young children with ASD*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Riverside, CA.
9. **MacDonald, M.**, & Ulrich, D. (2010, March). *Teaching youth with Down syndrome & autism spectrum disorder to ride a bicycle*. Paper presented at the 124th American Alliance for Health, Physical Education, Recreation & Dance Convention & Exposition, Indianapolis, IN.
8. **MacDonald, M.**, & Ulrich, D. (2010, March). *Physical activity patterns of children with Down syndrome*. Paper presented at the 3rd International Congress on Physical Activity and Public Health, Toronto, ON, Canada.

7. **MacDonald, M.**, & Ulrich, D. (2010, March). *The physical activity patterns of children with Down syndrome during school*. Paper presented at the American Alliance for Health, Physical Education, Recreation & Dance Convention & Exposition, Indianapolis, IN.
6. Esposito, P., Ulrich, D. A., **MacDonald, M.**, & Hauck, J. (2009, June). *Factors predicting bicycle riding success in youth with Down syndrome and autism spectrum disorders*. Paper presented at the 17th International Symposium of Adapted Physical Activity, Gavel, Sweden.
5. **MacDonald, M.**, Ulrich, D. A., Esposito, P., & Jeong, I. (2009, June). *The effects of learning to ride a two-wheel bicycle in youth with Down syndrome and autism spectrum disorder*. Paper presented at the 17th International Symposium of Adapted Physical Activity, Gavel, Sweden.
4. **MacDonald, M.**, & Ulrich, D. (2009, May). *The effects of learning to ride a two-wheel bicycle in children with autism spectrum disorder*. Paper presented at the International Meeting for Autism Research, Chicago, IL.
3. **MacDonald, M.**, & Ulrich, D. A. (2008, September). *An exploratory study on the community participation trends in youth with Down syndrome*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Indianapolis, IN.
2. Hauck, J., **MacDonald, M.**, Jeong, I., Kang, Y., Esposito, P., & Ulrich, D. A. (2008, September). *Can we teach youth with Down syndrome & autism to ride a two wheel bicycle?* Paper presented at the North American Federation of Adapted Physical Activity Symposium, Indianapolis, IN.
1. **MacDonald, M.**, & Seaman, R. (2006, October). *Community-based programming: A qualitative look at organizational culture in an adapted physical activity program*. Paper presented at the North American Federation of Adapted Physical Activity Symposium, Ann Arbor, MI.

C2.2 State & Local Presentation

28. Simpson, A. C.*, Stinson, J.*, Sung, M. C.*, & **MacDonald, M.** (May, 2019). *Tots can do lots: Integrating physical literacy into all children's daily activities*. Paper submitted to the Oregon Parenting Education Conference, Corvallis, OR.
27. McCarty, K.*, Domingo, A., Cottingham, M., & **MacDonald, M.** (March, 2018). *Access to competitive sport and physical activity opportunities for collegiate students with physical disabilities*. Paper presented at the Oregon Academy of Science Annual Meeting, Portland, OR.
26. Simpson, A. C.*, & **MacDonald, M.** (November, 2018). *Social skill activities for the inclusive PE setting*. Paper presented at the National Adapted Physical Educators Conference, Sacramento, CA.

25. Ku, B.*, Stinson, J.*, & **MacDonald, M.** (May, 2018). *Parental behavior comparisons between parents of children with ASD and parents of children without ASD: A meta-analysis*. Paper presented at the 2018 Oregon Parenting Educators Conference, Corvallis, OR.
24. Heinonen, G.** & **MacDonald, M.** (2017, May). *Examining the relationship between parent and child health in young children with developmental disabilities*. Paper presented at the 2017 Celebration of Undergraduate Excellence, Corvallis, OR.
23. Heinonen, G.** & **MacDonald, M.** (2017, April). *Relations of parent and child weight in families with young children with developmental disabilities*. Paper to be presented at the 2017 Stanford Research Conference, Stanford, CA.
22. Tyler, K.*, & **MacDonald, M.** (2017, March). *Relations between physical fitness and school-day physical activity in children with autism spectrum disorder*. Paper presented at the 2017 Ruth K. Palmer Research Symposium. Maywood, IL.
21. Davidson, J.*, & **MacDonald, M.** (2017, February). *How to adapt, modify, and assess students with disabilities on Standard 1*. Presentation for the council for children's expanded physical education (CCEPE), Beaverton, OR.
20. Simpson, A.*, & **MacDonald, M.** (2017, February). *Rainy day games (with minimal equipment needs) for physical educators*. Presentation for the council for children's expanded physical education (CCEPE), Beaverton, OR.
19. Simpson, A.*, & **MacDonald, M.** (2017, February). *Effective instruction and task analysis*. Presentation for the council for children's expanded physical education (CCEPE), Beaverton, OR.
18. Kile, M., Lipscomb, S., **MacDonald, M.**, McClelland, M., Scoot, R., O'Connell, S., & Anderson, K. (2017, January). *Assessing preschool children's exposure to flame retardants using silicone wristbands and links with teacher-rated social behaviors*. Paper presented at the Annual Conference on Environmental, Occupational, and Population Health, Semiahmoo, WA.
17. Nussbaum, K.** & **MacDonald, M.** (2016, May). *Comparison of behaviors of children with autism spectrum disorder in different play settings*. Paper presented at the OSU Celebration of Undergraduate Excellence, Corvallis, OR.
16. Heinonen, G.** & Ku, B.*, Twardzik, E.*, & **MacDonald, M.** (2016, May). *Examining the quality of parent interaction with children with autism spectrum disorder in distinctly different play environments*. Paper presented at the OSU Celebration of Undergraduate Excellence, Corvallis, OR.

15. Conger, A.**, Ross, S.*, & **MacDonald, M.** (2015, May). *Examining the influence of social behavior on motor skills during physical activity in children with physical disabilities*. Paper presented at the OSU Celebration of Undergraduate Excellence, Corvallis, OR.
14. Twardzik, E.*, Cotto-Negron, C.*, & **MacDonald, M.** (2014, November). *The relationship between state lead agency and odds of enrollment for children aged birth through three in early intervention services*. Paper presented at the Oregon Public Health Association Annual Meeting, Corvallis, OR.
13. Winden, H.**, Tepfer, A.*, Ross, S.*, Baltzer, W., & **MacDonald, M.** (2015, May). *Effect of physical activity with the family dog on gross motor skills of children with cerebral palsy*. Paper presented at the OSU Celebration of Undergraduate Excellence, Corvallis, OR.
12. Johnson, N.**, Tepfer, A.*, Wendy Baltzer, & **MacDonald, M.** (2014, May). *Animal assisted physical activity for children with cerebral palsy*. Paper presented at the OSU Celebration of Undergraduate Excellence, Corvallis, OR.
11. Rohlman, D., Kincl, L., Kile, M. Frey, G., Lipscomb, S., **MacDonald, M.**, McClelland, M., & Anderson, K. (2014, April). *Reporting community-based participatory research to communities*. Paper presented at the Northwest Environmental Health Conference, Portland, OR.
10. Przybyla, J.*, **MacDonald, M.**, McClelland, M., Lipscomb, S., Anderson, K., & Kile, M. (2014, April). *Detection of 41 flame retardants in a pacific northwest sample of preschool aged children*. Paper presented at the Northwest Environmental Health Conference, Portland, OR.
9. Irwin, J. M.*, **MacDonald, M.**, Tepfer, A.*, & Robinson, L. (2014, February). *An investigation of motor and social skills in children with and without autism spectrum disorder*. Paper presented at the Southeast American College of Sport Medicine Conference, Greenville, SC.
8. Tyler, K.*, Cook, N.*, Anthony, K.*, & **MacDonald, M.** (2013, November). *Physical activity in children with autism*. Paper presented at the Oregon Public Health Association Annual Meeting, Corvallis, OR.
7. Kiley, T.*, Cook, N.*, Siebert, E.*, & **MacDonald, M.** (2013, October). *Physical fitness, peer tutoring, and an iPad? Tools to educate students with autism*. Paper presented at the Oregon After School Health Conference, Salem, Oregon.
6. Paradis, O.**, & **MacDonald, M.** (2013, May). *Motor skills and young children with autism*. Paper presented at the OSU Celebration of Undergraduate Excellence, Corvallis, OR.
5. Sprague, S.**, Kile, M., Lipscomb, S., McClelland, M., & **MacDonald, M.** (2013, May). *Socioeconomic status and motor skills in preschool aged children*. Paper presented at the OSU Celebration of Undergraduate Excellence, Corvallis, OR.

4. Cook, N.*, Tyler, K.*, & **MacDonald, M.** (2013, April). *Autism and physical fitness-based programming*. Paper presented at the Priester National Health Conference, Corvallis, OR.
3. Tyler, K.*, & **MacDonald, M.** (2013, April). *IMPACT 4 LIFE: An extension of Oregon State University's IMPACT program*. Paper presented at the Priester National Health Conference, Corvallis, OR.
2. Childs, M.**, & **MacDonald, M.** (2012, May). *Motor intervention for young children with autism spectrum disorder (ASD)*. Paper presented at the OSU Celebration of Undergraduate Excellence, Corvallis, OR.
1. Irwin, J.*, & **MacDonald, M.** (2012, January). *Physical activity in preschoolers with autism spectrum disorders: the use of snug play* ®. Paper presented at the Oregon Academy of Science, Portland, OR.

C2.3 Invited Presentations

Keynote denoted through underline

27. McClelland & **MacDonald, M.** (2024, May 8). *Early education, motor skills, cognitive skills, and ASD*. Autism Researcher Institute Webinar, Virtual.
26. **MacDonald, M.** (2023, October 17). *Panel contribution adaptive needs focused on pedestrian and bicycle safety*. Panel-based presentation for the Technical Assistance Team for the Oregon Department of Transportation Safe Routes to School program, Virtual.
25. McClelland, M., Gunter, K., & **MacDonald, M.**, Garcia, J., & Tominey, S. (2022, Nov 18) *Updates and New Opportunities in the Hallie E. Ford Center for Healthy Children & Families*. CPHHS Seminar, Corvallis, OR.
24. Udell, M. & **MacDonald, M.** (2022, July 21) *The impact of a family dog training program on the physical activity, quality of life, and social wellbeing of adolescents*. Human-Animal Bond Lecture Series. (Virtual).
23. **MacDonald, M.** (2022, April 13). *Children with disabilities – making a dent towards improving physical activity behaviors*. Public Health Graduate Seminar Purdue University. (Virtual) Purdue University, West Lafayette, IN.
22. **MacDonald, M.** (2021, June 14). *Panel Contribution: Global examples promoting the right to education through adapted and inclusive physical education for children experiencing disabilities*. 14th Conference of States Parties to the Convention on the Rights of Persons with Disabilities – COSP14. (Virtual) Headquarters New York, NY.

21. **MacDonald, M.** (2019, January 24). *The important role of motor skill development and physical activity behavior for children with ASD and other developmental disabilities.* Presentation for the Kinesiology Department, Acadia University, Wolfville, NS.
20. **MacDonald, M., & McIntyre, L. L.** (2018, October). *The importance of good physical health and its relationship with behavioral health in young children with developmental disabilities.* Paper presented at the Child Care and Education Researchers Roundtable. Troutdale, OR.
19. Udell, M.A.R., Wanser, S., Simpson, C. A., & **MacDonald, M.** (2018, April). *DAID training: Dogs as active partners in animal-assisted intervention programs.* Presentation for the Canine Science Symposium SPCA, San Francisco, CA.
18. **MacDonald, M.** (2018, March 28). *The important role of motor skill development and physical activity behavior for individuals with developmental disabilities.* Presentation for the OHSU ORCA monthly seminar series, Portland, OR.
17. **MacDonald, M.** (2018, February 23). *Do as I do: Physical activity for adolescents with disabilities using the family dog.* Presentation for the North West American College of Sport Medicine Annual Meeting, Bend, OR.
16. Twardzik, E.*, & **MacDonald, M.** (2017, October). *Limited access to special education services.* Paper presented at the Child Care and Education Researchers Roundtable. Troutdale, OR.
15. **MacDonald, M.** (2016, May 31). *Physical activity disparity.* Presentation for the Ableism and Disability Diversity Conference at Pacific University, Hillsboro, OR.
14. **MacDonald, M.** (2016, May 31). *Panel contribution an adapted physical activity perspective.* Panel-based presentation for the Ableism and Disability Diversity Conference at Pacific University, Hillsboro, OR.
13. **MacDonald, M., & Wegis, H.** (2016, May 23). *How to be inclusive K-12.* Presentation for physical educators and adapted physical educators of the Portland Public Schools, Portland, OR.
12. **MacDonald, M., & Wegis, H.** (2016, April 25). *Inclusive practices 101.* Presentation for physical educators and adapted physical educators of the Portland Public Schools, Portland, OR.
11. **MacDonald, M.** (2016, February 27). *Peer fitness modeling using technology for students with ASD and other developmental disabilities.* Presentation for the Council for Children's Expanded Physical Education (CCEPE), Beaverton, OR.
10. **MacDonald, M. (Keynote).** (2015, October 10). *The shape of disability in our schools.* Keynote presentation for the Oregon School Health & Physical Education Association (OSHAPE), Forest Grove, OR.

9. **MacDonald, M.** (2015, April 18). *Beyond function: The critical role of a physical therapist in early intervention for young children with ASD*. Presentation for the Oregon Physical Therapy Association Annual Meeting, Portland, OR.
8. **MacDonald, M.** (2015, January 29). *The shape of autism in Oregon & beyond*. Keynote presentation for the Silver Falls Annual Kinesiology Meeting for the State of Oregon, Silver Falls, OR.
7. **MacDonald, M.** (2014, November 10). *I learned to ride a two-wheeled bike. So what? Physical activity and children with autism spectrum disorder*. Presentation for Science Pub Oregon State University, Corvallis, OR.
6. Baltzer, W., **MacDonald, M.**, & Udell, M. (2014, October 24). *Animal assisted adapted physical activity for children with mobility disabilities*. Presentation for the CPHHS Seminar Series at Oregon State University, Corvallis OR.
5. **MacDonald, M.** (2014, October 4). *Adapted physical education for children with ASD*. Presentation for the Oregon School Health & Physical Education Association (OSHAPE) Annual Meeting, Portland, OR.
4. **MacDonald, M.** (2014, July 14). *The benefits of a physically active lifestyle for children with autism spectrum disorder*. Presentation for Science Pub Oregon State University–Cascades, Oregon State University–Cascades, Bend, OR.
3. **MacDonald, M.** (2014, April 2). *The status of motor skills and physical activity in children with autism spectrum disorder*. Presentation for the Development, Emotion, Ecology & Psychopathology (DEEP) Seminar Series, University of Oregon, Eugene, OR.
2. **MacDonald, M.** (2014, January 10). *Physical activity and children with disabilities*. Presentation for the Oregon State University Psychology Colloquium, Oregon State University, Corvallis, OR.
1. **MacDonald, M.** (2012, November 2). *Autism and the importance of adapted physical activity*. Presentation for the CPHHS Seminar Series, Oregon State University, Corvallis OR.

C2.4 Editorial Contributions

4. **MacDonald, M.** (2021). Raising our public voice (guest essay/ editorial). *Palestra*. 35(3).
3. Editorial Board, *Adapted Physical Activity Quarterly (APAQ)*. (June 2017–present)
2. Guest Editor, *Health & Children with Disabilities, Frontiers in Public Health*, section *Child Health & Human Development*. (September 2015–June 2017)

1. Editorial Contributor, *Adapted Physical Activity Digest*. (January 2014–June 2017)

C2.5 Continuing Education & Development

Within this section, only meetings where work was not presented have been included (e.g., other meetings that were attended were captured within presentations).

<u>Event</u>	<u>Timeframe</u>
14-day Writing Challenge, National Center for Faculty Development & Diversity (Virtual participation)	June 15–6, 2020
Unleash Surf Retreat Work/ Surf, Haunchaco, Peru	April 2019
Oregon School Readiness Researchers Roundtable, Troutdale, OR	October 21, 2016
Search Committee Advocate Training Workshop, Oregon State University, Corvallis, ORa.	February 2 & April 9, 2015
Pre-workshop, American Kinesiology Association (AKA), Charlotte, NC	January 23–4, 2015
Workshop, American Kinesiology Association (AKA), Charlotte, NC	January 24–6, 2015
CPHHS Grant Writing Workshop, CPHHS, Corvallis, OR	March 2013–Fall 2014
Office of Special Education Program Project Directors Conference, Department of Education, Washington, DC.	July 15–7, 2013
Hybrid Faculty Learning Community Course, Oregon State University, Corvallis, OR.	September–December 2012
American Public Health Association Annual Meeting, American Public Health Association, San Francisco, CA.	October 27–31, 2012
CPHHS Grant Writing Workshop, CPHHS, Corvallis, OR.	April–August 2012
OSU-Media Training, Oregon State University, Corvallis, OR	November 16, 2011
Autism Diagnostic Observation Schedule Research Training, University of Michigan Autism & Communicative Disorders Center, Ann Arbor, MI	November 10- –12, 2010

C3. Contracts, Grants and Sponsored Research

C3.1 Research/ Training Support: Current (Total: ~ \$11 million)

07/01/2023- 06/30/2024

CPHHS Interdisciplinary Research Grant Initiative (\$9, 700)

Khanna, Sunil; MacDonald, Megan. (MPI)

An Evaluation of a Community-Based Disability Education Program to Improve Disability-Inclusive Practices in a Community in Rural Botswana.

This research project is evaluating a community based disability education program focused on disability-inclusive practices in rural Botswana.

Role: Principal Investigator

09/01/2022- 08/31/2024

GRANT13507225 NICHD/ NIH (\$392, 379)

MacDonald, Megan; Udell Monique (MPI)

The Development and Evaluation of a Novel Cat Assisted Training (CAT) Intervention for youth with Developmental Disabilities and their Family Cat

This research project is evaluating a novel physical activity intervention for adolescents with developmental disabilities and their family cat, through a randomized control trial.

Role: Principal Investigator

12/2021–11/2026

GRANT13248774 NIEHS/ NIH (\$3, 665, 495)

Kile, Molly (PI)

Advancing Science, Practice, Programming and Policy in Research Translation for Children's Environmental Health (ASP³IRE)

This center grant is focused on Children's Environmental Health Research Translation.

Role: Co-Investigator

05/2020–04/2025

R01HD101098 NICHD/ NIH (\$1,840,545)

MacDonald, Megan; Udell Monique (MPI)

The Multisite Evaluation of an Intervention to Increase Joint Activity and Social Wellbeing for Adolescents with Developmental Disabilities

This research project is evaluating a multi-site novel physical activity intervention for adolescents with developmental disabilities and their family dog, through a multi-site randomized control trial.

Role: Principal Investigator

09/2019–08/2024

R01ES029497 NIEHS/ NIH (\$3,841,145)

Kile, Molly; Lipscomb, Shannon (MPIs)

Children's Flame Retardant Exposures Measured by Passive Wristbands: Sex Specific Associations, Social Adversity, and Socio-cognitive Development

This research project evaluates the relationship between aspects of children's socio-cognitive development and environmental exposures, including flame retardants.

Role: Co-Investigator

05/2019–01/2023 (No cost extension [2 years])

HAB18-027 Human Animal Bond Research Institute (\$45,026)

MacDonald, Megan; Udell, Monique (MPI)

Joint Physical Activity and Social Wellbeing for Adolescents and Their Family Dog

This research project is evaluating the human-animal bond of a novel physical activity intervention for adolescents and their family dog through a small randomized control trial.

Role: Principal Investigator

01/2019–12/2024

H325K18019 US Department of Education, Office of Special Education (\$1,250,000)

MacDonald, Megan (PD)

Interdisciplinary Preparation of Quality Personnel in Adapted Physical Education

This personnel training grant will provide interdisciplinary training to adapted physical educators and special educators in the state of Oregon and beyond throughout the granting period.

Role: Project Director

C3.2 Research & Training/ Continuing Education Support: Pending/ In Preparation

2024- 2025

Spencer Foundation – Large Grant

Khanna, Sunil (PI); MacDonald, Megan (Co-I)

Disabilities Inclusive Community Based Education

This project will examine the implementation of a disability education program in rural communities in Botswana and it will also examine the programs reach in respect to its nimbleness in being translated and used in other rural communities.

C3.3 Research Support: Completed

07/01/2022- 06/30/2023

John C. Erkkila, M.D. Endowment for Health and Human Performance (~\$20, 000)

Xiangyou Shen (PI)

Playful Parents: The Development and Empirical Evaluation of a Play Intervention Program to Enhance Playfulness for Parents of Children with Disabilities

This pilot research project will evaluate a novel theoretically based playfulness training program for parents of children with disabilities.

Role: Co-Investigator

09/2016–08/2022 (no cost extension granted [1-year])

H325D160023 US Dept. of Education, Office of Special Education (\$1,200,000)

MacDonald, Megan (PD)

Training Leadership Personnel

This leadership training grant will train doctoral level students (future faculty) to take on faculty leadership roles in Adapted Physical Education throughout the granting period.

Role: Project Director (as of 9/19; formerly Co-Investigator)

09/2018–06/2022

75631 Robert Wood Johnson Foundation (\$120,000)

MacDonald, Megan (PI)

McCarty Fellowship – Health Policy Research Scholars Program

This fellowship was awarded to my graduate student Kathy McCarty as a part of the RWJF Health Policy Research Scholars Program.

Role: Principal Investigator

07/2020–06/2021 (2022 with No Cost Extension)

Hallie E. Ford Center Team Science Seed Grant (\$12,000)

Shen, Xiangyou (PI)

Play to IMPACT: Developing the Playful State Scale for Children and Investigating the Effect of Playful Engagement in an Adapted Physical Activity Intervention Program

This project will develop and evaluate a playful state scale for children with and without disabilities.

Role: Co-Investigator

06/2018–06/2020 (06/2021 with no cost extension)

2018-2869 John C. Erkkila, M.D. Endowment for Health (\$18,000)

MacDonald, Megan; Udell, Monique (MPI)

Physical Activity and Social Well-being for Adolescents and Their Family Dog

This research project is evaluating the physical activity of adolescents in a novel physical activity intervention for adolescents and their family dog through a small randomized control trial.

Role: Principal Investigator

04/2017–03/2019 (03/2020 with no cost extension)

R21HD091895 NICHD/NIH (\$390,648)

MacDonald, Megan; Udell, Monique (MPI)

Development and Evaluation of an Intervention to Increase Joint Activity and Social Wellbeing for Adolescents with Developmental Disabilities

This research project developed and evaluated a novel physical activity intervention for adolescents with developmental disabilities and their family dog, through a small randomized control trial.

Role: Principal Investigator

12/2012–06/2014

Oregon State University–General Research Fund (\$9,596)

MacDonald, Megan (PI)

The Physical Fitness of School-aged Children with ASD

This research project examined the physical activity and physical fitness behaviors of school-aged children with autism spectrum disorder.

Role: Principal Investigator

01/2012–03/2012

P30ES000210 NIEHS/ NIH (\$5,000)

Kile, Molly; Lipscomb, Shannon; MacDonald, Megan; McClelland, Megan (Co-PIs)

OSH EH Center/ Environmental Determinants of Gains in School Readiness for Children Aged 3–5

This research project examined environmental exposures and relationships with aspects of child development including social and physical development.

Role: Co-Principal Investigator

05/2012–05/2013

P30ES000210 NIEHS/ NIH (\$25,000)

Kile, Molly; Lipscomb, Shannon; MacDonald, Megan; McClelland, Megan (Co-PIs)

OSH EH Center/ Flame Retardants and Home Environment on Children’s School Readiness

This research project examined environmental exposures and relationships with aspects of child development including social and physical development.

Role: Co-Principal Investigator

10/2012–09/2013

OSU Hallie E. Ford Center (\$7,000)

Kile, Molly; Lipscomb, Shannon; MacDonald, Megan; McClelland, Megan (Co-PIs)

Flame Retardants and Home Environment on Children’s School Readiness

This research project examined environmental exposures and relationships with aspects of child development including social and physical development.

Role: Co-Principal Investigator

07/2013–06/2015

Oregon State University–Division of Health Sciences (\$30,000)

Baltzer, Wendy (PI)

Animal Assisted Adapted Physical Activity for Children with Cerebral Palsy

This research project examined the effects of an animal assisted intervention with the family dog on child development and the behaviors of the family dog.

Role: Co-Investigator

05/2013–06/2014

Erkkila Endowment for Health and Human Performance (\$17,500)

MacDonald, Megan (PI)

Influence of a Physical Activity Health Promotion on People with a Disability

This project evaluated the effects of a physical activity-based health promotion program for adults with physical disability.

Role: Principal Investigator

09/2014–06/2015

Lebanon Community Schools (\$32,021)

MacDonald, Megan (PI)

APE Consulting Services to the Lebanon Community School from OSU MSD Program

This project provided consultative services for APE, from and OSU graduate student, to the Lebanon Community Schools.

Role: Principal Investigator

09/2015–06/2016

Lebanon Community Schools (\$32,907)

MacDonald, Megan (PI)

APE Consulting Services to the Lebanon Community School from OSU MSD Program

This project provided consultative services for APE, from and OSU graduate student, to the Lebanon Community Schools.

Role: Principal Investigator

09/2016–06/2017

Lebanon Community Schools (\$32,265)

MacDonald, Megan (PI)

APE Consulting Services to the Lebanon Community School from OSU APA Program

This project provided consultative services for APE, from and OSU graduate student, to the Lebanon Community Schools.

Role: Principal Investigator

09/2017–06/2018

Lebanon Community Schools (\$36,000)

MacDonald, Megan (PI)

APE Consulting Services to the Lebanon Community School from OSU APA Program

This project provided consultative services for APE, from and OSU graduate student, to the Lebanon Community Schools.

Role: Principal Investigator

09/2013–08/2019 (no-cost extension August 2019)

H325K130302 US Department of Education, Office of Special Education Programs (\$1,233,413)

Yun, Joonkoo (PI)

Preparing Quality Personnel in Adapted Physical Education

This personnel training grant will provided training to adapted physical educators in the state of Oregon and beyond throughout the granting period.

Role: Co-Investigator

C3.4 Research & Training/ Continuing Education Support: Not funded

09/2022–08/2027

GRANT13581552 US Dept. of Education, Office of Special Education (\$1,250,000)

MacDonald, Megan (PD)

Leadership Preparation in Adapted Physical Education (Project LEAD)

This leadership training grant will train doctoral level students (future faculty) to take on faculty leadership roles in Adapted Physical Education throughout the granting period.

Role: Project Director

07/01/2022- 06/30/2024

GRANT13507273 NICHD/ NIH (\$392, 379)

MacDonald, Megan; Udell Monique (MPI)

Physical Activity for Young Children with Developmental Disabilities Using the Family Dog

This research project is evaluating a novel physical activity intervention for young children with developmental disabilities and their family dog, through a randomized control trial.

Role: Principal Investigator

09/01/2022–08/30/2024

Human Animal Bond Research Institute (\$45,026)

MacDonald, Megan; Udell, Monique (MPI)

Can benefits start earlier? Evaluating the effects of an imitation based training intervention for children and their family dog on physical and social wellbeing on children age 7-9 years

This research project is evaluating the human-animal bond of a novel physical activity intervention for young children (7-9 years) and their family dog through a small randomized control trial.

Role: Principal Investigator

04/2022–03/2027

10023931 Spencer Foundation (\$500, 000)

MacDonald, Megan (PI); Khanna, Sunil (Co-PI)

Overcoming Disability Stigma Through Community-Based Education in Rural Botswana

This research project will examine Learning Across the Life Course: Understanding the impact of disability education on students and adults with and without disabilities in rural Botswana through community-based implementation.

Role: Principal Investigator

10/2021- 12/2022

HAB21-049 Human Animal Bond Research Institute (\$45,000)

MacDonald, Megan; Udell, Monique (MPI)

Can benefits start earlier? Evaluating the effects of an imitation based training intervention for children and their family dog on physical and social wellbeing on children aged 6-9 years.

This research project is evaluating the human-animal bond of a novel physical activity intervention for young children between 6-9 years and their family dog through a small randomized control trial.

Role: Principal Investigator

09/2021–08-2022

John C. Erkkila, M.D. Endowment for Health and Human Performance (Pre-proposal)

Shen, Xiangyou (PI)

Play to cope: The Role of Play and Playfulness in Resilient Family Coping during the COVID-19 Pandemic

This project will examine play and playfulness in families with children with disabilities to better understand its role in resilience during the COVID-19 pandemic

Role: Co-Principal Investigator

04/2021–03/2026

10023931 Spencer Foundation (\$500, 000)

MacDonald, Megan (PI); Khanna, Sunil (Co-PI)

Strengthening Special Education and Disability Inclusion in Botswana

This research project will examine Learning Across the Life Course: Understanding the impact of disability education on students and adults with and without disabilities in rural Botswana through community-based implementation.

Role: Principal Investigator

07/2020–06/2022

R21HD101125 NICHD/ NIH (\$408,375)

MacDonald, Megan (MPI); Udell, Monique (MPI); Vitale, Kristyn (MPI)

Evaluation of a Kitten Assisted Training Intervention (KAT) to Promote Positive Health and Wellbeing Outcomes in at Risk Youth

This research project will develop and evaluate a novel physical activity intervention for adolescents with developmental disabilities and their family dog, through a small, randomized control trial.

Role: Principal Investigator

09/01/2020–06/2025

R01ES029497 NIEHS/NIH Parent (\$2,252,788)

Kile, Molly (MPI); Lipscomb, Shannon (MPI); MacDonald, Megan (Co-I)

Children's flame retardant exposures measured by passive wristbands: Sex specific associations, social adversity, and socio-cognitive development – COVID-19 Supplement

This research project evaluates the relationship between aspects of children's socio-cognitive development and environmental exposures, including flame retardants. This supplement will add to this project by providing specific familial/child outcomes based on responses to COVID-19.

Role: Co-Investigator

01/2016–08/2017

Organization for Autism Research (Pre-proposal accepted grant application invited) (\$29,672)

Ebbeck, Vicki (PI)

Caring for Caregivers: A Self-compassion Program for Caregivers of Individuals with ASD

Role: Co-Investigator

10/2014–09/2019

Department of Education (\$4,373,004)

Krahn, Gloria (PI)

RRTC: Advancing Health & Function Across the Lifespan of People with Physical Disabilities

Role: Co-Investigator

09/2014–08/2018

NIMH K01 (\$661,463)

MacDonald, Megan (PI)

The Mechanistic Role of Motor Skills with Self-regulation & Social Behavior of Children with ASD

Role: Principal Investigator

09/2014–08/2018

USDA (\$720,000)

Braunsworth, (PD)

The Mechanistic Role of Motor Skills with Self-regulation & Social Behavior of Children with ASD

Role: Co-Project Director

07/2014–06/2018

Institute of Education Sciences (\$1,599,997)

McClelland, Megan (PI)

Developing a Measure of Self-regulation for Children at-risk for School Difficulty

Role: Co-Investigator

09/2013–08/2017

US Department of Education (\$399,554)

MacDonald, Megan (PI)

A Movement-based Early Intervention for Young Children with Autism

Role: Principal Investigator

09/2013–09/2015

National Institutes of Health – NICHD R21 (\$376,516)

MacDonald, Megan (PI)

A Movement-based Early Intervention for Young Children with Autism

Role: Principal Investigator

06/2013–06/2014

Erkkila Endowment for Health and Human Performance (\$19,659)

MacDonald, Megan (PI)

Physical Activity & School Readiness: The Use of Structured Play to Improve Behavioral Self-regulation

Role: Principal Investigator

07/2012–06/2013

Pacific Source (\$43,000)
Kile, Molly; MacDonald, Megan; McClelland, Megan (Co-PIs)
Flame retardants and neurocognitive development
