

PUBLIC HEALTH: AMP Biostatistics

Important Notes

Note 1: H 220 is required with a minimum of A-, prior to enrolling. H 425 is recommended.

Note 2: Internship may be completed in the summer after the 2nd year with approval, in which case ILE will be assessed in September.

Note 3: Tonya Johnson graciously allowed potential biostatistics AMP students to take H 517 concurrently with their internship.

Note 4: Curriculum proposal is in process to replace ST 521 and ST 522 with H 564 and H 587.

Public Health Sample Credit Map – AMP - Biostatistics Option

The credit map are suggestions of which terms to take your required classes. Your actual plan may look different.

	Fall		Winter		Spring		Total
Year 4	HHS 523	4	H 564	3	H 581	4	
	HHS 533	2	H 580	4			
	H 524	4					
		10		7		4	21
Year 5	H 525	3	H 526	3	H 517	2	
	H 582	3	H 587	3	Internship	4	
	HHS 524	3	HHS 534	3	Elective 3
