

## Appendix #1: Annual Overall Student Report and Evaluation of the Graduate Student by the Major Advisor Report

Student Name: \_\_\_\_\_ Date: \_\_\_\_\_

Degree:  MS  PhD

Student's summary of overall research progress. Include the following: 1) *specific aims of the project*; 2) *percent completion of the aims*; 3) *anticipated completion of research*; 4) *has there been any change in the aims since the last meeting?*; 5) *has the student developed a mastery of techniques for their research?*; 6) *has the student done a literature survey, published manuscripts on their research (please include citations), attended/presented at regional/national/international meetings (please include citations), initiated thesis writing?*

Major advisor: Provide a statement describing the adequacy of the candidate's progress in coursework and research during the past year. Does the candidate have deficiencies that could hinder normal progress toward obtaining their degree? If so, describe these deficiencies and suggest remedial action.

If the student is currently on an assistantship, please answer one of the following questions:

- 1. Will the assistantship be renewed?    Yes     No
  
- 2. The assistantship will be renewed provided the conditions specified below are met.

3. The assistantship will not be renewed for the following reason(s):

---

Student Name (print)	Signature	Date
----------------------	-----------	------

---
