

# ELSI Coaching Core Impact Report Summer 2024

## Highlights

- Coaching Core supports professional development through resources and workshops for ECE coaches in the state of Oregon.
  - ELSI mentor coaches provide coaching to early care and education coaches who support early educators within PSP and OPK programs through one-to-one meetings and Communities of Practice.
- The Foundations in Coaching is a self-paced online course for the foundational understanding of Oregon Coaching Competencies.
  - This free course is available in 5 languages (English, Spanish, Russian, Traditional Chinese, Vietnamese) and is intended for those who are new to coaching or are interested in becoming an early learning coach in Oregon.

## Oregon Counties Served by ELSI Mentor Coaches

■ Counties served by ELSI Coaching Core Communities of Practice (CoPs)  
■ Counties served by active 1:1 ELSI Mentor Coach Primary Partnerships and CoPs

## Metrics & Evaluations

as of 9/30/2024

**306 participants enrolled in Foundations in Coaching online course**

**71 coaches in 1:1 active primary partnerships with ELSI mentor coaches**

**36 coaches on average participate in monthly Communities of Practice (CoPs)**

**34 coaches participated in the Summer PBC Intensive**

**89%** of participants in the Foundations in Coaching reported the course was very or extremely helpful to them to feel empowered to support early educators through coaching.

**100%** of coaches reported that in their 1:1 meetings, their mentor coach cultivated an environment that allows for growth of equitable and inclusionary practices.

**100%** of coaches reported the content/topic explored in the CoP will support them in their coaching.

Overall, participants at the Practice-Based Coaching (PBC) Summer Intensive reported gains in knowledge about PBC and coaching practices.
