

Hyosin “Dawn” Kim

Date Prepared: September 20, 2025
Office Address: Oregon State University, College of Health
 2250 SW Jefferson Avenue, Waldo Hall 475, Corvallis, Oregon 97331
Work Email: dawn.kim@oregonstate.edu
Homepage: <https://health.oregonstate.edu/directory/dawn-kim>

Research Interest End-of-life care, health care delivery systems, disparities in healthcare, Medicare-Medicaid enrollees, immigrant health, mental health

Teaching Interest Health systems and policy for older adults, data for health services research and policy, research design in health services research, social determinants of health

Education

2013-2018 Ph.D. in Social Policy
 The Heller School for Social Policy and Management
 Brandeis University, Waltham, Massachusetts

Dissertation title:
 The relationship between early Accountable Care Organizations and aggressiveness of end-of-life cancer care and hospice use patterns for Medicare beneficiaries
Dissertation committee:
 Christine Bishop, PhD (Chair), Nancy L. Keating, MD, MPH,
 Dominic Hodgkin, PhD, Xiaodong Liu, EdD, Jennifer N. Perloff, PhD

2011-2013 M.A. in Bioethics Policy
 Interdisciplinary Master’s Program in Bioethics Policy Studies
 Department of Law
 Ewha Womans University, Seoul, South Korea

2007-2011 B.A. in English Literature
 Ewha Womans University, Seoul, South Korea
 Minor: Political Science & International Relations

Professional Experience

2022- **Research Assistant Professor, non-tenure track**
 Health Management and Policy Program
 College of Health, Oregon State University

2019-2021 **Statistical Analyst**
 General Internal Medicine and Geriatrics
 Oregon Health & Science University

2017-2019	Research Associate Tufts Center for Health Systems and Policy Tufts University
2016	Data Analyst Relational Coordination Collaborative Brandeis University
2015-2017	Research Assistant Supportive Living Inc. Woburn & Brandeis University
2012-2013	Research Center Coordinator Ewha Institute for Biomedical Law & Ethics

Professional Memberships

2023-Present	Gerontological Society of America
2023-Present	Oregon Public Health Association
2015-Present	AcademyHealth
2015-Present	Korean Society for Hospice and Palliative Care
2011-Present	Korean Society for Medical Ethics
2021-2022	American Public Health Association

Services

2021-Present	Ad hoc reviewer for <i>Palliative Medicine Reports, Health Affairs, Clinical Interventions in Aging, Alzheimer's & Dementia, Palliative Care and Social Practice, Journal of Pain and Symptom Management, International Journal of General Medicine, Asia Pacific Journal of Health Law & Ethics, Journal of Medical Ethics</i>
2025	Grant reviewer , Knight Cancer Community Partnership Program Oregon Health and Science University Knight Cancer Institute
2023-2024	Judge for the Oregon Public Health Association Student Poster Session

Research Experience

Ongoing

10/2024-06/2025	"Leveraging Twitter to monitor nicotine and tobacco-related cancer communication" National Cancer Institute (R01CA225773, PI: Brian A. Primack) \$329,094 Role: Research Scientist & Project Manager
-----------------	---

Completed

11/2022-12/2024	"Advanced Development and Utilization of Assembled Aging Trajectory
-----------------	---

- Files from Multiple Datasets”
National Institute on Aging (R33AG068931, MPIs: Olga Jarrín & Haiqun Lin)
Primary place of performance: Rutgers University
Oregon State University Subaward Site PI: Marie Harvey
\$245,401
Role: Research Scientist
- 11/2022-04/2024 “Upstream Approaches to Improve Late Life Care for People Living with Dementia”
National Institute on Aging (R01AG066139, PI: Olga Jarrín)
Primary place of performance: Rutgers University
Oregon State University Subaward Site PI: Marie Harvey
\$245,401
Role: Research Scientist
- 09/2019-04/2021 “Invasive and Non-Invasive Mechanical Ventilation Outcomes in Advanced Dementia”
National Institute on Aging (R56AG063748, PI: Joan Teno)
\$410,476
Role: Statistical Analyst
- 2019-2020 “Right Care at the Right Time: Mixed Method Audit of the Care at the Close of Life in San Francisco Bay Area”
Stupski Foundation (PI: Joan Teno)
Role: Statistical Analyst
- 2017-2019 “Improving Advance Care Planning through Health and Community Partnerships”
Tufts Health Plan (PI: Signe Peterson Flieger)
Role: Research Associate
- 2016 “Advanced Heart Failure Care Teamwork Initiative at University of Washington Medical Center”
Health Resources & Services Administration (PI: Brenda Zierler)
Role: Data Analyst
- 2015-2017 “Cost-Effectiveness Study of Residential Services and Supports for People with Chronic Acquired Brain Injury Living in Supportive Living Inc. and Advocates Residences”
Dana Home Foundation (PI: Laura Lorenz)
Role: Research Assistant

Publications

Peer-Reviewed Research Papers

Teaching and Mentorship

- 04/2025 **Guest Lecturer, Introduction to Public Health (Undergraduate Level)**
College for Community Health at Montclair State University
- Delivered a lecture on federal health insurance programs for older adults (Medicare, Medicaid) and healthcare types ([Link to the Lecture](#))

- Delivered a lecture on characteristics of Medicare beneficiaries by insurance type and influence of insurance on healthcare utilization ([Link to the Lecture](#))
- Designed discussion points and student assignments

2024-Present **Mentoring**, Oregon State University

- Mentor graduate research assistants and undergraduate students
- Secured a scholarship for and advise an undergraduate student in Microbiology/Pre-Medicine via the LIFE Scholars Summer Research Program from the Center for Healthy Aging Research (2025 Life Scholar Awardee: Fisher Cooper, major in Microbiology with a minor in philosophy)
- Provide one-on-one conferencing for graduate students interested in research development at Oregon State University

2015-2019 **Mentoring and training**, Tufts Center for Health Systems and Policy / Brandeis University

- Provided mentorship on project management and research execution for graduate research assistants

2017 **Teaching Assistant**, *AHRQ Practicum III: Relational Coordination Research and Analysis*
Brandeis University

- Led half of each session (a total of 6 sessions, 3 hours per session), applying theoretical concepts to data analysis
- Reviewed syllabus, held office hours, and conducted grading/assignment evaluations

2015-2017 **Teaching Assistant**, *Introduction to Stata Programming and Data Management* (Fall 2015, 2016, 2017, PhD- and Masters-Level)
Brandeis University

- Co-developed course syllabus and assignments
- Led lab sessions (1 hour/week x 6 weeks) for each course
- Delivered one lecture per course, held weekly office hours, graded assignments

Conference Presentations and Invited Lectures

- 03/28/2025 Social Media Use Before Bedtime and Depression in a National Sample of U.S. Adults.
Poster Presentation
The 46th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, San Francisco, CA
- 02/20/2025 Social Media Use Just After Awakening and Mental Health Outcomes in the U.S. Adults
Oral Presentation (Online)
The 8th Global Public Health Conference (GLOBEHEAL 2025), Bangkok, Thailand
- 01/24/2025 Enhancing End-of-Life Care: Population-Based Equity-Focused Research.

- Podium Presentation
College of Health Research Seminar, Oregon State University, Corvallis, OR
- 11/13/2024 End-of-Life Care Disparity for Asian American Pacific Islander and White Americans with Dementia.
Selected oral abstract/Individual symposium abstract first author
The Gerontological Society of America 2024 Annual Scientific Meeting, Seattle, WA.
- 07/29/2024 Health Services Use and End-of-Life Outcomes Among People with Dementia and Multiple Chronic Conditions
Poster Presentation
Alzheimer's Association International Conference 2024, Philadelphia, PA
- 04/24/2024 The spring term Honors College Faculty Research Showcase
Podium presentation
Learning Innovation Center, Oregon State University, Corvallis, OR
- 11/11/2023 Applied methods for health equity and end-of-life outcomes research using Medicare data
Symposium co-chair
Gerontological Society of America Annual Scientific Meeting, Tampa, FL
- 11/11/2023 Applying the care setting trajectory database to study end-of-life outcomes in persons with dementia
Selected oral abstract/Individual symposium abstract first author
Gerontological Society of America Annual Scientific Meeting, Tampa, FL
- 11/11/2023 Impacts of change from 27 to 30 chronic conditions algorithm on prevalence of diabetes and dementia
Poster Presentation
Gerontological Society of America Annual Scientific Meeting, Tampa, FL
- 10/17/2023 Beyond translation: Building culturally appropriate care
Scientific session moderator
Oregon Public Health Association Annual Conference, Corvallis, OR
- 10/30/2021 Using data and research to inform end-of-life care systems and policies
Invited presentation (Online)
Ewha Graduate Student Seminar Series, Seoul, South Korea
- 10/21/2021 Barriers to effective conversations about advance care planning and palliative care
Poster and oral presentation (Online)
American Public Health Association Annual Meeting, Denver, CO
- 10/22/2021 A mixed methods case study: Examining the impact and implementation of a structured approach to advance care planning in Massachusetts
Poster and oral presentation (Online)
American Public Health Association Annual Meeting, Denver, CO

- 06/03/2019 Assessing the impact and implementation of an advance care planning training and toolkit
Poster presentation
AcademyHealth Annual Research Meeting, Washington, D.C.
- 06/10/2016 Cost-effectiveness analysis of residential services and supports for chronic acquired brain injury patients in Massachusetts
Podium presentation
Bi-Annual Research Council Retreats, Waltham, Massachusetts
- 07/11/2013 Is protection of women's rights good for population health status?
Podium presentation
The 10th East Asian Social Policy International Annual Conference, Beijing, China
- 09/18/2013 The enforcement of abortion law, birth control policy, and social changes in Korea
Panel presentation
Osgoode Forum - Law, Culture, and Critique, Toronto, Canada
- 05/11/2012 How to define vulnerable population: Application and evaluation of Brocks's three category model to the Korean and the US Medicaid cases
Podium presentation
Korean Society for Medical Ethics Annual Conference, Seoul, South Korea

Selected Honors and Scholarships

- 2025 Overall Best Presenter for the presentation titled "Social Media Use Just After Awakening and Mental Health Outcomes in the U.S. Adults" at the 8th Global Public Health Conference, Bangkok, Thailand, February 20-21, 2025
- 2024 2024 Best Article Winner by the Korean Society for Hospice and Palliative Care: "Barriers to Effective Communication about Advance Care Planning and Palliative Care: A Qualitative Study" *J Hosp Palliat Care* 2023, Volume 26
- 2017 James Schulz Dissertation Fund
- 2017 Heller Dissertation Grant
- 2016 Marjorie S. Trotter Doctoral Fellowship
- 2013-2015 Laura and Dr. Selwyn Oskowitz Fellowship
- 2013 Korea National Institute for Bioethics Policy Research Grant
- 2011 Ewha Womans University Honors diploma at graduation
- 2010 Ewha Scholarship for Promising Youths in Leadership and Excellence
- 2008-2011 Ewha Honors Scholarship

Professional Development

- 2023-present Weekly research meetings, presenting grant ideas and providing feedback at the Laboratory of Aging, Policy, and Health, Rutgers, The State University of New Jersey (Leaders: Drs. Paul Duberstein, Elissa Kozlov, and Login George).
- 01/2024-06/2024 Winter/Spring 2024 Book Club, Center for Teaching and Learning, Oregon

- State University, Monthly discussions of the book *Geeky Pedagogy*
- 09/2023 Causal Inference I (Instructor: Prof. Scott Cunningham), 32 hours
- 05/2023 Planning and Writing Successful Grant Proposals Workshop, Atkisson Training Group (Instructors: Peg AtKisson, Amanda Welch), 8 hours
- 06/2017-07/2017 Foundations of Online Course Design (Instructor: Prof. Karen Muncaster), 6-week course
