

TRANSFER GUIDE FOR OREGON STATE UNIVERSITY

Major Offered Through:

CORVALLIS

ECAMPUS

Southwestern Oregon
Community College

Public Health (H)

We offer one of the few undergraduate public health programs in the country and are the first college of public health in Oregon. Public health professionals prevent disease and protect and promote health within groups of people, from small communities to entire populations. At our college, public health is integrated in all that we do as we strive to ensure health for every person, every family and every community.

Our interdisciplinary approach, research centers and focus on both rural and urban health will enrich your educational experience and position you for beginning your career or continuing your public health education. As a student, you will take an ecological approach to disease prevention, including examining environmental issues, access to healthcare services, health policies, and social and contextual factors as determinants of health.

Your Bachelor's Degree (BS) in the College of Public Health and Human Sciences

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 credits earned at a community college may be applied toward a bachelor's degree at OSU.
- Only courses with letter prefixes and numbers above 100 can be accepted.
- Some courses can count towards your major and the Baccalaureate Core. Check with your advisor.
- Options available. See "Important Notes".
- See the OSU Catalog for a list of courses required for your major and option: catalog.oregonstate.edu

Important Notes & Resources

Important Notes for the College and Major:

- Grade requirements: C- minimum for all major required courses and no more than two attempts will be allowed, see <https://health.oregonstate.edu/advising/resources/policies> for more information.
- See a sample degree plan by searching "Public Health" at admissions.oregonstate.edu/find-your-major
- Option required. Select from: Health Promotion & Health Behavior or Health Management & Policy.
- Other similar majors to explore: Psychology, Sociology, Business, Education, Human Development & Family Sciences, or Communication.
- Major required classes and some Baccalaureate Core are recommended prior to transferring to OSU.
- For Public Health students, the best time to transfer is any term, particularly due to the absence of series courses. Talk with an OSU advisor about your specific timeline.
- It is important to speak with your SWOCC & OSU Academic Advisor early on, and often, to ensure correct course selection and sequencing.

Resources and OSU Information:

- Students do not have to complete a transfer degree in order to transfer to OSU.
 - If you've completed the Oregon AAOT, all requirements of the Baccalaureate Core are complete except for Synthesis Courses and Writing Intensive Courses.
- Preparing to apply to OSU? See admissions info: oregonstate.edu/admissions/transfer.html
- Want to take classes at both OSU and an Oregon community college? Check out the Degree Partnership Program: partnerships.oregonstate.edu/students

General Education Courses (called the Baccalaureate Core)

- Complete one course in each Perspectives category with no more than two in the same department.
- For full listing of courses that fulfill Baccalaureate Core, please refer to <https://admissions.oregonstate.edu/baccalaureate-core-course-equivalencies-southwestern-oregon-community-college>
