## Maui College Transfer Guide

*OSU's multidisciplinary and holistic Human Development and Family Sciences program will give you the most current knowledge, practical skills and hands-on experience to excel in a field dedicated to improving the human condition by intervening during crises, helping people access resources and advocating for changes in the systems that affect the lives of those in need.*

*With a degree in this profession, you will be ready for graduate study in HDFS, social work, counseling, or marriage and family therapy, or for a variety of careers including child welfare, counseling, education, social work, public administration and many others. Prepare for a rewarding career empowering individuals, families and communities to survive and thrive by exploring research, theory and teaching in one of three options:*

### Human Services

The Human Services HDFS option will prepare you for diverse entry-level careers in fields such as family social services, youth or aging programs, volunteer management and crisis services. You also will be prepared for graduate studies in human development and family sciences, counseling, marriage and family therapy, and social work.

### Child Development

Through classes and internships the Child Development option will teach you research-based strategies for supporting young children's development in early childhood settings, as well as programs that support families and youth.

### General Option

The HDFS general option enables you to take an interdisciplinary approach to families and human development across the lifespan within the contexts of school, work and communities. It will prepare you for careers in schools and in the helping professions, or offers tremendous flexibility if you wish pursue advanced academic degrees in a variety of fields.

## Important Notes and Contacts

- Students do not have to complete a transfer degree to transfer to OSU. Following the sample two-year plan can help ease the transfer.
- Students interested in the Education Double Degree should contact OSU's College of Education <http://education.oregonstate.edu/education-double-degree-transfer-guides>
- Preparing to apply to OSU? See admissions info: <http://oregonstate.edu/admissions/transfer.html>
- Want to take classes at both OSU and an Oregon Community College? Check out the Degree Partnership Program: <http://oregonstate.edu/partnerships/students>

## Academic Advising

Academic advisors at your community college and OSU are available to answer your questions and assist you in creating a transfer plan. **See your community college advisor first, and use this Transfer Guide to help you plan.** Consider visiting OSU to take a campus tour and meet with an advisor. See <http://oregonstate.edu/visitosu/tour> to schedule your personalized visit.

### Your Bachelor's Degree at OSU

- A minimum of 180 credits are required for graduation.
- 60 of the 180 credits must be upper division (300 and 400-level courses).
- A maximum of 124 credits earned at a community college may be applied toward a bachelor's degree at OSU.
- Only courses with letter prefixes and numbers above 100 can be accepted.
- See OSU Catalog for a list of courses required for your major and option: <http://catalog.oregonstate.edu/DegreeSearcher.aspx?formstate=undermajors>

### General Education Courses: (also called Baccalaureate Core)

- Complete one course in each Perspectives category with no more than two in the same department.
- The Oregon AAOT satisfies all lower division requirements of the Baccalaureate Core (all but Synthesis Courses<sup>†</sup>).
- The College of Public Health and Human Sciences allows courses to double count between your major and the Baccalaureate Core.
- See Baccalaureate Core transfer guide\* for specific community college courses meeting these requirements:
