OSU Nutrition Maui College Transfer Guide

The undergraduate Nutrition (BS) program at Oregon State University focuses on the role of diet and nutrition in human health. Food is fundamentally important to human life, health and pleasure. Learn about the science of nutrition, the role of food and nutrition and how we can maximize our health by making better dietary choices. The future demand for food, nutrition and dietetics professionals is strong. The field provides diverse career opportunities in healthcare organizations, community and public health, grocery stores, food systems and industry, restaurants, schools, and wellness and fitness, as well as media, communications and technology. Private practice and self-employment in the field continues to grow as graduates design new and exciting career directions.

Dietetics

Oregon State University offers an Academy of Nutrition and Dietetics (AND) Accredited Didactic Program in Dietetics (DPD) that includes all of the required education to result in an internship eligible student.

Health Sciences

If you are interested in studying the scientific basis of nutrition for a career in medicine and the health sciences or in nutrition science research, with a focus on the prevention of chronic disease, consider this option.

Foodservice Systems

The Nutrition and Foodservice Systems option will prepare you for a professional career directing foodservice operations that focus on serving healthy menu options and using local ingredients. Foodservice opportunities exist in both non-commercial operations including schools, universities and healthcare as well as others in the retail environment; all are striving to meet the consumer demand for healthier food options.

Important Notes and Contacts:

- Students do not have to complete a transfer degree to transfer to OSU. Following the sample two-year plan can help ease the transfer.
- The Foodservice Systems option includes coursework taken in the Culinary Arts program at Linn-Benton CC.
- Preparing to apply to OSU? See admissions info: <http://oregonstate.edu/admissions/transfer.html>
- Want to take classes at both OSU and an Oregon Community College? Check out the Degree Partnership Program: <http://oregonstate.edu/partnerships/students>

Academic Advising

Academic advisors at your community college and OSU are available to answer your questions and assist you in creating a transfer plan. **See your community college advisor first, and use this Transfer Guide to help you plan.** Consider visiting OSU to take a campus tour and meet with an advisor. See <http://oregonstate.edu/visitosu/tour> to schedule your personalized visit.

OSU Nutrition Maui College Transfer Guide

Your Bachelor's Degree at OSU

- A minimum of 180 credits are required for graduation.
- 60 of the 180 credits must be upper division (300 and 400-level courses).
- A maximum of 124 credits earned at a community college may be applied toward a bachelor's degree at OSU.
- Only courses with letter prefixes and numbers above 100 can be accepted.
- See OSU Catalog for a list of courses required for your major and option:
<http://catalog.oregonstate.edu/DegreeSearcher.aspx?formstate=undermajors>

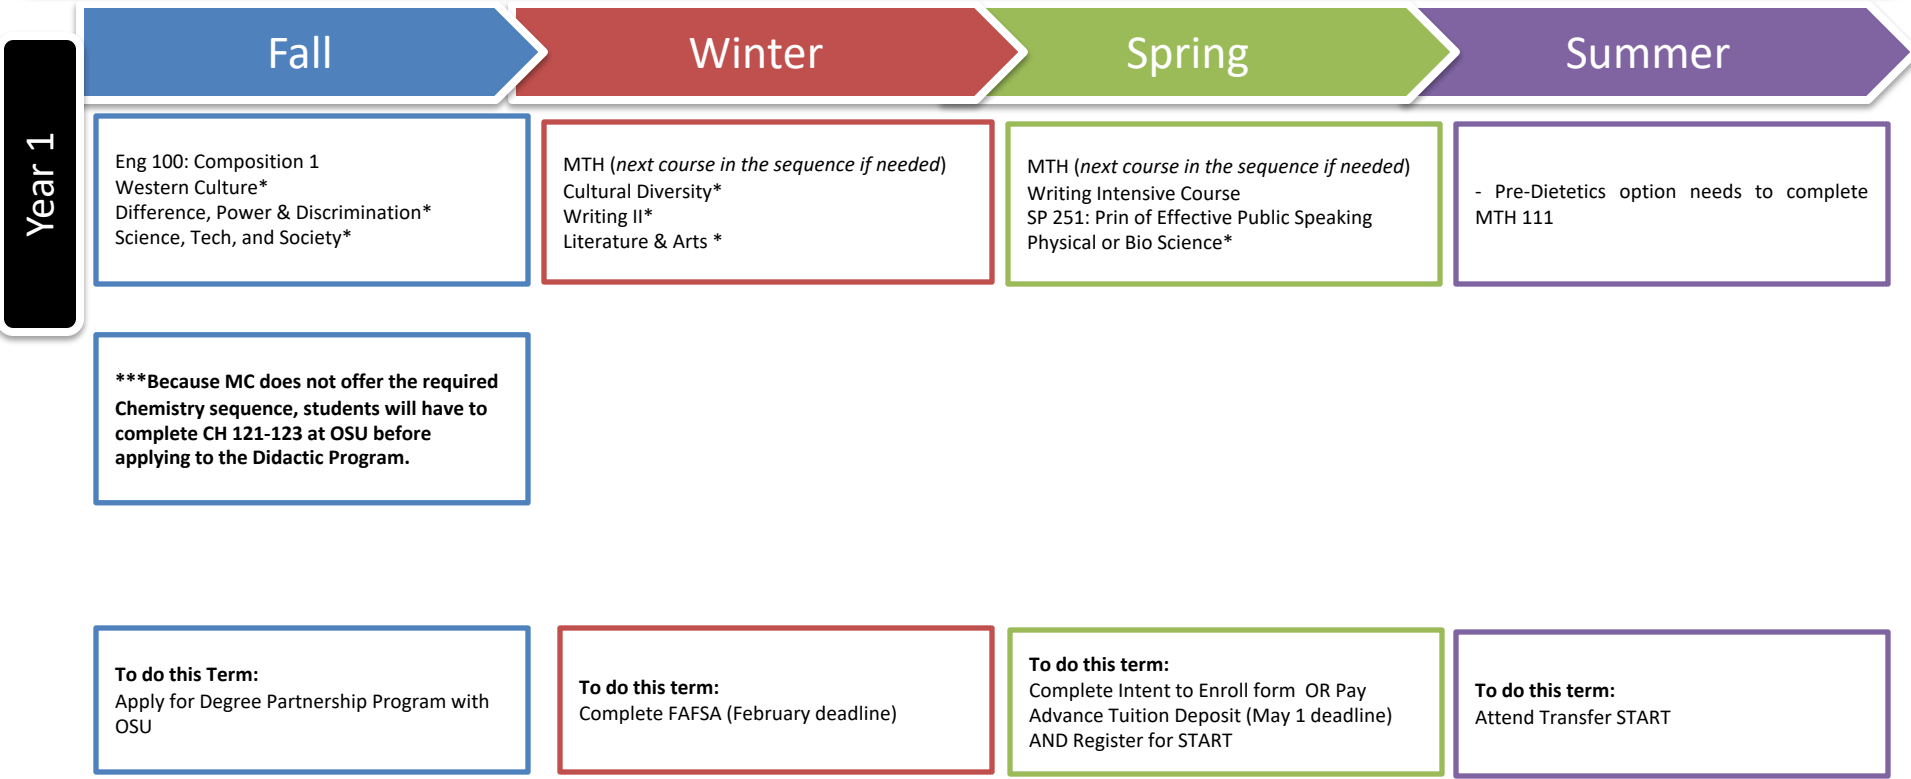

General Education Courses (also called Baccalaureate Core)

- Complete one course in each Perspectives category with no more than two in the same department.
- The Oregon AAOT satisfies all lower division requirements of the Baccalaureate Core (all but Synthesis Courses*).
- The College of Public Health and Human Sciences allows courses to double count between your major and the Baccalaureate Core.
- See Baccalaureate Core transfer guide* for specific community college courses meeting these requirements:

<http://oregonstate.edu/admissions/main/baccalaureate-core-course-equivalencies>

SKILLS COURSES	Math	Completed as part of major. Required to transfer.
	Writing I	ENG 100 - Required to transfer.
	Writing II	See transfer guide
	Speech	SP 251, or more options at OSU
	Fitness	Unavailable
PERSPECTIVES COURSES	Cultural Diversity	Completed as part of major (HPHB)
	Literature & the Arts	Many options, see transfer guide* (HMP)
	Social Process & Institutions	Many options, see transfer guide*
	Western Culture	Completed as part of major
	Biological Science	Many options, see transfer guide*
	Physical Science	Completed as part of major
DPD COURSE	2 nd Bio. or Phys. Science	Many options, see transfer guide*
	Difference, Power, & Discrimination	Many options, see transfer guide*
SYNTHESIS COURSES*	Contemporary Global Issues	Upper division course, take at OSU
	Science, Technology, & Society	Upper division course, take at OSU

Maui College NUTR – Pre-Dietetics Option

Transferable Math Sequence

These math classes transfer to OSU:
*MATH 135: Pre-Calc
*MATH 205: Diff Calculus

Remedial Math Sequence

These classes cannot be transferred to OSU for credit.

MATH 100: Survey of Math
MATH 103: College Algebra
MATH 140: Ana Geo & Trig
MATH 206: Calc II

Minimum Grade Requirements

- NUTR majors must earn a C- or higher in all courses required for major
- Students will need overall GPA of 3.0 in both Pre-req courses (+) and cumulative GPA (TR and OSU) to be eligible for Dietetics program

* Bacc Core Courses
