Pre-Public Health Majors
Transfer Guide

Linn-Benton Community College
Term-by-Term Flow Chart

Updated Aug 2016
Human Services
By choosing the Health Management and Policy major option, you will learn about the management of public health and healthcare programs and agencies, and the analysis of public health policies. The program is right for you if you want to manage health programs in a wide range of institutions, both public and private, and is particularly well-suited for students interested in the business associated with the delivery and financing of health services. You also may earn a Certificate in Gerontology.

Health Promotion and Health Behavior
In the Health Promotion and Health Behavior you will learn a variety of skills and strategies that will provide you with the necessary proficiencies to improve population health in diverse settings. The program focuses on the social and behavioral determinants of health and disease across the lifespan, with a particular emphasis on health disparities. Upon graduation, you will be qualified to assist with planning, implementing and evaluating programs that address health disparities and that are intended to improve the health of diverse populations.

Important Notes and Contacts
• Students are required to complete 4 Pre-Public Health courses prior to admission into Public Health full major. These four courses must be completed with a “C” or better in each course and an averaged GPA of 3.0.
• Students do not have to complete a transfer degree to transfer to OSU. Following the sample two-year plan can help ease the transfer.
• Preparing to apply to OSU? See admissions info: http://oregonstate.edu/admissions/transfer.html
• Want to take classes at both OSU and an Oregon Community College? Check out the Degree Partnership Program: http://oregonstate.edu/partnerships/students

Academic Advising
Academic advisors at your community college and OSU are available to answer your questions and assist you in creating a transfer plan. See your community college advisor first, and use this Transfer Guide to help you plan. Also, consider visiting OSU to take a campus tour and meet with an advisor. See http://oregonstate.edu/visitosu/tour to schedule your personalized visit.

Your Bachelor’s Degree at OSU

• A minimum of 180 credits are required for graduation.
• 60 of the 180 credits must be upper division (300 and 400-level courses).
• A maximum of 124 credits earned at a community college may be applied toward a bachelor’s degree at OSU.
• Only courses with letter prefixes and numbers above 100 can be accepted.
• See OSU Catalog for a list of courses required for your major and option:
  http://catalog.oregonstate.edu/DegreeSearcher.aspx?formstate=undermajors

General Education Courses (also called Baccalaureate Core)

• Complete one course in each Perspectives category with no more than two in the same department.
• The Oregon AAOT satisfies all lower division requirements of the Baccalaureate Core (all but Synthesis Courses).
• The College of Public Health and Human Sciences allows courses to double count between your major and the Baccalaureate Core.
• See Baccalaureate Core transfer guide* for specific community college courses meeting these requirements:
