CURRICULUM VITA

Carolyn M. Aldwin

Human Development and Family Sciences
School of Social & Behavioral Social Sciences
Oregon State University
424 Waldo Hall
Corvallis, OR 97331
(541) 737-2024; 737-1076 (fax)
Carolyn.Aldwin@oregonstate.edu

EDUCATION

B.A., Psychology, Clark University, Worcester, MA, 1974.
Ph.D., Adult Development & Aging Program, University of California, San Francisco, 1982.

ACADEMIC APPOINTMENTS

2014–present Jo Anne Leonard Endowed Directorship, Center for Healthy Aging Research
2013 Visiting Professor, Dept. of Psychology, University of Connecticut.
2010–present Director, Gerontology Program, Oregon State University.
2004–present Professor, Dept. of Human Development & Family Sciences, Oregon State University, Corvallis. Chair, 2004-2008.
2001 Visiting Faculty, Fall Academy, Max Planck Institute & Free University, Berlin.
1997 Visiting Scholar, Dept. of Experimental Psychology and Wolfson College, University of Oxford, England.
1990 – 2004 Professor, Division of Human Development and Family Studies, Department of Human and Community Development, University of California, Davis (1997-2004); Assistant Professor: 1990-92; Associate Professor, 1992 - 1997.
1985 - 1990 Research Psychologist, Normative Aging Study, Veterans Administration Outpatient Clinic, Boston.
1984 - 1985 Lecturer in Health Psychology, Student-Recommended Faculty Program University of California, Irvine.
1982 - 1984 Post-doctoral Scholar in Human Development, Environmental Demands, and Health (National Institute of Mental Health), Program in Social Ecology, University of California, Irvine.

AWARDS AND HONORS

2017 - present President-Elect, Society for the Study of Human Development
2014 Faculty Excellence Award, College of Public Health & Human Sciences
2011 Developmental Health Psychology Award, Divs. 20 & 38, American
2011 - 2012 President, Division 20, American Psychological Association, President Elect, 2010 – 2011, Past President, 2012-13.

2002	Fellow, Gerontological Society of America.
2000 - 2002	Elected At-Large Representative, Div. 20. Executive Committee, American Psychological Association
1997	Fellow, American Psychological Association, Divs. 20 & 38.
1989 - 1995	FIRST Award, National Institute on Aging
1984	Career Development Award, University of California, Irvine.
1981 - 1982	Chancellor's Award for Excellence in Research, University of California, San Francisco.
1980 - 1982	Honor Society, University of California, Berkeley.
1977 - 1980	Trainee Fellowship, National Institute on Aging.
1977	Regents Fellowship, University of California, San Francisco.
1972 - 1974	Jonas T. Clark Scholarship, Clark University.

GRANT FUNDING

Ongoing Projects

Mind & Life Institute, Francis J. Varela Research Award 02/05/2015 – 1/31/2020
2014-Varela-Proulx, Jeffrey; C. Aldwin, Faculty Research Mentor for J. Proulx
 Is Mindful Meditation Culturally Relevant for Native People?
 Purpose of this project is to determine how best to modify mindfulness meditation practices to accommodate the Native American Experience.

Pending

NIH/NIA R01 (C. Aldwin, PI). 04/01/2019 – 3/31/2023
Self-Regulation and Optimal Aging, \$2,089,958.
 Purpose is to examine (a) long-term patterns of coping, executive function, and inflammation; (b) relationships between those longitudinal patterns; (c) predictors and consequences of those patterns.

NIH/NIA K07 (C. Aldwin, PI) 09/01/2019 – 3/31/2024
Stress, Resilience, and Healthy Aging \$810,000
 Purpose is to develop an emphasis on stress, aging, and military veterans for the Center for Healthy Aging Research

Completed Projects

Oregon State University Research Office, Large Program Development Program (PI)
 \$70,000 6/01/17 – 5/31/19
 Long Term Effects of Military Service
 Purpose of this grant is to conduct pilot studies pursuant to the development of an R01 on the long-term effects of military service in veterans in Oregon.

NIH/NIA 1P01AG043362 (S. Hofer, PI)

06/01/2013-05/31/2018

Integrative analysis of longitudinal studies of aging

Project combines multiple longitudinal studies of aging to examine relations among health, cognition, and personality over time and nation.

Diversity supplement to NIH/NIA 3R01AG044917-02S1 for Dr. J. Small (T. Boerma, PI; C. Aldwin, subcontract PI). \$257,637

09/15/15 – 12/31/2017

Direct and Indirect Impacts of HIV and ART among Older People in Community Settings.

Purpose of project is to examine impact of HIV+ on trajectories of well-being on HIV+ caregivers and their care recipients in Uganda and South Africa.

National Institute on Aging, R24 AG039343, “Lifespan Outcomes of Military Service,”

\$875,000, 9/30/10 – 6/30/17, Co-PI (A. Spiro III, PI). Purpose of this grant is to create a research network of individuals interested in the long-term effects of military service.

National Institute on Aging, R01 AG032037, “Stress, Coping, Health and Optimal Aging,”

\$883,000, PI, 9/01/10 – 6/30/16. Purpose is to examine (a) long-term patterns of different types of stress; (b) personality predictors and health consequences of those patterns; and (c) effect of chronic stress on daily stress-reactivity.

Diversity Supplement to R01 AG032037, for Jeffrey Proulx, \$80,216, 7/01/11 – 6/30/16.

National Science Foundation, 0965820-DGE, Integrative Graduate Education and Research Traineeship Program (IGERT): LIFE* in an Aging Society (Linking Individuals Families and Environments). ”Linking Individuals, Families and Environments in an Aging Society.” \$2.87 million, 7/1/10 – 6/30/16. Co-PI. (K. Hooker, PI). Purpose of this grant is to provide training to graduate students interested in aging and health.

Templeton Foundation, “Religion/Spirituality and Congestive Heart Failure: Physiological Pathways of Health, \$195,000. 3/2011 – 11/2013, Co-PI (C. Park, PI). Purpose of this grant is to determine whether physiological markers mediate the effect of religion/spirituality on the course of congestive heart failure.

American Psychological Association, “Gerocentral.” Internal funding (\$10,000) for Divisions 20 and 2 to develop a website for resources in clinical gerontology, 2012-2013.

Center for Healthy Aging Research, OSU, “Multimodal Assessment of Stress, Health, and Cognition,” \$15,000, Co-PI (with S. Hofer, Co-PI).

College of Health & Human Services, “Wisdom & Successful Aging,” \$10,000. Co-investigator, M. Levenson (PI), 2005-2006.

UC Davis Hatch Funds, Cooperative Extension, Davis Longitudinal Study, 2001-2005.

UC Davis Hatch Funds, Cooperative Extension, ‘Aging Californians in Urban and Rural Settings,’ 2001-2002. Extended to 2004.

Mental Insight Foundation, “Dissemination of the Results of the Evaluation of the Hoffman Quadrinity Conference”, 2003-2004. \$10,000.

Hoffman Institute, “Evaluation of the Quadrinity Process” (Co-Investigator), 1999-2001. \$50,000.

Donner Canadian Foundation, “Evaluation of the Quadrinity Process” (Co-Investigator), 2001-2002, \$35,000.

- UC Davis Hatch Funds, Cooperative Extension, "Development of Chronic Illness in Midlife," 2001, \$10,000.
- UC Davis Hatch Funds, Cooperative Extension. "Childhood Trauma and Adaptation in Adulthood", 1996-2001 (variable).
- National Institute on Aging. "Mental and Physical Health Trajectories in Adulthood" (AG13006, Principal Investigator). 1996-1999, \$110,000.
- National Institute on Alcoholism and Alcohol Abuse. "Aging and Alcohol Abuse." (Co-Investigator). 1992-97, \$450,000.
- Dept. of Veterans Affairs, "Combat Exposure and Physical Health in Older Veterans." (Co-Investigator). 1995-1997, \$300,000.
- National Institute on Aging, FIRST Award, R29-07465. "Psychosocial Factors Affecting Health among Older Men" (Principal Investigator). 1989 - 1994; extended to 1995, \$350,000.
- Hatch Funds, United States Department of Agriculture. "Predictors and Consequences of the Development of Self-Efficacy in Adulthood" (Principal Investigator). 1991-1995, variable.
- Murray Center Midlife Research Program, Radcliffe, & MacArthur Foundation. "Mid-life Sex-Role Identity as a Function of Work and Family Roles (Principal Investigator). 1991-1992 (extended, 1992-1993), \$3,000.
- US-Mexus fund, "Nutrition, Health, and Service Utilization of Elderly Hispanics." (Co Investigator). 1992-93, \$10,000.
- Veterans Administration Merit Review, "Effects of Combat Exposure on Well-being in Late Life" (Principal Investigator). 1989 - 1992, \$175,000.
- National Institute on Aging. "Retirement and Physical Health in Older Men" (Co-Principal Investigator). 1988 - 1991.
- Veterans Administration Medical Services Research Grant, "Social Support and Health among Older Men" (Co-Principal Investigator).
- Center for Metropolitan Studies, Department of Health and Human Services, "The Effects of a Declining Economy on Health" (Co-Principal Investigator), 1983, \$2,000.
- Society for the Psychological Study of Social Issues, Grants-in-Aid, "The Effects of a Declining Economy on Health" (Co-Principal Investigator), 1983. \$1,500.

PROFESSIONAL ASSOCIATIONS & ACTIVITIES

- American Psychological Association, Fellow, Divisions 38 (Health Psychology) and 20 (Adult Development & Aging). Div. 38 Committee on Aging and Health, member, 1993 – present; Fellows Committee, 2004 – 2005. Div. 20 Representative to BAPPI Committee on Older Women and Health, 1995. At-Large Representative, Div. 20 (2000-2002), Awards Committee, 1999-2002 (Chair, 2000-2002), Program Co-Chair, 2005-2006, Program Committee, 2006-2007) President Elect, 2010, President, 2011-12, Past-president, 2012-13.
- Gerontological Society of America, Fellow (2002); member, Awards Committee, 2012; chair, 2013; past chair, 2014. Fellows committee, 2014-2017; chair, 2015-2016; past-chair 2016-2017.
- Society for the Study of Human Development, Steering Committee, 2005 – present; president-elect, 2017 - present
- Editor, *Research in Human Development*, 2009 – 2015.
- Co-Editor, *Psychology and Health*, 2001-2005.

Editorial Board, *Journals of Gerontology: Psychological Sciences*, 2000-2003.

Editorial Board, *Psychology & Aging*, 2003 - 2004.

Associate Editor, *Journal of Personality & Social Psychology*, 1995-1996. Consulting editor: 1992-1994.

Reviewer, *J. Pers. Assessment*, *Health Psychology*, *Psych. & Aging*, *Amer. J. Comm. Psych.*, *J. Gerontol.*, *J. Stress & Anxiety*, *Developmental Psychology*, *Psychological Bulletin*, *International Journal of Human Development*, *Journal of Pers. & Soc. Psych.*, Guilford Press, etc.

Study Section Reviewer, NIH, Motivations, Emotions, Stress, & Health, 2011 – 2015; NIH Div. of Research Grants: NIA ad hoc program project reviewer (2015); Addressing Needs of Informal Caregivers of Individuals with Alzheimer's Disease in the Context of Sociodemographic Factors (2012); Risk Behavior & Health Prevention (RBHP) 2011; Motivations, Emotions, Stress & Health (MESH), 2006, 2010; Minority Research Infrastructure Support Program (MRISP), 2000; Behavioral Medicine, 1994. Also review grants on an ad hoc basis for the Council of Medical Research, Great Britain, the New Zealand Council of Medical Research, the Canadian Council of Medical Research, the Austrian Research Foundation, the General Research Council, Hong Kong, and the Israel Science Foundation.

Consultant, White House Conference on Aging, 1995.

Consultant, California Commission on Aging, 1995.
