

CHUNHUEI CHI, MPH, Sc.D.

CURRICULUM VITAE

Current Positions:

Professor, Global Health Program (MPH and PhD)
School of Biological and Population Health Sciences
Professor, Health Management and Policy Program (BS, MPH and PhD)
School of Social and Behavioral Health Sciences
Director, Center for Global Health
College of Public Health and Human Sciences
Affiliated Faculty Member, Applied Economics Graduate Program
Affiliated Faculty Member, Graduate Programs in Public Policy
Oregon State University

Visiting Professor, Taipei Medical University, Taiwan
Visiting Professor, National Chengchi University, Taiwan
Scientific Committee Member, Society for the Study of Women's Health, The Gambia
Member of Advisory Board, Journal of Medicine and Health
Advisor, International Acupuncture Training Center, Taipei Veterans General Hospital
Advisory Committee Member, Fund For Global Health
Volunteer Consultant, Mid-Valley Health Care Advocate.
Volunteer Consultant, Physician for National Health Program, Oregon Chapter

Member, International Health Economics Association
Member, Taiwan Public Health Association
Member, Global Taiwanese Medical Alliance
Member, Oregon Public Health Association

Expertise

1. Health system finance and strengthening.
2. Universal health care systems.
3. Equity in health, healthcare, and financial burden of healthcare.

4. Governance in health systems and global health.
5. Critical Program Evaluation and Comparing health systems.
6. Pandemic control policies global health governance
7. International health development.
8. Political economy of global health.

A. EDUCATION AND EMPLOYMENT

EDUCATION

DOCTOR OF SCIENCE (Sc.D.) degree in Health Policy and Management.

Harvard University T.H. Chan School of Public Health, Department of Health Policy and Management, Boston, MA 06/1990

Major: **Program Evaluation**

Minors: (1) Health Economics, and (2) Resource Allocation.

Thesis: *A Health Insurance Study of Boston's Inner-City Chinese Americans: the Study of Health Insurance Coverage, Health Care Utilization, and the Willingness-To-Pay for Health Insurance.*
(Advisor: Professor William Hsiao)

MASTER OF PUBLIC HEALTH(MPH) degree in International Health

University of Texas School of Public Health, Houston, TX 06/1982

Major: **International Health**

Thesis: *Health Manpower Planning in Taiwan*
(Advisor: Professor George Walker)

BACHELOR OF SCIENCE (B.S.) degree in Public Health

China Medical University Department of Public Health (China Medical College prior to 2003), Taichung, Taiwan 06/1978

Major: Public Health

CURRENT POSITIONS

1. **Global Health Program, School of Biological and Population Health Sciences, College of Public Health and Human Sciences, Oregon State University, (Corvallis, OR) (International Health Program from 2000 to 2016, renamed Global Health Program in September 2016)**

FOUNDER	1993
DIRECTOR	2000 - 2017
PROFESSOR	1990 - present
2. **Center for Global Health, College of Public Health and Human Sciences, Oregon State University (Corvallis, OR)**

Chair of Planning Committee	December 2012 to December 2013
Founding Director	January 1, 2014 to present
3. **Program in Health Management and Policy, School of Social and Behavioral Health Sciences, College of Public Health and Human Sciences, Oregon State University, (Corvallis, OR)**

Founder of MPH Program	1993
Faculty Member & Professor for the MPH and PhD Program	

- Professor 1990 - present
4. **Applied Economics Graduate Program, Oregon State University**
Affiliated Faculty Member for the M.A. and Ph.D. Program in Applied Economics Program Fall 2008 to present
 5. **Graduate Programs in Public Policy, Oregon State University,**
Affiliated Faculty Member for the M.A. and Ph.D. Program in Public Policy
 Winter 2012 to present
 6. **Health Care for All Oregon**
Volunteer Consultant
 Provide technical advice on how to design and plan for a universal health care system for Oregon.
 May 2012 to present.
 7. **Mid-Valley Health Advocate**
Volunteer Consultant
 Provide technical advice on how to design and plan for a universal health care system for Oregon.
 1998 to present.
 8. **Physician for National Health Programs (PNHP) Mid-Valley Chapter**
Volunteer Consultant
 Provide technical advice on how to design and plan for a universal health care system for Oregon.
 October 2011 to present.
 9. **Society for the Study of Women's Health in The Gambia**
Member, The Consultative Scientific Committee
 Provides stewardship and scientific advice on the activities of the Society
 May 2017 to present
 10. **Journal of Medicine and Health**
Advisory Board member January 1st, 2017 to Present
 11. **Taipei Medical University (Taiwan), Global Health Development Program**
Visiting Professor October 1st, 2013 to Present
 12. **National Cheng-Chi University (Taiwan), International College of Innovation**
Visiting Professor September 15th, 2020 to Present
 13. **Fund For Global Health (a national NGO for global health)**
Member, Advisory Committee September 1st, 2020 to Present

PREVIOUS WORK EXPERIENCE

1. **Graduate Program in International Health, College of Public Health and Human Sciences, Oregon State University**
 Program Director, 2000 – 2017
2. **International Health Program, National Yang-Ming University, Taiwan**
 Visiting Professor, 2010 to 2018
3. **National Health Insurance Administration, Ministry of Health and Welfare, Taiwan**

Policy Advisor
October 2013 to December 2016

4. **United States Congress, National Health Insurance Act Advisory Member**
Blue Ribbon Task Force Committee Member
Congressman John Conyers Jr. of Michigan. (Volunteer)
2008 to 2016
5. **National Health Research Institute (NHRI, Taiwan's equivalent of NIH in the U.S.),**
Division of Health Policy, Taiwan
Consultant (Volunteer), International Health Research Unit
July 2006 to 2012
 - Advise the unit on various international health policy and research issues
6. **Vital Report Global Health 2008, Brussels, Belgium**
Member of the Advisory Committee for the Europe-based Global Health consortium to develop the *Vital Report Global Health 2008*,
2007 to 2009
7. **Bureau of Health Promotion, Taipei, Taiwan**
Consultant. July 2009
 - Advised the senior administrators on setting national health promotion priorities and evaluation of national health promotion programs
8. **Oregon State University, Department of Anthropology**
Faculty Member for the Ph.D. Program in Applied Anthropology – Medical Anthropology
Fall 2004 to Spring 2008
9. **Portland State University, Graduate Program in Health Management and Policy**
Adjunct Faculty Member. September 1998 to June 2014
10. **National Taiwan University, College of Public Health, Taipei, Taiwan**
Adjunct Researcher, Center for National Health Insurance
2006 – 2008
11. **Department of Health (renamed Ministry of Health and Welfare in 2013), Taipei, Taiwan**
Member of the Advisory Council for International Health (Volunteer)
2006-2007
Provide advices for international health development program for Taiwan's Department of Health.
12. **Bureau of National Health Insurance, Taipei, Taiwan**
(renamed National Health Insurance Administration, in July 2013)
Visiting Researcher and Consultant
2001 to 2004
13. **Kobe University, Research Center for Urban Safety and Security and Faculty of Medicine, Division of Urban Health and Safety, Kobe, Japan**
June 2000 to September, 2000
Foreign Researcher and Visiting Professor
 - Research on health care systems' preparedness for disasters.

14. Bureau of National Health Insurance, Taipei, Taiwan

March 1999 – August 1999

VISITING RESEARCHER

- Provided policy analysis and consultancy
- Taught a weekly class on health system finance and health care system for senior administrators
- Provided several workshops for staff

15. University of Tsukuba, Tsukuba, Japan

October 1998 - February, 1999

VISITING RESEARCHER

Institute of Community Medicine, Faculty of Medicine

- Research on developing a model graduate program in international health for Japanese national universities
- Taught a weekly graduate class on health care system

16. University of Bergen (Universitet i Bergen), Bergen, Norway

July 1995 to September, 1995

VISITING RESEARCHER FELLOWSHIP

At the Centre for Epidemiologic Research, Faculty of Medicine

- Research on comparative diet and health between Norwegians and Norwegian immigrants in the United States

17. Harvard University School of Public Health, Boston, MA

(renamed Harvard T.H. Chan School of Public Health) January 1990 – April 1990

RESEARCH ANALYST

Responsibility:

Designed the strategy for managing medical technology under the planned National Health Insurance in Taiwan (with Professor William Hsiao and colleagues).

18. Harvard University School of Public Health, Boston, MA

(renamed Harvard T.H. Chan School of Public Health) 1988 – 1990

COMPUTER LABORATORY USER ASSISTANT

19. South Cove Community Health Center/Harvard University School of Public Health, Boston, MA

1987 – 1989

RESEARCH ANALYST

A Robert Wood Johnson Foundation Demonstration Project:

Health Insurance for Uninsured Asian Americans.

Responsibilities:

- (1) Construction of interview survey questionnaire on health insurance and medical care utilization;
- (2) supervision of survey administered to 450 households in Boston Chinatown;
- (3) the training of interviewers;
- (4) sample design;
- (5) analysis of data; and
- (6) writing the final report.

20. China Medical College Department of Public Health (Renamed China Medical University in 2003), Taichung, Taiwan

1982 – 1984

LECTURER

Teaching:

1. Research Methods for Social Science
2. Statistics

3. Health Care Systems
 4. Epidemiology
 5. Introduction to Public Health
 6. Sociology of Health
- Advising: 30 undergraduate advisees

B. SCHOLARSHIP

1. Refereed Academic Publications

1. Chi C
Methods of Health Manpower Planning.
Public Health Quarterly 1983;10 (1):1-9.
2. Chi C
Health Sector Resource Allocation in Developing Countries.
Public Health Quarterly 1983;10 (2):128-135.
3. Chi C

Single-Payer Activists Come to Salem, Tout Universal Care Study.
The Lund Report, April 21, 2017
<https://www.thelundreport.org/content/single-payer-activists-come-salem-tout-universal-care-study>
Reporter Chris Gray reported the testimonies at Oregon State Senate Health Care Committee. In the second paragraph of the article, he quoted my testimony as following:
“The question is not whether we can afford the single-payer system but how can we afford the current system,” said Chunhuei Chi, an expert in healthcare financing and professor at Oregon State University's College of Public Health and Human Sciences.

2. Presentations at Professional Meetings

2A. Invited Keynote or Plenary Session Presentations

1. Resource Allocation and Priority Setting in National Health Insurance—What can we learn from Oregon Medicaid's Priority Setting? [Keynote]
National Symposium on Health Care Resource Allocation.

- September 12, 2001, Taipei, Taiwan. Organized by Department of Health, Taiwan.
2. **Complementation of Medicines — Towards an Integrative Medical System.**
[Plenary]
XVth International Conference on Traditional, Alternative, and Complimentary Medicines, Oct. 20 – 24, 2003, Quito, Ecuador.
 3. **New International Development of Primary Health Care.**
[Keynote]
National Symposium on Primary Health Care and Integrated Delivery System.
 November 10, 2004, Taipei, Taiwan. Organized by Department of Health, Taiwan.
 4. **Global Challenges in Health Development**
[Plenary]
 4th Western Regional International Health Conference, OHSU, Portland. 2-18-2006.
 5. **The Localization and Globalization of Chinese Medicine.**
[Plenary]
Annual Meeting of Chinese Medical Association (Taiwan).
 June 25, 2006, Taipei, Taiwan.
 6. **Priority Setting in National Health Promotion Policies.**
[Plenary]
National Conference of Health Promotion (Taiwan)
 July 22 – 24, 2009, Taipei, Taiwan.
 7. **Chi C, Tuepker A, Stark S, 2009**
Reconstructed foundation for international health education.
[Plenary]
 24th Annual Conference of Japanese Association of International Health, Sendai, Japan, August 5 -6, 2009
 8. **Chi C, VanGarde A, Tuepker A, 2013**
Against Golden Rule: Ethical Foundation for Critical International Health.
[Plenary]
 10th Western Regional International Health Conference, Portland, Oregon, April 5 – 7, 2013
 9. **Globalization or Localization: An Alternative to SDGs and Global Health Initiatives.**
[Opening Keynote]
 Annual Meeting of Taiwan Health Corps, Taipei, Taiwan
 December 10, 2016.
 10. **Global Health and Ethics [Plenary]**
 14th Western Regional Global Health Conference, Eugene, Oregon
 April 20 – 22, 2018 (Plenary given at April 20)
 11. **Alma Ata Declaration and Global Health [Plenary]**
 14th Western Regional Global Health Conference, Eugene, Oregon
 April 20 – 22, 2018 (Plenary given at April 21)
 12. **National Health Insurance Research Symposium**
 National Health Insurance Administration, Taipei, Taiwan
 December 24, 2018 (Opening Keynote)

2B. Organizer of an Organized Session in an International Conference (Refereed)

1. **Chi C. 2013**
Global Political Economy of Health.
 9th World Congress of International Health Economics Association, Sydney, Australia, July 7 – 10, 2013
 Presenters of the session: Fran Baum, Chunhuei Chi, and Maurice McIntosh.
 Moderator of the session: Di McIntyre

2C. Paper Presented at Academic Conferences or Symposiums

1. Chi C, Siegle JE, and Hsiao WCL, 1988
Health Insurance Coverage Among Asian Americans in Inner-City Boston
116th *American Public Health Association Annual Meeting*, Boston, MA,
Nov. 15, 1988.
2. Chi C, 1992
The Role of Traditional Medicine in Modern Health Care Systems
The Fifth *Takemi Symposium on International Health*, Tokyo
July 15 to 18, 1992.
3. Chi C, Lee JL, Lai JS, Chen CY, Chang SK, and Chen SJ, 1992
The Demand and Supply of Chinese Medicine in Taiwan
120th *American Public Health Association Annual Meeting*, Washington,
D.C., November 8 to 12, 1992.
4. Chi C, 1993
**The Use of Event Count Model to Explain Health Service Utilization
Behavior: Example from Boston's Inner-City Chinese Americans**
121st *American Public Health Association Annual Meeting*, San Francisco,
October 25 to 28, 1993
5. Chi C, Lee JL, Lai JS, Chen CY, Chang SK, and Chen SJ, 1995
The Practice of Chinese Medicine in Taiwan
123rd *American Public Health Association Annual Meeting*, San Diego,
October 30 to November 2, 1995.
6. Chi C, Lee JL, 1996
**An Evaluation of Taiwan's National Health Insurance's Impact on Health
Care Utilization**
Inaugural Conference of International Health Economics Association,
Vancouver, B.C., Canada, May 19 to 23, 1996.
7. Knudson AD, Chi C, 1996
**Predictors of Frontier Hospital Closures and Alternatives for Delivering
Primary Care: A North Dakota Case Study**
124th Annual Meeting of *American Public Health Association*, New York,
NY, November 18 to 21, 1996.
8. Chi C, Lee JL, 1996
**The New National Health Insurance Program in Taiwan and Its Impact on
The Utilization of Chinese Medicine**
124th Annual Meeting of *American Public Health Association*, New York,
NY, November 18 to 21, 1996.
9. Chi C, 1997
**A Critical Examination of Theoretical Foundation for Cost-Sharing in
Health Insurance**
National Symposium on the System and Policies of National Health
Insurance, held at the National Chung-Cheng University, Min-Shong,
Taiwan, February 22, 1997. A national conference sponsored by National
Chung-Cheng University
10. Chi C, 1999.
**Reexamining the Debates on Public versus Private Health Insurance Systems:
Alternative Frameworks**
International Conference on Health Economics, Taipei, Taiwan, March 25 - 26, 1999.
Sponsored by Academia Sinica 中央研究院

Oregon State University, Corvallis, May 18 – 19, 2013.
Chair of the Organizing Committee.
6. **Inaugural International Symposium of the Center for Global Health**
Oregon State University, Corvallis, Oregon, June 5 – 7, 2014
7. **International Symposium on Universal Healthcare**
Center for Global Health, and The Chiu Program for Taiwan Studies, Oregon State University, Corvallis, Oregon, May 24-25, 2018.

2F. Invited Presentations or Lectures

A total of 269 (Up till December of 2020) invited presentations at universities, research institutes, government agencies, and professional organizations in the U.S., U.K., Chile, Japan and Taiwan to date.

2G. Served as a Chair/Moderator/Discussant in an Academic Meeting

1. Immigrant and Refugee Health
Moderator and Discussant.
Oregon Public Health Association Annual Conference, October 11, 2016, OSU, Corvallis, OR
2. The Human Experience of Displacement: Stories from Palestine and Beyond
Moderator and Discussant of a Panel Discussion
Organized by Center for Global Health, Oregon State University, Corvallis, OR, January 27, 2017.
3. Equity and Policy Changes
Chair of the Session
12th World Congress in Health Economics, July 9, 2017, Boston.

2H. Served as a Panelist in a Professional Meeting

1. Universal Health Care in Oregon
Organized by Physician for National Health Care (PNHP) – Mid-Valley Chapter, Health Care for Oregon (HCAO), and Mid-Valley Health Advocate.
Oct. 1, 2013, United Methodist Church, Corvallis, OR.
2. Perspectives on Health Care Reform
Oct. 19, 2013, Multnomah University, Portland, OR.
3. The Dialogue: Cross Cultural Perspective on College Education
Organized by International Education Office, OSU, Nov. 13, 2013
4. Gender and Violence.
The 4th International Health Conference, organized by International Health Club, OSU, April 17th, 2015.

2I. Testimonies for Legislatures

1. Testimony at Oregon State House Committee on Health Care
In support of HB 3260 (Commission a study to assess the impact of a single-payer universal health care system for Oregon).
April 5, 2013, Salem, Oregon
2. Testimony at Oregon State Senate Committee on Health Care
In support of SB 631 (To establish a single-payer universal health care system for Oregon).
May 4, 2015, Salem, Oregon
3. Testimony at Oregon State Senate Committee on Health Care
In support of SB 1046 (To establish a single-payer universal health care system for Oregon).
<https://olis.leg.state.or.us/liz/2017R1/Downloads/CommitteeMeetingDocument/121619>
April 20, 2017, Salem, Oregon

2J. Newspaper and Media Op-Ed Publications

15 articles prior to 2021

Pandemic-Related Op-Ed

1. The Challenges of Mass Vaccination in the United States
Apple Daily, March 22, 2021

3. Research Grants

1. A Health Insurance Study of Boston's Chinatown Residents.

Funding Agency: Robert Wood Johnson Foundation, 07/01/1988-06/30/1990

A joint project between Harvard School of Public Health and South Cove Community Health Center, Boston.

Role: Research Analyst (P.I.: William Hsiao, Harvard School of Public Health)

2. The Supply and Demand of Chinese Medicine in Taiwan.

Funding Agency: Taiwan Department of Health 衛生署, Taiwan, 10/01/1991-09/30/1992,

A joint project with the faculty of China Medical College, Taiwan.
Role: Co-investigator (P.I.: Jim-Shoung Lai, China Medical College, Taiwan)

3.Utilization of Chinese Medicine under the Labor's Health Insurance.

Funding Agency: Taiwan Bureau of Labor Insurance 勞保局, Taiwan,
09/01/1992-08/31/1993,
Role: Co-investigator (P.I.: Jim-Shoung Lai, China Medical College, Taiwan)

4.Methods and Criteria for Evaluating Maternal and Child Health Programs in Developing Countries.

Funding Agency: Ministry of Health and Welfare 日本厚生省, Japan,
01/01/1994 – 12/31/1994
Role: Co-investigator (P.I.: Yasuki Kobayashi, Teikyo University, Japan)

5.The Promotion of Cooperation in the Research and Development of Chinese Medicine in Taiwan and China.

Funding Agency: Taiwan Department of Health 衛生署, Taiwan, 01/01/1993-
12/31/1994,
A collaborative project with the faculty of China Medical College and Taiwan's
Department of Health, Taiwan.
Role: Co-investigator (P.I.: Jim-Shoung Lai, China Medical College, Taiwan)

6.Estimating the Production Functions of Taiwan Provincial Health Department's Various Divisions.

Funding Agency: Taiwan Provincial Health Department 台灣省衛生處,
01/01/1996 – 12/31/1996.
A collaborative project with the faculty of China Medical College, and Taiwan's
Provincial Department of Health, Taiwan.
Role: Expert Consultant (P.I.: Jwo-Leun Lee, China Medical College, Taiwan)

7.A Longitudinal Study on the Utilization of Chinese Medicine in Taiwan, Before and After the Implementation of National Health Insurance.

Funding Agency: Taiwan Department of Health 衛生署, Taiwan, 07/01/1994-
06/30/1996
A collaborative project with the faculty of China Medical College, Taiwan.
Role: Co-investigator (P.I.: Jim-Hsoung Lai, China Medical College, Taiwan)

8.Identifying the Factors on the Supply Side that Affect the NHI Expenditure.

Funding Agency: Bureau of National Health Insurance 中央健康保險局, Taiwan,
07/01/1998 – 06/30/1999.
Role: Co- Investigator (P.I.: Michael Chen, National Chung Cheng University, Taiwan)

9.Development of Graduate Programs in International Health for Japanese Universities

Funding Agency: Ministry of Education 日本文部省, Japan, 09/01/1998-
08/31/2000.
A collaborative research with the University of Tsukuba Department of Community
Medicine.
Role: Co-Investigator (P.I.: Yasuki Kobayashi, The University of Tokyo, Japan)

10.Methodological Issues of Health Care Prioritization in Oregon Health Plan and the Proposed Framework for Health Care Priority Setting in Japan

Funding Agency: Ministry of Health and Welfare 日本厚生省, Japan,
09/01/1999- 08/31/2000.

A collaborative research with the Tohoku University Department of Health Policy and Management, and Kobe University Center for Urban Health and Safety
Role: Co-Investigator (P.I. : Nobuo Koinuma, Tohoku University, Japan)

11. A Study of Regulation for Private Administration of the National Health Insurance in Taiwan

Funding Agency: Bureau of National Health Insurance, Taiwan, 07/01/1999 - 06/30/2000. 中央健康保險局
Role: **Principal Investigator**

12. An Analytical Model for Global Budget under National Health Insurance.

Funding Agency: Taiwan Department of Health, Rate Arbitration Committee 全民健保費用協定委員會, Taiwan, 08/01/2000-07/31/2001.
Role: Co-Investigator. (P.I.: Jwo-Leun Lee, China Medical University, Taiwan)

13. A Study of Factors that Affect the Cost Inflation of Taiwan's National Health Insurance.

Funding Agency: Taiwan Department of Health, Rate Arbitration Committee, Taiwan, 09/01/2000-08/31/2001. 全民健保費用協定委員會
Role: **Principal Investigator**

14. An Assessment of Health Care Capacities and Establishment of a Women's Clinic in Uzhgorod, Ukraine.

Funding Agency: USAID, 01/01/2001-12/31/2003
Role: Expert Consultant (P.I.: Louis Muscato)

15. Utilization of Chinese Medicine in Central Taiwan under National Health Insurance.

Funding Agency: National Department of Health, Chinese Medicine Council, Taiwan, 2002. 衛生署中醫藥委員會
Role: Co-Investigator

16. Out of Pocket Medical Care Payments under the Global Budget Reimbursement System of Taiwan's National Health Insurance

Funding Agency: Bureau of National Health Insurance 中央健康保險局, Taiwan, 01/01/2003-12/31/2004.
Role: **Co-Principal Investigator** (with Dr. Jwo-Leun Lee, China Medical University, Taiwan)

17. An Assessment of Effective Methods for Taiwan's Multilateral Cooperation in Maternal Mortality and Morbidity Reduction in Haiti.

Funding Agency: Taiwan Department of Health 行政院衛生署, Taiwan, 07/01/2003 to 12/31/2003.
Role: **Principal Investigator**

18. Methodology for National Health Expenditure and Health Care Priority Setting.

Funding Agency: National Health Research Institute 國家衛生研究院, Taiwan, 01/01/2006-12/31/2008.
Role: Co-Investigator (P.I.: Dr. Andrew Huang of Duke University School of Medicine)

19. Collaboration for Health Development and Millennium Development Goals in Latin America

Funding Agency: Department of Health, Taiwan, 11/01/2006-10/01/2007.
Role: **Co-Principal Investigator** (with Dr. Fernando Ortega, Universidad San Francisco de Quito)

20. Sustainable Rural Health Development in Ethiopia

Funding Agency: Oregon State University College of Health and Human Sciences Pilot Grant, 07/01/2007-06/30/2009
Role: **Principal Investigator**

21. Evaluation of Chinese Medicine Policy and Development in Taiwan.

Funding Agency: Department of Health 行政院衛生署, Taiwan, 08/01/2007-07/31/2008.
Role: Co-Investigator (PI: Dr. Jwo-Leun Lee, China Medical University)

22. Capacity Building for Comprehensive Rural Health Development in Amhara Region, Ethiopia.

Funding Agency: World Health Organization TDR Grant, 2009
Role: Co-Principal Investigator (other Co-PI: University of Gondar, Ethiopia)
Status: Semi-Finalist (not funded, due to Co-PI withdrawn).

23. Assessing the Impact of DRG on the Diffusion and Use of Medical Technology under Taiwan's National Health Insurance Program.

Funding Agency: Bureau of National Health Insurance, Taiwan, 10/01/2010-09/30/2011.
Role: Co-Investigator (P.I. Dr. Liang HC, National Taichung Nursing College)

24. Establishing A Model for Estimating the Effect of Out-of-Pocket Payment on Individuals' Utilization of Health Care under Taiwan's National Health Insurance.

Funding Agency: National Health Research Institute, Taiwan, 08/01/2011-07/31/2012
Role: Co-Investigator (P.I.: Dr. Lin Lin, National Chi-Nan University, Taiwan)

25. Constructing An Elderly Community Care System in Taichung

Funding Agency: Taichung Municipal Government, Taiwan, 04/01/2016 to 12/26/2016
Role: Co-Investigator (PI: Jwo-Leun Lee, National Taichung University of Science and Technology, Taichung, Taiwan)
Amount Funded: USD 23,000

26. Assessing Methods for Prospective Add-On Payment (for Case Payment, Capitation, or DRG) for New Medical Technology under Taiwan's NHI System's.

Funding Agency: National Health Insurance Administration, Ministry of Health and Welfare, Taiwan, 01/01/2017 to 11/10/2017
Amount Funded: NT 1,100,000 (USD 36,600)
Role: Co-Investigator (PI: Jwo-Leun Lee, National Taichung University of Science and Technology, Taichung, Taiwan)

27. A Model to Measure Health Care Access in Chile

Funding Agency: CONICYT-FONDECYT INICIACIÓN 11160150 (Chile), 11/01/2016 to 10/31/2019
Amount Funded: CHP 85,737,000 (Chilean Pesos, USD\$132,910)
Role: Co-Investigator (PI: Alicia Lorena Núñez Mondaca, School of Economics and Management, National University of Chile)

28. Promoting Universal Healthcare in East Asia

Funding Agency: Ministry of Health and Welfare, Taiwan. 02/01/2019 to 12/01/2019.

Role: Consultant (PI: Betty Chiu, Professor and Director, Global Health and Development Program, Taipei Medical University)

F. COVID-19 PANDEMIC PROFESSIONAL AND COMMUNITY SERVICES

1. Media Interviews

From February 2020 to May 31, 2021, I was interviewed by international, national and regional media **259 times**. The regional media includes OPB, Oregonians, Willamette Week, The Lund Report, television stations such as KATU and KPTV.

The **national media** includes Washington Post, LA Times, Associated Press, US News and World Report, Refinery 29, USA Today, WebMD, VeryWell Health, New York Magazine, etc.

International media includes Deutsche Welle (DW), The Guardian, Al Jazeera, Bloomberg, Politico, Foreign Policy, The Independent, Fortune Magazine, Voice of America, South China Morning Post, Strait Times, StratNews Global (India), RIA Novosti News Agency, Radio France International, Argentine Daily Clarín, Newsweek (English), Newsweek-Japanese version, The News Lens International, The Initium, Turn Ozero (Portugal), MediaCorp (Singapore's largest TV company), SVT (Swedish National TV) Utrikesbyrå, Die Zeit (Germany), QUARTZ, L'Express (France), etc.

2. Professional Services

Since the pandemic, I have been providing various professional services. They include the following categories.

1. Immigration Court Expert Declaration
2. At the request of Oregon Governor's Chief of Staff, I met(remote) with both the Chief of Staff and Governor's Health Policy Advisor and provided recommendations for Oregon's pandemic control
3. Provide safety and hygiene guidance for staffs in hospital in charge of COVID-19 Wards
4. Provide advises for school reopening
5. Provide advises to physicians on how to sterilize facial masks, and masks versus physical distance
6. Provide advises to Rotary Club of New York, Business Group of New Jersey, and Rotary Club of Summerset, England on how to safely operate various types of businesses during the pandemic
7. Provide advises on how to safely hire nannies during the pandemic
8. Provide advises to staffs of the National Health Insurance Administration (Taiwan) on hygiene and safety guideline during an outbreak, and on remote medical care during the pandemic
9. Provide advises to a staff of Singapore's Ministry of Health on whether fully vaccinated people are contagiousness

10. Gave advise to a Paraguay health workers on how to sterilize N95 in the midst of mask shortage
11. Gave advise to a long-term care nurse on the protective effects of facial masks
12. Advised the Kyorin University's (OSU's partner university in Japan) administrators On how to prepare for safely opening the university for the Fall Semester of 2020
13. Provide advises on worker's compensation and the spread of COVID-19 to a leader in Ireland's occupational health and safety.

3. Community Services

Since the pandemic, I have been providing various community services, ranging from giving advises to businesses, individuals around the world (readers or audience of my media interviews), and colleagues. They also include responding to questions asked by Oregon State Senator.

Below are a list of examples of my community services during the pandemic.

1. Since March 2020, at the request of the pastor of the First Congregational Church UCC Corvallis, I have been writing a weekly newsletter titled "Pandemic Update" for its church members that were also shared by other churches and their networks.
2. Accepted interviews for numerous students (OSU, other university, and K-12) on their course project related to the pandemic
3. Gave advise for Albany dog show safety and hygiene during the pandemic

4. OSU Services

1. PAC-12 Health and Wellbeing Committee

Serve as an expert for preparing athletes returning to campus for training, and for preparing to reopen games.

It was reported in The Mercury News 2020-6-4

The experts who shaped the Pac-12's return-to-campus strategy: The coronavirus advisory committee

<https://www.mercurynews.com/2020/06/04/the-experts-who-shaped-the-pac-12s-return-to-campus-strategy-the-coronavirus-advisory-committee/>

2. OSU Facial Mask Task Force

Participated in meetings and provided advises

3. OSU Family Resource Center

Provided the following services

- (1) Flyer for families hiring nanny
- (2) Policy for Child care center reopening
- (3) Venue safety and filter advise

4. OSU Faculty Union

Review the faculty survey on campus reopening policy

5. OSU Vice President Dan Larson

Recommendations on in-person gathering restrictions at OSU campus. (Written)

9. OSU Thrift Shop

Provided recommendation on remain closed during the pandemic

10. Provided advises for OSU's Distinguished Professors' Letter to OSU President requesting Fall term entirely remote.

Edit and comment, with reference.

2020-7-17

G. AWARDS

1.National and International Awards

1A. International Award

1.Second Place for Best Poster Award (with co-author Alicia Nunez) titled "Equity in health system finance in Chile."

Poster Competition of the 8th World Congress of International Health Economics Association, July 10 – 13, 2011, Toronto, Canada.

1B. Fellowships Awarded

1.Harvard University School of Public Health, 1988 - 1990

Takemi Program in International Health.

PROGRAM ASSOCIATE (One of two doctoral students selected to participate in the mid-career research program in international health)

2.National Council of Science 行政院國家科學委員會 (Taiwan)

June 24 - August 14, 1992

Visiting Researcher Fellowship

At the China Medical College, Department of Public Health

Participated in a research project on the system of Chinese medicine, and delivered special lectures.

3.University of Bergen (Universitet i Bergen, Norway)

July 17 - Sep. 19, 1995

Norwegian National Science Council Visiting Researcher Fellowship

4.University of Tsukuba 日本筑波大學 (Japan)

October 1, 1998 - February 28, 1999

Visiting Researcher Fellowship and Grant from Japanese Ministry of Education

5.Kobe University, Research Center for Urban Safety and Security, Division of Urban Health and Safety 日本神戸大學(Japan)
