

# **Julia H. Drizin, M.A.**

drizinj@oregonstate.edu

---

## **EDUCATION**

Ph.D., Public Health, Health Promotion & Health Behavior  
**Oregon State University**; 2017-present

M.A., Psychology

**San Diego State University**; 2013-2015

Thesis: "College Women's Perceptions of Health Information."

B.A., cum laude, Psychology

**University of California, San Diego**; 2010-2012

## **AWARDS**

Citation Award, for poster presented at the Society for Behavioral Medicine Annual Meeting (April, 2015).

## **PEER-REVIEWED JOURNAL ARTICLES**

Gorman, J. R., **Drizin, J. H.**, Mersereau, J. E., & Su, H. I. (in press). Applying behavioral theory to understand fertility consultation uptake after cancer. *Psycho-Oncology*.

Gholizadeh, S., **Drizin, J. H.**, Hansdottir, I., Weisman, M. H., Clements, P. J., Furst, D. E., & Malcarne, V. L. (2018). Patient attributions of causality for a disease of unknown etiology. *Journal of Scleroderma and Related Disorders*, 3, 182-188.

**Drizin, J. H.**, Malcarne, V. L., Schiaffino, M., & Wells, K. J. (2018). College women's responses to a celebrity health disclosure. *Health Communication*, 33, 1302-1307.

Tapia, V.J., **Drizin, J. H.**, Dalle Ore, C., Nieto, M., Romero, Y., Magallon, S., ... & Gosman, A. (2017). Qualitative methods in the development of a bilingual and bicultural quality of life outcomes measure for pediatric patients with craniofacial conditions. *Annals of Plastic Surgery*, 78, S248-S255.

## **MANUSCRIPTS UNDER REVIEW**

Gorman, J. R., Pan-Weisz, T., **Drizin, J. H.**, Su, H. I., & Malcarne, V. L. (under review). Psychometric properties of the Reproductive Concerns after Cancer (RCAC) Scale in reproductive-aged female cancer survivors.

## CONFERENCE PROCEEDINGS

### *Published Abstracts*

**Drizin, J. H.**, Tapia, V. J., Malcarne, V. L., & Gosman, A. (2017, March). Development of a bilingual pediatric craniofacial quality of life outcomes measure. *Annals of Behavioral Medicine*, 51 (Suppl. 1): S2210.

**Drizin, J. H.**, Wells, K., Malcarne, V., & Schiaffino, M. (2016, March). College women's perceptions of celebrity health information. *Psycho-Oncology*, 25 (Suppl. 2), 154.

Dial, L., Gordon, J., Mills, S., **Drizin, J.**, Guitierrez, L., Barnes, L., Malcarne, V., Klonoff, E., Vaughn, A., & Wells, K. (2016, March). "I'm now the owner of two quirky looking breasts": Elicitation of body image and appearances concerns following a celebrity's disclosure of prophylactic mastectomy. *Psycho-Oncology*, 25 (Suppl. 2), 147.

**Drizin, J. H.**, Mills, S.D., Barnes, L.E., Klonoff, E.A., Malcarne, V.L., Vaughn, A.A., & Wells, K.J. (2015). Cognitive and behavioral change in response to a celebrity's health disclosure. *Annals of Behavioral Medicine*, 49 (Suppl. 1): S9. **Abstract received a Citation Award.**

Mills, S.D., **Drizin, J. H.**, Klonoff, E.A., Barnes, L.E., Malcarne, V.L., Vaughn, A.A., & Wells, K.J. (2015, April). Public responses to a celebrity's cancer-related disclosure about genetic testing. *Annals of Behavioral Medicine*, 49 (Suppl. 1): S224.

Gholizadeh, S., **Drizin, J. H.**, Hansdottir, I., Weisman, M. H., Clements, P. J., Furst, D. E., & Malcarne, V. L. (2015, April). Patient attributions of causality for a disease of unknown etiology. *Annals of Behavioral Medicine*, 49 (Suppl. 1): S195.

(2015, April). *Cognitive and Behavioral Change in Response to a Celebrity's Health Disclosure*. Poster presented at the Society for Behavioral Medicine Annual Conference, San Antonio, TX.

#### **INVITED ACADEMIC PRESENTATIONS**

**Drizin, J.H.,** Wells, K.J., Malcarne, V.L., & Schiaffino, M. (2016, July). *College Women's Responses to a Celebrity Health Disclosure*. Oral presentation at the Moores UCSD Cancer Center's Science Enrichment Program, San Diego, California.

**Drizin, J.H.,** Wells, K.J., Malcarne, V.L., & Schiaffino, M. (2015, July). *College Women's Perceptions of Health Information*. Oral presentation at the Moores UCSD Cancer Center's Science Enrichment Program, San Diego, California.

#### **RESEARCH EXPERIENCE**

**Oregon State University,** Corvallis, Oregon

**Graduate Research Assistant** with Dr. Jessica Gorman, 2017-present

Promoting Reproductive and Sexual Health after Cancer

- Assist with developing and conducting qualitative and quantitative research studies related to sexual and reproductive health after cancer
- Prepare documents for grant and IRB applications
- Conduct qualitative interviews
- Analyze qualitative data
- Collect, organize, and analyze quantitative data

- Co-author manuscripts submitted to peer-reviewed journals
- Develop and deliver presentations at conferences to disseminate research findings

**HIV Neurobehavioral Research Program, San Diego, California**

**Research Project Coordinator** for Dr. Thomas Marcotte, 2016-2017

- Performed assessments of neuropsychological functioning of research participants
- Documented and implemented protocols and procedures for studies involving a controlled substance
- Collected driving simulation data from participants before and after exposure to cannabis
- Administered evaluations of everyday functioning to research participants
- Assisted in preparation of documents for IRB reviews
- Developed surveys for data collection related to cannabis use and driving

**Fresh Start Clinic at Rady Children’s Hospital, San Diego, California**

**Research Project Coordinator** for Dr. Amanda Gosman, M.D., 2015-2016

- Participated in the development of a health-related quality of life measure for children with diverse craniofacial conditions, including a parent proxy measure
- Assisted with participant recruitment, scheduling, screening, and interviewing
- Assisted in preparing multiple grant proposals and securing funding for project
- Led qualitative analysis of in-depth interviews with patients and parents regarding health-related quality of life
- Organized and maintained all data securely and in accordance with HIPAA Privacy Rule
- Trained research assistants in using NVivo software to conduct qualitative analysis
- Coordinated and facilitated meetings among research team

**San Diego State University, San Diego, California**

**Research Assistant** for Dr. Terry Cronan, 2014-2015

Health Outcomes Studies Lab

- Assisted with planning and executing study examining the effects of two behavioral interventions on quality of life in newly diagnosed breast cancer patients
- Led nutrition-related intervention group sessions with groups of breast cancer patients
- Prepared and presented lectures on nutrition and cancer
- Facilitated group discussion on nutrition, health, and cancer

**San Diego State University, San Diego, California**

**Graduate Student** with Dr. Vanessa Malcarne, 2013-2017

Chronic Illness Research Laboratory

- Conducted a qualitative analysis of patients’ causal attributions for systemic sclerosis

- Performed data entry, maintenance, and analysis
- Assisted in preparation of manuscripts and submission to peer-reviewed journals
- Conducted literature reviews on systemic sclerosis, locus of control, and health-related beliefs and behaviors
- Mentored incoming students in the lab

**Graduate Student** with Dr. Kristen Wells, 2013-2017

**Cancer Disparity and Cancer Communication Laboratory**

- Performed both qualitative and quantitative data analysis
- Collected, entered, cleaned, coded, maintained, and analyzed quantitative health data
- Designed study examining college women's perceptions of celebrity health-related disclosures
- Prepared IRB protocols and obtained approval
- Conducted a qualitative analysis of online responses to Angelina Jolie's health-related disclosure in the *New York Times*
- Conducted a qualitative analysis of stakeholders' perceptions of psychosocial needs of breast cancer survivors
- Assisted in preparation of manuscripts and submission to peer-reviewed journals
- Conducted literature reviews on breast cancer, health communication, and psychosocial needs of cancer survivors
- Mentored incoming students in the lab

**SERVICE**

**Oregon State University College of Public Health and Human Sciences, Corvallis, Oregon**

Selected to serve on the student committee for a faculty member's tenure and promotion evaluation, October 2018

**Oregon State University Counseling and Psychological Services, Corvallis, Oregon**

Serving on a sub-committee to develop and promote a resilience paradigm to address the mental health needs of students, 2018-present

**TEACHING EXPERIENCE**

**Oregon State University, Corvallis, Oregon**

**Graduate Teaching Assistant** for Health Field Experiences, 2018-2019

- Instructed a Health Field Experiences course in which students complete a practicum experience in a health-related field
- Provided students with resources related to service learning, health equity, health communication, health promotion, and cultural competency
- Supported students in identifying and articulating their health-related interests

- Assisted students in identifying and securing practicum positions at sites related to their public health areas of interest
- Guided students in developing plans to implement health promotion at their sites
- Encouraged students to reflect upon their experiences and how they relate to their career goals
- Graded all assignments, including papers, projects, and quizzes
- Discussed students' progress with them during weekly office hours

**San Diego State University Research Foundation, San Diego, California**

**Tutor** for GRE Verbal Reasoning and Analytical Writing, 2015-2017

- Tutored a group of ten undergraduate students in preparation for the GRE Verbal Reasoning and Analytical Writing sections
- Prepared GRE Verbal Reasoning preparation materials, vocabulary reviews, and practice tests

**San Diego State University, San Diego, California**

**Teaching Assistant** for Data Analysis in Psychology, 2013-2015

- Note\*: I was the sole instructor for two sections of this course. However, lectures were based off of a curriculum developed by an advisor with whom we met regularly.
- Taught two sections per semester on descriptive statistics, inferential statistics, and data analysis in SPSS
- Assisted in planning and editing lectures
- Lectures covered summation notation, research methods, descriptive statistics, probability, z-scores, t-tests, and ANOVAs
- Proctored exams; graded exams, homework, quizzes, and projects
- Held weekly office hours

**ADVISING EXPERIENCE**

**San Diego State University, Psychology Graduate Program, San Diego, California**

**Psychology Graduate Ambassador, 2014-2015**

- Reached out to potential future students interested in Psychology Graduate Program
- Helped prepare future students by answering questions and giving advice

**RELATED PROFESSIONAL EXPERIENCE**

**Varsity Tutors, San Diego, California**

**Tutor, 2015-2017**

- Tutored high school, college, and graduate students in various subjects
- Prepared prospective graduate students for GRE

**Autism Comprehensive Educational Services, Irvine, California**

**Behavioral Interventionist, 2013**

- Conducted ABA therapy sessions with clients
- Assisted in creating individualized plans and goals for clients
- Trained incoming behavioral interventionists

**Respite Works, Mission Viejo, California**

**Caregiver, 2012-2013**

- Provided temporary relief for family members of children with autism
- Managed behavioral problems of clients
- Assisted with and taught clients self-help skills

**San Diego Family Justice Center, San Diego, California**

**Legal intern, 2011-2012**

- Assisted clients seeking temporary restraining orders against abusive partners
- Screened clients for eligibility for restraining orders
- Assisted in the documentation of evidence
- Assisted clients in the development of safety/escape plans
- Followed up with former clients to ensure their safety
- Maintained and updated client files
- Acted as court advocate for clients

**PROFESSIONAL ASSOCIATIONS**

**Oregon Public Health Association**

**Student Member, 2018-present**

**Scientific Network on Female Sexual Health and Cancer**

**Student Member, 2018-present**

**Society for Behavioral Medicine**

**Student Member, 2015-2017**

**American Psychological Association**

**Student Affiliate, 2012-2013**

**Psi Beta**

**Student Member, 2009-2010**
