**Student training:** I have been major professor/advisor for **18** students who have graduated with a Ph.D. in Psychology or Human Development and Family Studies and **25** students who have graduated with a master's degree under my supervision. I have also been the Preceptor for a *Postdoctoral Fellow* funded by an NRSA award from the *National Institute on Aging* and a *Postdoctoral Research Scholar* with NSF funding. Previous doctoral students of mine have won **four national awards**: three from Division 20 (Adult Development and Aging) of the American Psychological Association for dissertation research completed under my guidance, and one for best pre-doctoral research from the Behavioral and Social Science section of the Gerontological Society of America (GSA). I have served as a committee member (often representing the minor professor in gerontology) for more than **70** graduate students. As Principal Investigator of an NSF-funded IGERT doctoral training grant, I influenced **27** doctoral students from multiple disciplines to make aging studies a major part of their doctoral program and future career.

### Former doctoral students for whom I was major advisor – and last known professional position

Lynne Familant – psychologist, Bell Labs, New Jersey  
Sarah Edmonds – psychologist in private practice, Arizona  
Cheryl Hutchinson – psychologist in private practice, Indiana  
Wanda Willard – Professor, Monroe Community College  
Kim Shifren – Professor of Psychology, Towson University  
Leslie Frazier – Associate Professor of Psychology, Florida International University  
Milene Morfei – Professor of Psychology, Wells College  
Sean Brotherson – Professor of HDFS, North Dakota State University  
Jen DeCosta - Program Manager at North Hawaii Child Development Program  
Deborah Coehlo – Developmental & Behavioral Specialist, Juniper Ridge Clinic, Bend, OR

Michelle Cox – Assistant Professor of Counseling, George Fox University  
Liz Levaro – Assistant Professor of HDFS, University of Wisconsin-Stout  
Cory Bolkan – Associate Professor of HDFS, Washington State University-Vancouver  
Soyoung Choun – Postdoctoral Fellow, OSU  
Shannon Mejía – Assistant Professor of Community Health, University of Illinois  
Han-Jung Ko –Assistant Professor of HDFS, Central Michigan University  
Pamela (Allen) Fox – Project Director, NIH-funded project at DePaul University  
Eric Cerino – T32 Postdoctoral Fellowship at The Pennsylvania State University

### **Funded Research Mentoring**

Victoria Cotrell – National Institute on Aging, NIH (NIA) postdoctoral funding

Michelle Odden – K01 Award from NIH; primary mentor

Alicia Dixon-Ibarra – K01 from NIH (NIA) (under review)

Lan Doan – doctoral dissertation funding R36 from NIH (NIA)

### **Administration**

#### **Administrative Experiences:**
