

## CURRICULUM VITAE

Robert S. Stawski, Ph.D.  
School of Social and Behavioral Health Sciences  
College of Public Health and Human Sciences  
Oregon State University  
Corvallis, OR 97331-6406

Phone: +1.541.737.9052 • Fax: +1.541.737.4001 • Email: robert.stawski@oregonstate.edu

### Professional Positions

- 2014-Present Director, Population, Social and Individual Health Core, Center for Healthy Aging Research, Oregon State University
- 2013-Present Faculty Affiliate, Population, Social and Individual Health Core, Center for Healthy Aging Research, Oregon State University
- 2013-Present Associate Professor, School of Social and Behavioral Health Sciences (affiliations with Human Development and Family Sciences, and Biostatistics), College of Public Health and Human Sciences, Oregon State University
- 2012 (Nov.) Visiting Scholar, Department of Psychology, University of Gothenburg
- 2011-2013 Faculty Research Affiliate, Michigan Center on the Demography of Aging
- 2010-2013 Faculty Research Fellow, Survey Research Center, Institute for Social Research, University of Michigan
- 2008-2010 Research Associate, Gerontology Center, Pennsylvania State University
- 2006-2008 NIMH Post-Doctoral Fellow – Aging and Mental Health, Department of Human Development and Family Studies, and Gerontology Center, Pennsylvania State University

### Education

- |      |                               |                           |
|------|-------------------------------|---------------------------|
| 2006 | Ph.D. Experimental Psychology | Syracuse University       |
| 2004 | M.S. Experimental Psychology  | Syracuse University       |
| 2000 | B.S. Psychology               | Oklahoma State University |

### Publications – Journal Articles

(\*Denotes Student Co-Author)

\*Cerino, E.S., **Stawski, R.S.**, G. John Geldhof, & MacDonald, S.W.S. (In Press). Associations between control beliefs and response time inconsistency in older adults vary as a function of attentional demands. *Journals of Gerontology: Psychological Sciences*. doi: 10.1093/geronb/gby124.

\*Munoz, E., **Stawski, R.S.**, MacDonald, S.W.S., Smyth, J.M., & Sliwinski, M.J. (In Press). The Ups and downs of cognitive function: Neuroticism and negative affect drive performance inconsistency. *Journals of Gerontology: Psychological Sciences*. doi: 10.1093/geronb/gby032.

Scott, S.B., Sliwinski, M.J., Zawadzki, M.J., **Stawski, R.S.**, Kim, J., Marcusson-Clavertz, D., Lanza, S.T., Conroy, D., Buxton, O.M., Almeida, D.M., & Smyth, J.M. (In Press). A coordinated analysis of variance in affect in daily life. *Assessment*. doi: 10.1177/1073191118799460

Zawadzki, M.J., Scott, S.B., Almeida, D.M., Lanza, S.T., Conroy, D.E., Sliwinski, M.J., Kim, J., Marcusson-Clavertz, D., **Stawski, R.S.**, Green, P.A., Sciamanna, C.N., & Smyth, J.M. (2019). Understanding stress reports in daily life: A coordinated analysis of factors associated with the frequency of reporting stress. *Journal of Behavioral Medicine*, 42, 545-560. doi: 10.1007/s10865-018-00008-x

\*Cerino, E.S., Hooker, K., **Stawski, R.S.**, McClelland, M.M. (2019). A new brief measure of executive function: Adapting the Head-Toes-Knees-Shoulders task to older adults. *The Gerontologist*, 59, e258-e267. doi: 10.1093/geront/gny028.

Cichy, K.E., **Stawski, R. S.**, & Almeida, D. M. (2007). All stressors are not created equal: Examining variability in associations between stressful experiences and the diurnal rhythm of cortisol. Paper presented at the Semi-Annual Midlife Development in the United States (MIDUS) Meeting. Madison, Wis.

**Stawski, R.S.**, (2007). Cortisol in the wild: Associations with cognitive function. Paper presented at the Semi-Annual Midlife Development in the United States (MIDUS) Meeting. Madison, Wis.

Almeida, D.M., Savla, J., **Stawski, R.S.**, & \*Banks, S.R. (2007). Into the field and under the skin: Measurement quality of salivary cortisol in the National Study of Daily Experiences. Paper presented at the 38<sup>th</sup> Annual Conference of the International Society for Psychoneuroendocrinology, Madison, Wis.

O'Neill, J.W., \*Harrison, M.M., Cleveland, J.N., Almeida, D.M., **Stawski, R.S.**, Snead, A., & Crouter, A. (2007). Work-family climate, organizational commitment, and turnover: The multilevel contagion effects of leaders. Paper presented at the Annual Meeting of the Academy of Management, Philadelphia, Pa.

\*Mogle, J.A., **Stawski, R.S.**, & Sliwinski, M.J. (2007). Data collection over the internet: A validation of performance-based assessments. Paper presented at the Academic Excellence Conference, Syracuse, NY.

**Stawski, R.S.** (2007). Examining the link between stress and cognition in old age. Paper presented at the 10<sup>th</sup> International Institute on Developmental Science, Örebro, Sweden.

Seltzer, M.M., Almeida, D.M., Greenberg, J.S., Savla, J., **Stawski, R.S.**, Hong, J., & Lounds, J.J. (2007). Daily stress and dysregulation of salivary cortisol in parents of children with disabilities: A report from the MIDUS Study. Paper presented at the Semi-Annual Midlife Development in the United States (MIDUS) Meeting. Madison, Wis.

**Stawski, R.S.**, (2007). Cognition and daily stress. Paper presented at the Semi-Annual Midlife Development in the United States (MIDUS) Meeting. Madison, Wis.

Almeida, D.M., **Stawski, R.S.**, Hoffman, L., & \*Banks, S.R. (2006). Longitudinal change in daily stress processes: New results from the National Study of Daily Experiences. Paper presented at the 59<sup>th</sup> Annual Meeting of the Gerontological Society of America, Dallas, Tx.

Sliwinski, M.J., **Stawski, R.S.**, Hall, C.B., Katz, M., Verghese, J., & Lipton, R. (2006). Modeling terminal cognitive decline: Results from the Einstein Aging Studies. Paper presented at the 59<sup>th</sup> Annual Meeting of the Gerontological Society of America, Dallas, Tx.

**Stawski, R.S.**, Sliwinski, M.J., Smyth, J.M., & Almeida, D.M. (2006). Measuring intraindividual co-variability between stress and affect: Stress reactivity varies within as well as between individuals. Paper presented at the 59<sup>th</sup> Annual Meeting of the Gerontological Society of America, Dallas, Tx.

Almeida, D.M., **Stawski, R.S.**, & \*Banks, S.R. (2006). Longitudinal transitions of the small tragedies in daily life. Presentation at the Semi-Annual Midlife Development in the United States (MIDUS) Meeting. Madison, Wis.

\*Garland, S., \*Mogle, J.A., & **Stawski, R.S.** (2006). Individual differences in psychological distress, cognitive interference, and cognitive performance. Poster presented at the Annual Meeting of the Eastern Psychological Association.

Sliwinski, M.J., Hofer, S.M., & **Stawski, R.S.** (2006). Multilevel approaches to modeling intraindividual covariability among stress, affect, and cognition. Paper presented at the Annual Meeting of the American Psychological Association, New Orleans, La.

Sliwinski, M.J., **Stawski, R.S.**, Hofer, S.M. (2006). Decomposing aging and practice effects in cognitive performance: A comparison of four approaches. Poster presented at the 11<sup>th</sup> Biennial Cognitive Aging Conference, Atlanta, Ga.

Sliwinski, M.J., **Stawski, R.S.**, Katz, M., & Lipton, R. (2006). Modeling terminal decline in cognitive function in demented and non-demented older adults. Poster presented at the 11<sup>th</sup> Biennial Cognitive Aging Conference, Atlanta, Ga.

**Stawski, R. S., & Sliwinski, M. J. (2005).** Within-person change and fluctuations in negative affect in Old Age. Paper presented at the 58<sup>th</sup> Annual Meeting of the Gerontological Society of America, Orlando, FL.

Mogle, J.A., **Stawski, R. S., & Sliwinski, M. J. (2005).** Assessing cognition over the internet: A validation study. Paper presented at the 43<sup>rd</sup> Annual Eric F. Gardner Conference, Auburn, Ny.

Allaire, J.C., **Stawski, R.S., & Ong, A. (2004).** Modeling the within-person association between cognition and negative affect. Paper presented at the 57<sup>th</sup> Annual meeting of the Gerontological Society of America, Washington D.C.

Lovett, B.J., & **Stawski, R.S. (2004).** Psychoeducational assessment and diagnosis: The contribution of longitudinal data analysis. Paper presented at the 42<sup>nd</sup> Annual Eric F. Gardner Conference, Auburn, NY.

**Stawski, R.S., & Sliwinski, M.J. (2004).** Examination of short-term fluctuations and long-term change in emotion during old age: What longitudinal analytic techniques have to offer. Paper presented at the 42<sup>nd</sup> Annual Eric F. Gardner Conference, Auburn, NY.

**Stawski, R.S., Sliwinski, M.J., Wasylyshyn, C., & Smyth, J.M. (2004).** Psychological reactivity to stress: Implications for compromised cognitive performance in older adults. Paper presented at the 57<sup>th</sup> Annual meeting of the Gerontological Society of America, Washington D.C.

**Stawski, R.S., Wasylyshyn, C., & Sliwinski, M.J. (2004).** Longitudinal changes in affect and stress in old age. Poster presented at the 57<sup>th</sup> Annual Meeting of the Gerontological Society of America, Washington, D.C.

**Stawski, R.S., Wasylyshyn, C., & Sliwinski, M.J. (2004).** The relationship between stress, emotion and cognitive performance in older adults. Poster presented at the 10<sup>th</sup> Biennial Cognitive Aging Conference, Atlanta, Ga.

Wasylyshyn, C., Sliwinski, M.J., Verhaeghen, P., & **Stawski, R.S. (2004).** Task switching and aging: Measuring switch costs. Poster presented at the 10<sup>th</sup> Biennial Cognitive Aging Conference, Atlanta, GA.

Wasylyshyn, C., **Stawski, R.S., Breda, J.A., Terry, C.P., & Sliwinski, M.J. (2004).** The effects of age, processing speed, and attention switching on working memory performance: A within-person analysis. Poster presented at the 10<sup>th</sup> Biennial Cognitive Aging Conference, Atlanta, Ga.

Begeny, J., Buchler, N., Kleinmann, A., Leader, T., Lee, S., Neal, D., Onyper, S., Rosenblatt, M., **Stawski, R.S., & Wasylyshyn, C., (2003).** Does music have charms to soothe the demented breast? A meta-analytic integration of music therapy for dementia. Poster presented at the 56<sup>th</sup> Annual Meeting of the Gerontological Society of America, San Diego, CA.

**Stawski, R.S.**, Allaire, J.C., & Marsiske, M., (2003). Intraindividual variability in affect and mood: Implication for performance gains in cognitive intervention studies. Poster presented at the 56<sup>h</sup> Annual Meeting of the Gerontological Society of America, San Diego, CA.

**Stawski, R.S.**, Wasylyshyn, C., Smyth, J.M., & Sliwinski, M.J., (2003). The effects of age and daily Stress on emotional and physical well-being. Poster presented at the 56<sup>h</sup> Annual Meeting of the Gerontological Society of America, San Diego, CA.

Wasylyshyn, C., **Stawski, R.S.**, Smyth, J.M., & Sliwinski M.J., (2003). Naturally occurring within-person variability in positive affect and memory: Implications for aging research. Poster presented at the 56<sup>h</sup> Annual Meeting of the Gerontological Society of America, San Diego, CA.

Allaire, J.C., Samoranski, L., **Stawski, R.S.**, & Marsiske, M., (2001). Intraindividual variability in older adults cognitive functioning. Poster presented at the 54<sup>th</sup> Annual Meeting of the Gerontological Society of America, Chicago, IL.

**Stawski, R.S.**, & Hershey, D.A., (2001) Goal clarity as an indicator of financial planning for retirement. Poster presented at the 54<sup>th</sup> Annual Meeting of the Gerontological Society of America, Chicago, IL.

### **Invited Talks and Presentations**

University of Southampton (UK)

– School of Psychology

University of Michigan

– Survey Research Center, Institute for Social Research

Oregon State University

– Department of Human Development and Family Sciences and Center for Healthy Aging Research

– School of Social and Behavioral Health Sciences

University of Illinois at Urbana-Champaign

– Department of Human and Community Development and Family Resiliency Center

University of Victoria (BC, Canada)

– Department of Psychology and Centre on Aging

– Institute for Lifelong Health and Aging

University of Utah

– Department of Psychology

University of Gothenburg (Sweden)

– Department of Psychology

University of Gothenburg: Sahlgrenska Academy (Sweden)

– Institute of Neuroscience and Physiology

– Department of Psychiatry and Neurochemistry

– Memory Clinic

Region Västra Götaland (Governmental body overseeing healthcare - Gothenburg, Sweden)

–Institute for Stress Medicine

University of British Columbia

- Department of Psychology  
University of South Florida
- School of Aging Studies  
Arizona State University
- Department of Psychology  
University of Warwick
- Department of Psychology  
Colorado State University
- Department of Human Development and Family Studies  
– Department of Psychology

### **Workshops**

*Considerations for Estimating Growth Curve Models in a Multilevel Modeling Framework: Applications to the Diurnal Rhythm of Cortisol.* Workshop given at the Department of Psychology, University of Gothenburg (11/2012)

*Using Multilevel Modeling to Analyze Daily Diary Data: Examining Predictors of Adolescent Children's Daily Well-Being.* Workshop given at the Family Resilience Center and Department of Human and Community Development, University of Illinois at Urbana-Champaign (09/2011)

*Daily Diary Studies Incorporating Cortisol: Considerations and Using Multilevel Models to Examine Substantive Questions.* Workshop given at the Center for Healthy Aging and Department of Human Development and Family Studies, Pennsylvania State University (02/2011)

### **Research Grants**

#### *Funded*

Consultant. *Improving assessment of subjective memory impairment for detecting Alzheimer's Disease: A coordinated analysis in two measurement burst studies.* NIH/NIA R01 AG0062605 (08/2019-04/2023). PI: Jacqueline A. Mogle.

Partner Investigator. *Promoting Engagement with Life in Older Adulthood.* Australian Research Council (11/2018-10/2020). PI: Timothy Windsor.

Consultant. *Daily Stressor Reactivity and Profiles of Physical Health across Adulthood.* NIH/NIA R03 AG047955 (09/2016-08/2018). PI: Jennifer R. Piazza.

Consultant. *Integrative Pathways to Health and Illness: Project 1 – Changes in Daily Stress and Wellbeing.* NIH/NIA U19 AG051426-01 (09/2016-08/2021). PIs: Carol D. Ryff & David M. Almeida.

Co-Investigator (PI, Subcontract). *Everyday Stress Response Targets in the Science of Behavior Change.* NIH/NIA UH2 AG052167-01(09/2015-08/2020). PIs: David M. Almeida & Joshua M. Smyth.

Co-Investigator, *Transition and Entrance Into Aging Focusing on Psychological Health Before and Following Retirement* (Aging and Health Program Grant). FORTE: Swedish Council for Working Life and Welfare FAS dnr 2013-2291(12/2013-11/2018). PI: Boo Johansson.

Principal Investigator, *Psychosocial and Health-Related Influences on Response Time Inconsistency in Old Age*. NIH/NIA R21 AG045575-01 (09/2013-08/2015).

Principal Investigator, *Life Events, Depression and Cognition in Older Age: An Intraindividual Approach*. NIH/NIA R03 AG042919-01 (09/2012-08/2014).

Co-Investigator, *A Web-Based Survey of Daily Experienced Well-Being in Older Couples*. NIH/NIA R21 AG041359-01A1. (09/2012-08/2014) PI: Jacqui Smith.

Co-Investigator, *Characteristics and Correlates of Intraindividual Variability in Executive Control Processes*. National Sciences and Engineering Research Council (NSERC) Research Operating Grant (08/2012-07/2015). PI: Stuart W.S. MacDonald

Co-Investigator, *Survey Measures of Subjective Well-being: Age, Appraisal, and Cognition Effects*. NIH/NIA R01 AG040635-01 (09/2011-08/2016). PI: Jacqui Smith

Co-Investigator, *Changes in Daily Stress and Well-Being: The MIDUS Refresher Cohort* NIH/NIA P01 AG020166-09A2 (07/2011-06/2016). PI: David M. Almeida.

Co-Investigator, *A Census-Enhanced Health and Retirement Study: A Proposal to Create and Analyze a HRS Dataset Enhanced with Characteristics of Employers*. Alfred P. Sloan Foundation (07/2011-07/2016). PI: Margaret Levenstein.

Principal Investigator, *Stressful Experiences in the Health and Retirement Study: Prevalence and Associations with Mental and Physical Health*. Michigan Center on the Demography of Aging (07/2010-06/2011).

Consultant, *The Daily Experiences of Somatic Anxiety and Worry in Lung Cancer Survivors*. NIH/NCI R03 CA136054-01A1 (07/2009-06/2011). PI: Keith R. Aronson

Co-Principal Investigator, *The Effects of a Workplace Intervention on the Family Settings and Health of Employee's Children*. William T. Grant Foundation (04/2009-03/2013). PI: Susan McHale.

Principal Investigator, *The Diurnal Rhythm of Cortisol and Cognitive Function across the Adult Lifespan*. Pennsylvania State University Center for Population Health and Aging Pilot Grant (06/2009-06/2010).

Investigator, *Daily Diary Evaluation of the Health Benefits of a Workplace Intervention* NIH/NICHD U01 HD051217-04 (12/2008-09/2013). PIs: David M. Almeida and Susan McHale.

Principal Investigator, Syracuse University College of Arts and Science -  
Research/Creative Grant (01/2005-06/2005)

*Submitted*

Principal Investigator, Expanding the Daily Stress Process Model of Health and Wellbeing in Adulthood. NIH/NIA R01 (Original Submission 02/2018). *(Not Funded)*  
*\*Revised Submission Forthcoming - 03/2020*

Co-Investigator (PI on Subcontract), Aging, Emotional Well-Being, and Physical Health. NIH/NIA R01 (Submitted 03/2016). PI: Susan T. Charles. *(Not Funded)*

Co-Principal Investigator (w/ G. John Geldhof), Thriving in Midlife: Expanding the Five Cs Model of Positive Youth Development. NIH/NIA R21 (Submitted 02/2016). *(Not Funded)*

Co-Investigator, Ethnic Differences in Stress Vulnerability and Resilience in Middle and Late Life. NIH/NIA (Submitted 01/2016). PIs: Carolyn Aldwin & Crystal Park. *(Not Funded)*

Partner Investigator, Linking Daily Life Adaptation with Long-term Health and Well-being in Younger, Middle, and Older Adulthood. Australian Research Council (Submitted 02/2015). PI: Timothy Windsor. *(Not Funded)*

Co-Investigator, Stress, Self-Regulation, Health Behaviors, and Health Disparities. NIH/NIA R01 (Submitted 10/2014). PI: Carolyn Aldwin *(Not Funded)*

Co-Principal Investigator (w/David Almeida), Daily Stress and Health across Adulthood. NIH/NIA R01 (Submitted 06/2014). *(Not Funded)*

Director, Innovative Methods Core, Roybal Center for Applied Resilience in Aging. NIH/NIA P30 (Submitted 01/2014). PI: Carolyn Aldwin. *(Not Funded)*

Co-Principal Investigator (w/Larry Cheng), Psychosocial Stress and Biomarkers in Late Life (Roybal Center Pilot Project Proposal). Roybal Center for Applied Resilience in Aging. NIH/NIA P30 (Submitted 01/2014). *(Not Funded)*

Co-Investigator (PI, Subcontract), *An Exploratory Study of Parent-Child Relationship Quality and Concurrent Stress Experiences of Mothers and Children*. NIH/NICHHD R15 (Re-Submitted 02/2014; Priority Score: 50). PI: Melanie Horn Mallers. *(Not Funded)*

Principal Investigator, *Life Events and Health among Older Adults: An Intraindividual Approach*. NIH/NIA R03 (Submitted 03/2012; Priority Score: 31, 25<sup>th</sup> Percentile). *(Not Funded)*

Co-Investigator, *Gratitude in Couple from mid to Late Life: A Mixed Methods Approach*. University of California, Berkeley, Greater Good Science Center. (Submitted 2/2012). PI: Lindsay H. Ryan. (Not Funded)

Consultant, *An Intra-Individual Variability Analysis of Speech Processing with Hearing Loss*. NIH/NIDCD R21 (Submitted 02/2012). PI: Patricia Tun. (Not Funded)

Co-Principal Investigator, *Coordinated Analysis of Performance Variability across Measurement Burst Studies of Cognitive Aging*. Canadian Institutes of Health Research (Submitted 10/2011). PI: Stuart W.S. MacDonald. (Not Funded)

Statistician, *Spousal Influence on Daily Functioning in Late-Life Depression*. NIH/NIA R01 (Submitted 11/2009). PI: Lynn M. Martire.

Co-Investigator (PI, Subcontract), *Increasing Pediatrician Identification and Referral of Behavior Problems*. NIH/NICHHD R01 (Submitted 07/2009). PI: Beth G. Wildman and Diane L. Langkamp. (Not Funded)

### **Research Networks and Experience**

- 2011-2016    National Institute on Aging Stress Measurement Network  
 Lisbeth Nielsen, Elissa Epel & Teresa Seeman (Organizers)  
 NIA-sponsored network of approximately 20 stress researchers coordinating efforts to develop and improve the measurements of stress in large-scale population-based studies of aging.  
 Role: Network Member
- 2007-2014    Workplace Practices & Daily Family Well-Being  
 David M. Almeida & Susan McHale (Principal Investigator)  
 Project examining the effects of a workplace intervention on the health and well-being of employees and their families.  
 Role: Co-Investigator
- 2006-present    National Study of Daily Experiences (NSDE)  
 David M. Almeida (Principal Investigator)  
 Project examining individuals' daily stressful experiences and the implications of those experiences on individual health and well-being.  
 Role: Associate Research Scientist
- 2006-2016    Normative Aging Study  
 Daniel K. Mroczek (Principal Investigator)  
 Project examining personality, health, and daily experiences among older adult couples.  
 Role: Associate Research Scientist
- 2006-2011    Impact of Parenting Adolescents and Adults with Autism

Marsha M. Seltzer (Principal Investigator)  
 Project examining daily stress and health among parents of children with autism.  
 Role: Consultant

2006-2010 Hotel Work and Well-Being Study  
 Ann C. Crouter (Principal Investigator)  
 Project examining health and well-being for employees and their families working in the hotel industry, which is part of the Work, Family, and Health Network, a multi-site collaborative project funded by the NIH.  
 Role: Associate Research Scientist

2001-2008 Cognition, Health and Aging Projects  
 Martin J. Sliwinski (Principal Investigator)  
 Projects using a measurement burst design to examine intraindividual variability in cognition and health among very old adults.  
 Role: Associate Research Scientist

2001 Advanced Cognitive Training for Independent and Vital Elderly (ACTIVE)  
 Michael Marsiske & Ann Horgas (site Co-Principal Investigators)  
 Clinical trial examining the effectiveness of intervention to improve cognitive function in old age.  
 Role: Research Assistant

### **Academic Awards and Achievements**

2014 Fellow, Behavioral and Social Sciences section, Gerontological Society of America

2003-2005 Syracuse University Graduate Teaching Associate

2004 Syracuse University Department of Psychology- E. F. Gardner Fellowship

2001-2002 Syracuse University Graduate Teaching Assistantship

### **Service**

2017-pres. Oregon State University – CPHHS Program Director Representative to Dean’s Cabinet

2017-2018 Oregon State University – CPHHS Strategic Planning Task Force (Co-Chair)

2015-pres. Oregon State University – Director, Graduate/PhD Program in Human Development and Family Sciences

2015 Oregon State University – HDFS Faculty Search Committee  
 CPHHS Strategic Planning 2025 Committee

- 2014 Oregon State University – Biostatistics Faculty Search Committee
- 2013-2015 Oregon State University – HDFS Graduate Student Admissions Committee
- 2013 Oregon State University - School of Social and Behavioral Health Sciences  
Mission Statement Sub-Committee
- 2005-2006 Syracuse University Experimental Psychology Faculty Search Committee

Editorial Service

*Wiley-Blackwell Encyclopedia of Adult Development and Aging*, Associated Editor (Susan Krauss Whitbourne, Editor-In-Chief)

Editorial Boards

**Graduate Student Supervision and Committees**

Master's Thesis:

Chenkai Wu (HDFS; Thesis Advisor)  
Meghann Fenn (HDFS; Thesis Advisor)  
Racheal Croucher (HDFS; Committee Member)  
Grace Hartman (HDFS; Committee Member)  
Jamie Naylor (MAIS; Committee Member)  
Eric Cerino (HDFS; Committee Member)  
Dakota Witzel (HDFS; Thesis Advisor)  
Alexis Mercurief (HDFS; Committee Member)  
Zoe Alley (Psychology; Committee Member)

Dissertation:

Jeffrey Proulx (HDFS; Committee Member)  
Timothy Ottusch (HDFS; Committee Member)  
Ritwik Nath (HDFS; Committee Member)  
Hye Soo Lee (HDFS; Committee Member)  
Hyunyup Lee (HDFS; Committee Member)  
Chenkai Wu (Epidemiology, Graduate Council Representative)  
Maddison Greaves (HPHB; Committee Member)  
Fatima Al-Ghadban (HPHB; Committee Member)  
Eric Cerino (HDFS; Dissertation Co-Advisor)

Lindsay Miller (Epidemiology; Committee Member)  
Shyama Mahakalanda (HMP; Graduate Council Representative)  
Hillary Lewis (HDFS; Committee Member)  
Ashley Schuyler (HPHB; Committee Member)  
Julia Drizin (HPHB; Committee Member)  
Zoe Alley (Psychology; Committee Member)

Graduate Research Supervision:

Clarice Amorim (PhD Student - HPHB, Oregon State University)  
Sandi Phibbs (PhD Student - HPHB, Oregon State University)  
Claudia Recksiedler (PhD Student – HDFS, Oregon State University)  
Eric Cerino (PhD Student – HDFS, Oregon State University)  
Elizabeth Munoz (PhD Student – HDFS, Pennsylvania State University)  
Paul Brewster (PhD Student – Clinical Neuropsychology, University of Victoria, Canada)  
Christie Yao (PhD Student – Clinical Neuropsychology, University of Victoria, Canada)  
Drew Halliday (PhD Student – Clinical Neuropsychology, University of Victoria, Canada)  
Dakota Witzel (PhD Student – HDFS, Oregon State University)  
Ashley Schuyler (PhD Student – HPHB, Oregon State University)

International Doctoral Student Evaluation

Isabelle Hanson, MA (Licentiate Thesis; Psychology, Gothenburg University, Sweden)  
Georg Hennig, MA (Licentiate Thesis; Psychology, Gothenburg University, Sweden)

**Teaching Experience**

Undergraduate:

Oregon State University  
Applied Research Methods (HDFS 361)

Syracuse University  
Introduction to Psychology (PSY 205)  
Statistical Methods for the Behavioral Sciences (PSY 252)  
Adult Development and Aging (PSY 337)

Graduate:

Oregon State University  
Introduction to Human Development and Family Sciences Seminar (HDFS 507)  
Introduction to Data Analysis with SAS (HDFS 529; Co-Instructed w/John Geldhof, PhD)  
Applied Quantitative Methods I: GLM/ANOVA (HDFS 531)  
Quant. Methods in Family and Individual Development: Longitudinal Analysis (HDFS 630)  
Epidemiology of Aging (H 554) \*Guest Lecturer  
Adult Development and Aging (HDFS 518) \*Guest Lecturer  
Social Gerontology (HDFS 587) \*Guest Lecturer

University of Michigan  
Social Epidemiology of Aging (EPID 813) \*Guest Lecturer

**Professional Society Memberships**

American Psychological Association  
Association for Psychological Science  
Gerontological Society of America  
National Council on Family Relations
