

CURRICULUM VITA

Joonkoo Yun, Ph.D.

School of Biological & Population Health Sciences
College of Public Health and Human Sciences
Oregon State University
203D Women's Building
Corvallis, OR 97331

Office: (541) 737 - 8584
Lab: (541) 737 - 6919
Fax: (541) 737 - 6613
Email: jk.yun@oregonstate.edu

Education

- 1998 Doctor of Philosophy Degree in Human Performance, Indiana University
Major: Adapted Physical Activity (Cognate area: Motor Development)
Minor: Research Methodology (Emphasis: Psychometric Theory)
- 1992 Master of Science Degree in Special Physical Education, University of
Wisconsin-La Crosse
Major: Adapted Physical Education
- 1987 Bachelor of Physical Education Degree, Sung Kyun Kwan University, Korea
Major: Physical Education-Teacher Education

Academic Appointments and Administrative Experiences

Professor, 2015 – Present

School of Biological and Population Health Sciences,
College of Public Health and Human Sciences
Oregon State University, Corvallis, OR

Interim Graduate Program Coordinator, 2015 – Present

Kinesiology
School of Biological and Population Health Sciences,
College of Public Health and Human Sciences
Oregon State University, Corvallis, OR

IMPACT for Life Endowed Scholar, 2013 – Present

College of Public Health and Human Sciences
Oregon State University, Corvallis, OR

Associate Professor, 2005 – 2015

School of Biological and Population Health Sciences formally Department of Nutrition &
Exercise Sciences
College of Public Health and Human Sciences
Oregon State University, Corvallis, OR

Co-Director, 2000 – Present

Movement Studies in Disability Option
Kinesiology Program formally Department of Nutrition & Exercise Sciences
College of Public Health and Human Sciences
Oregon State University, Corvallis, OR

Assistant Professor, 1999 – 2005

Department of Exercise and Sport Science
College of Human Performance
Oregon State University, Corvallis, OR

Assistant Professor, 1998 – 1999

Department of Physical Education & Exercise Science
University of Rhode Island, Kingston, RI

Areas of Expertise and Interest

- Adapted Physical Activity
- Evidence-based practice
- Measurement and assessment
- Research methodology
- Underlying mechanism of physical activity promotion and inclusion

Professional Honors, Awards, Recognitions

- OSU IMPACT for Life Endowed Faculty Scholar, College of Public Health and Human Sciences, Oregon State University, 2013.
- The G. Lawrence Rarick Research Award from National Consortium for Physical Education and Recreation for Individuals with Disabilities, 2012.
- Faculty Excellence Award, College of Public Health and Human Sciences, Oregon State University, 2012.
- Oregon State University Award for Service to Persons with Disabilities, 2007.
- Research Consortium Fellow from American Alliance of Health, Physical Education, Recreation, and Dance, 2005.
- The Best Clinical Research Awards from Michigan Blue Cross Blue Shield – An article published in *Pediatric* with Dr. Dale Ulrich, 2002.
- The Best Program Award from Adapted Physical Activity Council in American Alliance of Health, Physical Education, Recreation, and Dance, 2002 – OSU Special Physical and Motor Fitness Clinic, Role: Co-director.
- University Fellowship Award, Indiana University, 1997.

A. Scholarly Activity

Publications

- Moon, D., & **Yun, J.** & McNamee, J. (in press). Effects of goal variation on adult physical activity behavior, Target journal: *Journal of Sports Sciences*, Manuscript accepted on January 5, 2016. Anticipated publication date: Summer 2016 (Corresponding author: **Yun**)
- Pitchford, E.A., Siebert, E., Hamm, J., & **Yun, J.** (2016). Parental perceptions of physical activity benefits for youth with disabilities, *American Journal of Intellectual and Developmental Disabilities*, 121(1), 25-32. doi: 10.1352/1944-7558-121.1.25.

McCubbin, J., **Yun, J.**, Johnson, M., & Morgan, J. (2011). Preparing faculty in adapted physical education: The need persists. In *Book of Proceedings*. AIESEP - International Association for Physical Education in Higher Education 2011. 341-350.

Professional Presentations

Yun, J. (2015, November). Why and How to Promote Physical Activity in Adapted Physical Education. Oral presentation made at the 44th National Adapted Physical Education Conference, Garden, CA.

Johnson, M., **Yun, J.**, & McCubbin, J. (2015, May). Activity Monitors Sources of Variability and Number of Days in Adults with Intellectual Disabilities. Oral presentation made by the first author at the 2015 American College of Sports Medicine Conference, San Diego, CA. Abstract published in *Medicine and Science in Sports and Exercise*, 47 (Suppl. 1), A269.

Hamm, J.L. Siebert, E.A., Pawlowski, J.K., Beamer, J. & **Yun, J.** (2015, March). How volunteering with youth with disabilities influences acceptance of diversity. Oral presentation made by the first author at the annual conference of the Society of Health and Physical Educators America, Seattle, WA. Abstract published in *Research Quarterly for Exercise and Sports*, 86 (Suppl. 2), A97.

Wilson, W.J., Case, L.K., **Yun, J.**, Robles, K.P., & Willoughby, R.T. (2015, March), Contribution of physical education to physical activity of children. Poster presentation made at the annual conference of the Society of Health and Physical Educators America, Seattle, WA. Abstract published in *Research Quarterly for Exercise and Sports*, 86 (Suppl. 2), A91.

Pawlowski, J.K., Willoughby, R.T., Porter, S.L., Beamer, J., & **Yun, J.** (2015, March). Service learning and volunteer self-efficacy: working with people with disabilities. Poster presentation made at the annual conference of the Society of Health and Physical Educators America, Seattle, WA. Abstract published in *Research Quarterly for Exercise and Sports*, 86 (Suppl 2), A34.

Kim, M., Cardinal, B., & **Yun, J.** (2015, March). Using instructional alignment practices to enhance student motivation in college and university physical activity courses. Oral presentation made by the first author at the College/University Instructional Physical Activity Program and Wellness half-day conference held in conjunction with the annual meeting of the Society of Health and Physical Educators (SHAPE) America, Seattle, WA.

Hamm, J.L., & **Yun, J.** (2014, October). A systematic review of health related quality of life frameworks among individuals with autism spectrum disorders. Poster presentation

made at the biannual conference of North American Federation of Adapted Physical Activity Symposium, Ann Arbor, MI.

- Siebert, E., Hamm, J., & **Yun, J.** (2014, October). Parental Influences on Physical Activity Participation of Children with Disabilities. Oral presentation made by the first author the biannual conference of North American Federation of Adapted Physical Activity Symposium, Ann Arbor, MI.
- Jin, J., **Yun, J.**, & Moon, D. (2014, October). Mediation and Moderation Analyses in Adapted Physical Activity Research. Oral presentation made by first two authors at the biannual conference of North American Federation of Adapted Physical Activity Symposium, Ann Arbor, MI.
- Beamer, J., & **Yun, J.** (2014, July). Factors Affecting Physical Educators' Inclusion Behaviors. A poster presentation made at the annual conference of the Office of Special Education Program Project Directors' Conference, Washington D.C.
- Moon, D.H., & **Yun, J.** (2014, April). Effects of Goal Commitment on Physical Activity in Adult. A poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, San Louis, MO. Abstract published in *Research Quarterly for Exercise and Sports*, 85, A34.
- Morgan, J., **Yun, J.**, & Wegis, H. (2014, April). A Proposed Integrative Framework to Examine Physical Educators' Inclusion Behaviors. A poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, San Louis, MO. Abstract published in *Research Quarterly for Exercise and Sports*, 85, A22 –A23.
- Johnson, C., & **Yun, J.** (2013, April). Are Children with Autism Less Active than Children without Autism? Oral presentation made by Yun at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Charlotte, NC. Abstract published in *Research Quarterly for Exercise and Sports*, 84, A88 –A89.
- Taylor, J., Tepfer, A., Derfus, A., Irwin, J.M., & **Yun, J.** (2013, April). Peer Tutoring in Physical Education. Oral presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Charlotte, NC.
- Morgan, J., Moon, D., Jin, J., Chang, C. & **Yun, J.** (2013, April) Moderate-to-Vigorous Physical Activity: A Quality Indicator? Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Charlotte, NC. Abstract published in *Research Quarterly for Exercise and Sports*, 84, A90-A91.
- Moon, D., Pawlowski, J., Morgan, J., & **Yun, J.** (2013, April). The Best Practice for Pedometer-based Intervention. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Charlotte, NC.

- Jin, J., & **Yun, J.** (2013, April). An Integrative Framework: Physical Activity Predictors in Inclusive Physical Education. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Charlotte, NC. Abstract published in *Research Quarterly for Exercise and Sports*, 84, A88.
- Agiovlasitis, S., McCubbin, J.A., **Yun, J.**, Widrick, J.J., Mpitsos, G., & Pavol, M. (2012, November). Gait Characteristics of Adults with Down Syndrome Explain Their Greater Metabolic Rate during Walking. Poster presentation made at the biannual conference of North American Federation of Adapted Physical Activity Symposium, Birmingham, Alabama.
- Jin, J., & **Yun, J.** (2012, November). Understanding the Mechanism of Physical Activity Behavior in Inclusive Physical Education: A Multilevel Analysis. Oral presentation made at the biannual conference of North American Federation of Adapted Physical Activity Symposium, Birmingham, Alabama.
- Silverman, S.R., **Yun, J.**, & Pavol, M. (2012, November). Effects of Restricted Ankle Range of Motion on Human Walking: an Application to Transtibial Amputee Gait Patterns. Poster presentation made at the biannual conference of North American Federation of Adapted Physical Activity Symposium, Birmingham, Alabama.
- MacDonald, M., & **Yun, J.** (2012, July). Creating, Disseminating and Teaching Evidence-based Practice: Movement Studies in Disability at Oregon State University. Poster presentation made at the annual conference of the Office of Special Education Program Project Directors' Conference, Washington D.C.
- Driver, S., & **Yun, J.** (2012, July). Learning and Serving Individuals with Disabilities through Community-based Program at Oregon State University. Poster presentation made at the annual conference of the Office of Special Education Program Project Directors' Conference, Washington D.C.
- Yun, J.** (2011, November). How to use Physical Activity as IEP Goals. Oral presentation made at the 40th National Adapted Physical Activity Conference, Long Beach, CA.
- Moon, D., & **Yun, J.** (2011, October). Identifying mediating and moderating variables of goal setting for increasing daily physical activity. Poster presentation made at the Oregon Alliance for Health, Physical Education, Recreation and Dance, Salem, OR.
- McCubbin, J., **Yun, J.**, Morgan, J., & Johnson, M. (2011, June). Preparing faculty in adapted physical education: The need persists. Oral presentation made at the 2011 International Association of Physical Education in Higher Education Conference, Limerick, Ireland.
- Lee, M., McCubbin, J., **Yun, J.**, Morgan, J., Jin, J., Moon, D., & Dixon, A., (2011, March). Physical activity assessment in persons with intellectual disabilities. Oral presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, San Diego, CA.

- Yun, J.** (2011, January). Service Learning Programs: OSU IMPACT. Invited presentation made at the annual meeting of Silver Falls Higher Education Conference, Silver Falls, Oregon.
- Yun, J.,** Driver, S., Porretta, D., & McCubbin, J. (2010, November). How to write a fundable grant proposal. Oral presentation made to the biannual North American Federation of Adapted Physical Activity Symposium, Riverside, California.
- Taylor, J., **Yun, J.,** & McCubbin, J. (2010, November). Staff perception of including youth with disability in afterschool programs. Oral presentation made at the biannual North American Federation of Adapted Physical Activity Symposium, Riverside, California.
- Yun, J.** & McCubbin, J. (2010, July). Connecting theory and practice: adapted physical activity at Oregon State University. Poster presentation made at the annual conference of the Office of Special Education Program Project Directors' Conference, Washington D.C.
- Pitchford, E.A. & **Yun, J.** (2010, March). Pedometer measurement for adults with Down syndrome: A Generalizability study. Oral presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Indianapolis, IN. Abstract published in *Research Quarterly for Exercise and Sports*, 81, A92-A93.
- Lytle, R., **Yun, J.,** Davis, T., Tymeson, G., Combs, S., Barfield, J., Greenberg, J., Kemeny, E., & Arnhold, R. (2010, March). Mentoring for physical activity & nutrition for youth with disabilities. Panel discussion made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Indianapolis, IN.
- Pitchford, E.A., Morgan, J., Taylor, J., Ohart, A., & **Yun, J.** (2010, March). Accuracy of pedometers for individuals with and without Down syndrome. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Indianapolis, IN. Abstract published in *Research Quarterly for Exercise and Sports*, 81, A93.
- Jin, J., & **Yun, J.** (2009, October). Changing teaching behavior to include students with disabilities in inclusive contexts: Application of Transtheoretical model in physical education teacher education. Oral presentation made at the conference of the 2009 Physical Education Teacher Education conference sponsored by the National Association for Sport and Physical Education, Myrtle Beach, SC.
- Yun, J.** (2009, August). Evidence based practice and research in adapted physical activity. Invited presentation made at 2009 International Sport Science Congress, Seoul, Korea.
- Yun, J.** (2009, August). Adapted physical education: Our future role. Invited presentation made at 2009 International Sport Science Congress, Seoul, Korea.

- Johnson, M., **Yun, J.**, & McCubbin, J. (2009, May). Construct validation of physical activity measurement in adult with intellectual disabilities. Poster presentation made at the annual conference of the American College of Sport Medicine, Seattle, Washington. Abstract published in *Medicine and Science in Sports and Exercise*, *41*, 540-541.
- Johnson, S., Kip, K., **Yun, J.**, & Hoffman, M.A. (2009, May). Spinal mechanisms contributing to rate of force development. Poster presentation made at the annual conference of the American College of Sport Medicine, Seattle, Washington. Abstract published in *Medicine and Science in Sports and Exercise*, *41*, S521.
- Moon, D., & **Yun, J.** (2009, April). Barriers to physical activity in person with multiple sclerosis. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Tampa, Florida.
- Pitchford, E.A., & **Yun, J.** (2009, April). Parent perceptions of physical activity benefit for youth with disabilities. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Tampa, Florida. Abstract published in *Research Quarterly for Exercise and Sports*, *80*, A104.
- Yun, J.**, Pitchford, E.A., McClain, Z., Lee, M., Jin, J., & McCubbin, J. (2009, March). What, why, & how? Physical activity promotion through Adapted Physical Education. Oral presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Tampa, Florida.
- McClain, Z., **Yun, J.**, Cusimano, B., McCubbin, J., & van der Mars, H. (2008, November). The effects of varying instructional approaches on perceived enjoyment and physical activity levels of students during the health-related fitness portion in inclusive physical education. Research presented at the Western Society for Physical Education of College Women Conference. Pacific Grove, CA.
- Yun, J.**, Foley, J.T., Lee, M., Moon, D., & Pitchford, E.A. (2008, September). Perceived barriers to physical activity in individuals with disabilities. Oral presentation made at the biannual North American Federation of Adapted Physical Activity Symposium, Indianapolis, Indiana.

- Foley, J.T., **Yun, J.**, Maddalozzo, G.F., & Snow, C.M. (2004, October). Gait velocity and double-support time in women with multiple sclerosis. Poster presentation made at the biannual North American Federation of Adapted Physical Activity Symposium, Thunder Bay, Canada.
- Yun, J.** (2004, October). Effect size statistics: Is it really telling us the meaningfulness of research? Oral presentation made at the biannual North American Federation of Adapted Physical Activity Symposium, Thunder Bay, Canada.
- Foley, J.T., & **Yun, J.** (2004, July). How active are you? Steps to increasing health in the future. Oral presentation made by both authors at the Oregon Conference on Direct Supports, sponsored by the Oregon Developmental Disabilities Coalition and Oregon Rehabilitation Association, Corvallis, OR.
- Taylor, C.A. & **Yun, J.** (2004, April). Psychometric properties of two systematic observation techniques for assessing physical activity levels in children with mental retardation. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, New Orleans, LA. Abstract published in *Research Quarterly for Exercise and Sports*, 75, A113.
- Burt, L., Rosenkoetter, S., **Yun, J.**, & Tsai, A. (2004, March). Rural links: A collaborative teacher recruitment, preparation & placement project. Poster presentation made at the 2004 OSEP Personnel Preparation Conference, Washington D.C.
- Yun, J.**, & Kim, S. (2003, November). Feasibility of using process oriented assessment for children with cerebral palsy. Oral presentation made at the annual conference of Motor Development Consortium, Columbus, Ohio.
- Yun, J.** (2003, August). Problems and issues related to measuring movement skills of children with disability in adapted physical activity. Invited presentation made at the 14th International Symposium of Adapted Physical Activity, Seoul Korea.
- Kim, S., Kim, A., Lee, E., Kang, S., Jeong, M., Pavol, M., & **Yun, J.** (2003, August). Intra-variability of overhand throwing patterns in children with spastic cerebral palsy. Poster presentation made at the 14th biannual conference of the International Federation of Adapted Physical Activity, Seoul, Korea.
- Foley, J.T., & **Yun, J.** (2003, June). The effects of body mass index level on physical activity during recess. Poster presentation made at the annual conference of the American College of Sport Medicine, San Francisco, CA. Abstract published in *Medicine and Science in Sports and Exercise*, 35, S161.

- Tabb, J., & **Yun, J.** (2003, April). Physical educators' attitudes and knowledge toward working with Mexican Americans. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Philadelphia, PA. Abstract published in *Research Quarterly for Exercise and Sports*, 74, A73.
- Usera, P., Foley, J.T., & **Yun, J.** (2003, April). Cross validation of field based assessment of body composition for individuals with Down syndrome. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Philadelphia, PA. Abstract published in *Research Quarterly for Exercise and Sports*, 74, A80-A81.
- Kellie, R., Bergmann, D., Means, M., Scofield, M., Smith, T., Whitman, S., **Yun, J.** (2002, October). Adapted physical education round table discussion. Participated in round table discussion at the 85th conference of Oregon Alliance for Health, Physical Education, Recreation and Dance, Corvallis, Oregon.
- Foley, J., Banola, E.J., & **Yun, J.** (2002, October). Working in the water with person with disabilities: Adapted aquatics 101. Oral presentation made at the 85th conference of Oregon Alliance for Health, Physical Education, Recreation and Dance, Corvallis, Oregon.
- Yun, J.**, Reid, C., & Foley, J. (2002, June). Validity and reliability estimation of dynamic balance assessments, Poster presentation made at the at the annual conference of the North American Society for Psychology of Sports and Physical Activity, Hunt Valley, Maryland. Abstract published in *Journal of Sport & Exercise Psychology*, 24, S136.
- Shapiro, D. R., & **Yun, J.** (2002, June). Psychometric properties of a modified sport motivation questionnaire for persons with mental retardation. Poster presentation at the annual North American Society for the Psychology of Sport and Physical Activity, Baltimore, MD. Abstract published in *Journal of Sport and Exercise Psychology*, 24, S11.
- Yun, J.**, Pauli, R., Kang, K., & Tabb, J., (2002, April). Relationship between gross motor development and health-related physical fitness for children. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, San Diego, California. Abstract published in *Research Quarterly for Exercise and Sports*, 73, A55.
- Chun, H., **Yun, J.**, Hautala, R., & Nam, D., (2002, April). Cross-validation of Test of Gross Motor Development for youth with mental retardation. Oral presentation made by the second author at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, San Diego, California. Abstract published in *Research Quarterly for Exercise and Sports*, 73, A102 -103.
- Yun, J.** (2002, January). Motor skill development in young children. Invited presentation made at the Rural Links seminar series, Corvallis and board cast to Bend campus, Oregon.

- Yun, J.,** Chun, H., & Shapiro, D.R. (2001, July). Relationship of fitness and gross motor skills for adolescence with intellectual disabilities. Poster presentation made at the 13th biannual conference of the International Federation of Adapted Physical Activity, Vienna, Austria.
- Yun, J.,** & Shapiro, D.R. (2001, July). Principles of dynamic systems theory: Application in adapted physical activity. Oral presentation made at the 13th biannual conference of the International Federation of Adapted Physical Activity, Vienna, Austria.
- Kang, K.H., **Yun, J.,** & Nam, D.H. (2000, December). Effects of kiap on isometric force generation and motor neuron excitability in martial arts trainees. Poster presentation made at the 7th Pacific Rim Conference on Exercise Science and Sports Medicine, Berkeley, California.
- Yun, J.,** Shapiro, D.R., & Kozub, M.F. (2000, November). Data analysis techniques and contemporary measurement theories to addressing research questions in adapted physical activity. Oral presentation made at the biannual North American Federation of Adapted Physical Activity Symposium, New Orleans, Louisiana.
- Chun, H., Lee, M. & **Yun, J.** (2000, November). Development of a reference for growth measurements, physical fitness, and movement skill development in adolescents with mental retardation. Poster presentation made at the biannual North American Federation of Adapted Physical Activity Symposium, New Orleans, Louisiana.
- Yun, J.,** & Shapiro, D.R. (2000, October). Meeting IEP goals within the general physical education curriculum. Oral presentation made at the 29th National Conference on Physical Activity for the Exceptional Individual, Fresno, California.
- Ulrich B., Ulrich, D., **Yun, J.,** & Angulo-Kinzler, R. (2000, July). Onset of walking in Down syndrome: Practice effects. Poster presentation made at the 12th biennial International Conference on Infant Studies, Brighton, United Kingdom.
- Yun, J.,** Ulrich, B., & Ulrich D. (2000, March). The effects of stepping practice on the organization of degree of freedom in infants with Down syndrome. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Orlando, Florida. Abstract published in *Research Quarterly for Exercise and Sports*, 71, A114.
- Yun, J.** (1999, July). Contemporary motor development theory: Application to physical education. Invited presentation made at the Korean National University of Physical Education workshop, Corvallis, Oregon.
- Ulrich, D., Ulrich, B., & **Yun, J.** (1999, June). Treadmill training and early neuromuscular plasticity: A randomized clinical trial involving infants with Down syndrome. Oral presentation made by the first author at the annual conference of the North American

Society for Psychology of Sports and Physical Activity, Clearwater, Florida. Abstract published in *Journal of Sport & Exercise Psychology*, 21, S114.

- Yun, J., & Ulrich, D.** (1999, April). The Development of an outcome based assessment for ball skills based on the Ecological Task Analysis model. Poster presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Boston, Massachusetts. Abstract published in *Research Quarterly for Exercise and Sports*, 70, A138.
- Yun, J., Shapiro, D., & Ulrich, D.** (1998, October). Measurement methods and scoring systems in survey research in self perception and movement skill assessment of children: Implication in adapted physical activity. Oral presentation made at the North American Federation of Adapted Physical Activity 98 Symposium, Minneapolis, Minnesota.
- Yun, J., Ulrich, B., & Ulrich, D.** (1998, June). Evaluation of an attactor state in treadmill Steps: Variability as a unit of measurement. Poster presentation made at the annual conference of the North American Society for Psychology of Sports and Physical Activity, St. Charles, Illinois. Abstract published in *Journal of Sport & Exercise Psychology*, 20, S102.
- Shapiro, D., **Yun, J., & Ulrich, D.** (1998, June). Evaluation of perceived physical competence: A Generalizability study. Poster presentation made at the annual conference of the North American Society for Psychology of Sports and Physical Activity, St. Charles, Illinois. Abstract published in *Journal of Sport & Exercise Psychology*, 20, S96.
- Yun, J.** (1997, October). The effects of treadmill practice on variability of elicited pattern in infants with Down syndrome. Oral presentation made at the annual meeting of the Motor Development Research Consortium, East Lansing, Michigan.
- Shapiro, D., **Yun, J., & Ulrich, D.** (1997, May). Evaluation of psychometric properties of a quantitative assessment instrument for adapted physical education. Oral presentation made at the biannual conference of the International Federation of Adapted Physical Activity, Quebec City, Canada.
- Yun, J., Garceron, R., & Ulrich, D.** (1997, May). Generalizability of skinfold measurement. Poster presentation made at the annual conference of the American College of Sports Medicine, Denver, Colorado. Abstract published in *Medicine and Science in Sports and Exercise*, 29, S130.
- Woodard, R.J., **Yun, J., Muller, G., & Surburg, P.** (1997, April). The performance of fundamental gross motor skills by children with learning disabilities: A Pilot study. Poster presentation made at the Fifth National Conference on Adapted Physical Activity, Macomb, Illinois.

Yun, J. (1996, October). The learning effects of treadmill stepping in infants. Oral presentation made at the annual meeting of the Motor Development Research Consortium, Bloomington, Indiana.

Ulrich, D., & **Yun, J.** (1996, September). Establishing validity and reliability of measures employed in adapted physical activity research. Oral presentation made at the North American Federation of Adapted Physical Activity 96 Symposium, Banff, Canada.

Yun, J., & Ulrich, D. (1996, April). The relationship between perceived and actual Physical competence in children with mild mental retardation. Oral presentation made at the annual conference of the American Alliance for Health, Physical Education, Recreation and Dance, Atlanta, Georgia. Abstract published in *Research Quarterly for Exercise and Sports*, 67, A125-A126.

Ulrich, D., **Yun, J.,** Chapman, D., Chapman, C., & Davis, K., (1995, April). Motor behavior assessment of children with developmental disabilities: Current best practices. Poster presentation made at the annual conference of the Council for Exceptional Children, Indianapolis, Indiana.

Yun, J. (1994, November). Sources influencing perceived physical competence in children with mild mental retardation. Oral presentation made at the North American Federation of Adapted Physical Activity 94 Symposium, East Lansing, Michigan.

Extramural and Intramural Grants and Contracts

Current Grants and Contract

- 2016 – 2021 Funding Agency: Office of Special Education program, US Department of Education
 Project Title: Training Quality Doctoral Personnel in Adapted Physical Education
 Request Amount: \$ 1,191,309 over 5 years (Proposal submitted on December 2015)
 Funded Amount: Pending
 Role: **PI**
- 2015 - 2016 Funding Agency: Society of Health and Physical Educator America
 Project Title: Promoting extracurricular physical activity: Current practice and continuing education
 Request Amount: \$2,499 (Phase I application submitted on January 12, 2015; Submit phase II on May 29, 2015)
 Funding Amount: \$1,000
 Role: **Faculty mentor** (PI: Jill Pawlowski)
- 2013 - 2018 Funding Agency: Office of Special Education program, US Department of Education
 Project Title: Preparing Quality Personnel in Adapted Physical Education (ED H325K130302).

Request Amount: \$1,236,653 over 5 years (Proposal submitted on March 2013)

Funded Amount: \$1,236,653

Role: PI

2011 – 2016 Funding Agency: Office of Special Education program, US Department of Education,

Project Title: Preparation of Leadership Personnel in Adapted Physical Education (ED H325D100061)

Request Amount: \$1,189,454 over 6 years (Proposal submitted on July 2010)

Funded Amount: \$1,039,516

Role: PI

Previous Funded Grants and Contracts

2012 – 2013 Funding Agency: John C. Erkkila, M.D. Endowment

Project Title: The Effects of Different Goal Settings on Physical Activity Promotion

Request Amount: \$17,633 (Proposal submitted on February 2012)

Funded Amount: \$15,000

Role: PI

2011 – 2014 Funding Agency: Lebanon Independent School District

Project Title: Adapted Physical Education Consulting Services to the Lebanon Community School District from the Movement Studies in Disability Program

Requested Amount: \$93,305 over 3 years

Funded Amount: \$88,801

Role: PI

2010 – 2011 Funding Agency: US Department of Education – subcontract with Lebanon Independent School District

Project Title: Adapted Physical Education Consulting Services to the Lebanon Community School District from the Movement Studies in Disability Program

Requested Amount: \$28,435 (Proposal submitted on May 2010)

Funded Amount: \$28,435

Role: Program director

2009 – 2014 Funding Agency: U.S. Department of Education, Office of Special Education Programs.

Project Title: Personnel Development to Improve Services and Results for Children with Disabilities, Combined Priority for Personnel Preparation, Focus C: Adapted Physical Education (ED H325K090306)

Requested Amount: \$779,338 over 4 years with one additional year of no cost extension (Proposal submitted on October 2008)

Funded Amount: \$779,338

Role: PI

2009 – 2010 Funding Agency: U.S. Department of Health and Human Services – subcontract with Slippery Rock University.

Project title: I Can Do IT, You Can Do It.

Requested Amount: \$14,983 (Proposal submitted in November 2008)

Funded Amount: \$14,983

- 2008 – 2009
 Role: **PI**
 Funding Agency: United Way of Benton County
 Project Title: OSU IMPACT and OSU IMPACT for Life
 Requested Amount: \$18,180 (Proposal submitted in March 2008)
 Funded Amount: \$2,000
Role: Program Co-director
- 2007 - 2008
 Funding Agency: ARC of Washington
 Project Title: The Validity for Self-report with Assistance to Measure Physical Activity Behavior in Adults with Intellectual Disabilities
 Requested Amount: \$9,924 (Proposal submitted in March 2007)
 Funded Amount: \$9,924
Role: Supporting Faculty (PI: Marquell Johnson)
- 2007 - 2007
 Funding Agency: Special Olympics
 Project Title: Studies of Walking Efficiency in Adults with and without Down syndrome
 Requested Amount: \$3,229 (Proposal submitted in January 2007)
 Funded Amount: \$3,229
Role: Supporting Faculty (PI: Stamatis Agiovlastitis)
- 2006 – 2010
 Funding Agency: U.S. Department of Education, Office of Special Education Programs.
 Project Title: Preparation of Leadership Personnel
 Requested Amount: \$796,806 over 4 years (Proposal submitted in July 2006)
 Funded Amount: \$796,806
Role: Co-program director (PI: Jeff McCubbin)
- 2005 – 2009
 Funding Agency: U.S. Department of Education, Office of Special Education Programs.
 Project Title: Preparing Quality Personnel in Adapted Physical Education (EDH32K054154)
 Requested Amount: \$796,683 over 4 years (Proposal submitted in May 2005.)
 Funded Amount: \$796,683
Role: Program director
- 2005 - 2006
 Funding Agency: Benton County United Way
 Project Title: OSU IMPACT
 Requested Amount: \$10,000. (Proposal submitted in April 2005.)
 Funded Amount: \$7,000
Role: Program Co-director (Program director: Jeff McCubbin)
- 2003 – 2004
 Funding Agency: John C. Erkkila, M.D. Endowment
 Project Title: Proper Technique for Manual Wheelchair Propulsion
 Requested Amount: \$ 17,134
 Funded Amount: \$ 11,155
Role: Principal Investigator
- 2002 - 2007
 Funding Agency: Lebanon School District.
 Project Title: Adapted Physical Education Consulting for the Lebanon School District from the Movement Studies in Disability
 Requested Amount: \$87,936 over 4 years
 Funded Amount: \$87,936.

- Role: Principal Investigator.**
- 2001 – 2006 Funding Agency: U.S. Department of Education, Office of Special Education Programs.
Project Title: Rural Link: A Collaborative Teacher Recruitment, Preparation, and Placement Project.
Requested Amount: \$1,494,631
Funded Amount: \$1,494,631 over 5 years (approximately \$300,000/year).
Role: Supporting Faculty. (Project director: Sharon Rosenkoetter). (Ten percent of FTE was committed to the project and .10 FTE of academic year was paid from the grant.)
- 2001 – 2005 Funding Agency: U.S. Department of Education, Office of Special Education Programs.
Project Title: Preparation of Leadership Personnel in Adapted Physical Education: A Collaborative Approach.
Requested Amount: \$761,646 over 4 years
Funded amount: \$761,646
Role: Project Coordinator. (Project director: Jeff McCubbin).
- 2001 – 2005 Funding Agency: U.S. Department of Education, Office of Special Education Programs.
Project Title: Improving the Preparation of Personnel to Serve Children with High-Incidence Disabilities.
Requested Amount: \$770,654 over 4 years
Requested Amount: \$770,654
Funded Amount: \$770,654 over 4 years
Role: Co-PI (Project director: Jeff McCubbin).
- 2001 – 2002 Funding Agency: Northwest Health Foundation.
Project Title: Cross Validation of Skinfold and Bioelectrical Impedance Analysis Prediction Equation for Individuals with Down syndrome.
Requested Amount: \$2,000
Funded Amount: \$885.
Role: Principal Investigator. (Co-PI: Phillip Usera).
- 2000 – 2004 Funding Agency: United Way.
Project Title: OSU Special Physical and Motor Fitness Clinic.
Total Funded Amount: \$45,247.90 over 3 years as a United Way Agency.
Role: Co-director. (Project director: Jeff McCubbin).
- 2000 – 2002 Funding Agency: Lebanon School District.
Project Title: Adapted Physical Education Consulting for the Lebanon School District from the Movement Studies in Disability.
Requested Amount: \$30,781
Funded Amount: \$30,781
Role: Project Director
- 2000 – 2001 Funding Agency: Oregon State University Research Council
Project Title: The Relationship between Motor Skills, Physical Fitness, and Level of Activity in Children.
Requested Amount: \$7,965
Funded Amount: \$7,965.

- Role: Principal Investigator.**
- 2000 - 2001 Funding Agency: Oregon State University Research Council
Project Title: Replace outdated motion analysis system used for biomechanics and research.
Requested Amount: \$18,000
Funded amount: \$18,000
Role: Co-PI. (Principle Investigator: Gerald A. Smith).
- 2000 – 2001 Funding Agency: 509-J school district
Project Title: Movement Studies in Disability and Corvallis 509-J Cooperative Program Funding.
Request Amount: \$11,000
Funded Amount: \$11,000
Role: Co-PI. (PI: Steve Hannigan-Downs).
- 1999 Funding Agency: University of Rhode Island Partnerships Award program.
Project Title: Partnership in Physiological Measurements and Computing.
Requested Amount: \$449,849
Funded Amount: \$449,849. Withdrew from the project due to joining Oregon State University.
Role: Supporting faculty (Principle Investigator: Yin, Sun).
- 1997 – 1998 Funding Agency: Indiana University Grant-in-Aid of Research
Project Title: The Development of a Measurement System for Ball Skills based on the Ecological Task Analysis Model.
Requested Amount: \$985.70
Funded amount: \$985.70.
Role: Principal Investigator.

Previous Unfunded Grants

- 2015 Funding Agency: National Institute on Disability, Independent Living, and Rehabilitation Research, US Department of Health and Human Services
Project Title: Enhancing Health, Function, & Community Participation across the Lifespan for People with Disabilities
Request Amount: \$2,498,803 over 5 years (Proposal submitted on April 2015)
Role: **Co-PI** (PI: Gloria Kahn)
- 2015 Funding Agency: National Institute on Disability, Independent Living, and Rehabilitation Research, US Department of Health and Human Services
Project Title: Enhancing Health, Function, & Community Participation across the Lifespan for People with Disabilities
Request Amount: \$2,498,803 over 5 years (Proposal submitted on April 2015)
Role: **Co-PI** (PI: Gloria Kahn)
- 2015 Funding Agency: John C. Erkkila, M.D. Endowment for Human Performance
Project Title: Understanding mechanisms of self-compassion on health behaviors for individuals with MS.
Request Amount: \$18,705 (Proposal submitted on February 2015)
Role: Faculty mentor (PI: Mara Nery-Hurwit)
- 2014 Funding Agency: Office of Special Education program, US Department of

Education

Project Title: *Leadership Training in Adapted Physical Education (2015-2020)*
 Request Amount: 1,244,520 over 5 years (Proposal submitted on December 2014)

Role: PI

2014 Funding Agency: National Multiple Sclerosis Society, University of Vermont (Sub-contract)

Project Title: *Effects of Functional Sensory-Motor Exercise on Balance, Fall Risk, Physical Activity and Quality of Life for Adult with Multiple Sclerosis (2014-2016)*

Request Amount: \$53,187 over 3 years (Proposal submitted on July 2014)

Role: PI

2014 Funding Agency: National Institute on Disability and Rehabilitation Research (US Department of Education)

Project Title: *The RRTC for Advancing Health and Function across the Lifespan for People with Physical Disabilities. (2014-2019)*

Request Amount: \$ 4,374,488 over 5 years (Proposal submitted on August 2014)

Role: **Co-PI** (PI: Gloria Kahn)

2012 Funding Agency: US Department of Education, Institute of Educational Sciences
 Project Title: Movement-based Early Intervention for Young Children with Autism (2013-2015)

Request Amount: \$399,554 over 3 years (Proposal submitted on September 2012)

Role: Senior faculty mentor (PI: Megan MacDonald)

2012 Funding Agency: Benton County United Way

Project Title: OSU IMPACT

Requested Amount: \$8,000. (Proposal submitted in April 2012 and August 2012.)

Role: Program director

2007 Funding Agency: American Alliance for Health, Physical Education, Recreation and Dance

Project Title: Validation study of Questionnaire for Change of Physical Education Teaching Methods for Students with Disabilities.

Requested Amount: \$2,000 (Phase I submitted on October 2007)

Role: Faculty Mentor (PI: Jooyeun Jin)

2006 Funding Agency: The Ralph Hull Foundation

Project Title: IMPACT

Requested Amount: \$5,000 (Proposal submitted on October 2006)

Role: Co-program director (Co-PI: Jeff McCubbin)

2006 Funding Agency: Benton County United Way

Project Title: OSU IMPACT

Requested Amount: \$10,000. (Proposal submitted on April 2006)

Role: Program Co-director

2006 Funding Agency: Northwest Health Foundation

Project Title: Preventing Obesity through Physical Activity and Diet in Individuals with Mental Retardation.

- Requested Amount: \$37,000 (Intend letter submitted on January 2006)
Role: PI
- 2005 Funding Agency: The U.S. Department of Education, Office of Special Education Programs.
 Project Title: Leadership Training in Adapted Physical Education
 Requested Amount: \$792,458 over 4 years. (Proposal submitted on May 2005)
Role: Co-Program director (Project director: Jeff McCubbin)
- 2005 Funding Agency: General Mills Foundation
 Project Title: Improve Health Behaviors of Children with Disabilities
 Requested Amount: \$9,995. (A proposal submitted on January 2005)
Role: Co-PI (PI: Teresa Waterhous)
- 2004 Funding Agency: Benton County United Way
 Project Title: OSU IMPACT
 Requested Amount: \$10,000. (Proposal submitted in Nov. 2004)
Role: Program Director
- 2004 Funding Agency: Robert Wood Johnson Foundation
 Project Title: Increasing Adolescents' Physical Activity in A Rural Community
 Requested Amount: \$142,853
Role: Supporting Faculty (PI: Hans van der Mars)
- 2004 Funding Agency: National Institute of Health (
 Project Title: Effects of Fundamental Motor Skill Training on Levels of Physical Activity in At-Risk Children
 Requested Amount: \$136,861
Role: Principal Investigator
- 2002 Funding Agency: Gateway Cooperation.
 Project Title: OSU Special Physical and Motor Fitness Clinic
 Requested Amount: Four computers. (A proposal submitted on May 2002)
Role: Principal Investigator.
- 2000 Funding Agency: U.S. Department of Education's Fund for Improvement of Post-secondary Education.
 Project Title: Project Learn Together: Partners in Education.
 Requested Amount: \$754,475 over 4 years
Role: Supporting faculty. (Project director: Sharon Rosenkoetter).
- 1999 Funding Agency: The American Alliance for Health, Physical Education, Recreation and Dance Research Council
 Project Title: Examining the Causal Relationship between Health-Related Physical Fitness, Movement Competence, Perceived Competence, and Level of Physical Activity in Children.
 Requested Amount: \$13,720. Invited for phase II proposal
Role: PI
- 1999 Funding Agency: U.S. Department of Education, Office of Special Education Programs,
 Project Title: Improving the Preparation of Personnel to Serve Children with High-Incidence Disabilities.
 Requested Amount: \$539,950 over 3 years.
Role: Project Co-director (Project director: Jeff McCubbin).

B. University Teaching Activity

Teaching Responsibility for Graduate Courses

- KIN 647 (EXSS 599 -Special Topic), Current Topics and Research in Adapted Physical Activity (Oregon State University)
- KIN 610, Professional Practicum (Oregon State University)
- KIN 573 (EXSS 573), Measurement in Human Movement (Oregon State University)
- KIN 548 (EXSS 548), Assessment and Programming for Special Population (Oregon State University)
- KIN 547 (EXSS 547), Inclusion in Exercise and Sport Science (Oregon State University)

- EXSS 599, (Special Topic)/Motor Development (Oregon State University)
- EXSS 599, (Special Topic)/Winter Paralympics (Oregon State University)
- EXSS 575, Research in Human Movement (Oregon State University)
- EXSS 549, Physical Activity for the Severely Disabled (Oregon State University)
- EXSS 510, Professional Practicum (Oregon State University)

- T591, Interpretation of Data in Health, Physical Education, and Recreation (Indiana University, Lab instructor)

Teaching Responsibility for Undergraduate Major Courses

- EXSS 499, (Special Topic)/Child Motor Development (Oregon State University – Cascade campus)
- EXSS 444/544, Adapted Physical Activity (Oregon State University)
- EXSS 313, Lifespan Motor Development (Oregon State University)

- PEX 430, Adapted Aquatics (University of Rhode Island)
- PEX 410, Adapted Physical Education (University of Rhode Island)
- PEX 370, Kinesiology (University of Rhode Island)
- PEX 310, Motor Development (University of Rhode Island)

- P398, Adapted Physical Education (Indiana University)

List of the Completed Doctoral Students

Student Name	Role	Major Dept. (Major): Current/Initial Employment	Completion Date
Amanda Tepfer	Member	Biological & Population Health Sciences (Movement Studies in Disability): Norwich University, Assistant Professor	2015
Charles Leddon	Member	Biological & Population Health Sciences (Sports Medicine): Oregon State University: Sports Medicine Research at the Andrews Institute for Research and Education, Research director	2015

Alicia Dixon-Ibarra	Member	Biological & Population Health Sciences (Movement Studies in Disability): Oregon State University, Post-doctoral research associate	2014
Jennifer Taylor	Chair	Biological & Population Health Sciences (Movement Studies in Disability): Western Oregon State University, Assistant professor	2013
Dal-Hyun Moon	Chair	Biological & Population Health Sciences (Movement Studies in Disability): California State University at San Francisco, Instructor	2013
Jennifer Morgan	Chair	Biological & Population Health Sciences (Movement Studies in Disability): Oregon State University, Instructor	2013
Kerri Vanderbom	Member	Biological & Population Health Sciences (Movement Studies in Disability): Lakeshore Foundation, Research associate	2013
Jooyeon Jin	Chair	Biological & Population Health Sciences (Movement Studies in Disability): University of Wisconsin La Crosse, Assistant Professor	2012
Hyo Lee	Member	NES (Exercise Psychology): Sangmyung University, Assistant Professor	2011
Seungjune Choi	Member	NES (Exercise physiology) : Kyungsoong University, Professor	2010
Bekkie Bryan	Member	NES (Movement Studies in Disability): Sonoma State University, Assistant Professor	2009
Samuel Johnson	Member	NES (Sport Medicine): Oregon State University, Clinical Assistant Professor	2008
Jason Penry	Co-Chair	NES (Exercise Physiology): Pacific Lutheran University, Assistant Professor (Initial employment)	2008
Junggi Hong	Member	NES (Sport Medicine): Willamette University, Assistant professor (Initial employment)	2008
ZáNean McClain	Member	NES (Sport Pedagogy): California State University – East Bay, Assistant Professor	2008
Marquell Johnson	Co-Chair	NES (Movement Studies in Disability): University of Wisconsin – Eau Claire, Associate Professor	2008
Heidi Wegis	Member	NES (Sport Pedagogy): Oregon State University, Clinical Assistant Professor	2008
Kristin Oja	Member	NES (Exercise Physiology): Eastern Oregon University: Assistant Professor (Initial employment)	2007
Stamatis Agiovlasitis	Member	NES (Movement Studies in Disability): Mississippi State University, Associate Professor	2007
Maryam Arab	Chair	NES (Movement Studies in Disability): Public Authority for Applied Education and Training/College of Basic Education – Kuwait, Assistant Professor (Initial employment)	2006
So-yeun Kim	Chair	EXSS (Movement Studies in Disability): Northern Illinois University, Associate Professor	2006

John Foley	Member	EXSS (Movement Studies in Disability): SUNY-Cortland, Professor	2005
Daniel Tindall	Member	EXSS (Sport Pedagogy): Central Missouri State University, Assistant Professor (Initial employment)	2004
Marie Hornyik	Member	EXSS (Sports Medicine): Purdue University, Clinical Instructor (Initial employment)	2001

Note: NES: Nutrition and Exercise Sciences, EXSS: Exercise and Sport Science

List of the Completed Master Students with Thesis

Student Name	Role	Major Dept. (Major)	Completion Date
Laynie Case	Chair	EXSS (Movement Studies in Disability)	2015
Wesley Wilson	Chair	EXSS (Movement Studies in Disability)	2014
Nicole Cook	Member	EXSS (Movement Studies in Disability)	2014
Jill Pawlowski	Member	EXSS (Movement Studies in Disability)	2013
Caitlyn Elliott	Chair	EXSS (Movement Studies in Disability)	2013
Jacqueline Megan Irwin	Member	EXSS (Movement Studies in Disability)	2013
Country Johnson	Chair	EXSS (Movement Studies in Disability)	2012
Ruben Guzman	Member	EXSS (Movement Studies in Disability)	2012
Susan Silverman	Chair	NES (Movement Studies in Disability)	2011
Stephen Thom	Chair	NES (Movement Studies in Disability)	2011
Edward "Andrew" Pitchford	Chair	NES (Movement Studies in Disability)	2009
Jooyeon Jin	Chair	NES (Movement Studies in Disability)	2008
Kenneth Philbrick	Member	NES (Biomechanics)	2008
Erin Frese	Chair	NES (Movement Studies in Disability)	2006
Kristen Sweeney	Chair	NES (Movement Studies in Disability)	2006
Kerstin Kindinger	Chair	EXSS (Movement Studies in Disability)	2005
Heidi Wegis	Minor	EXSS (Sports Pedagogy)	2005
Sanae Ashare	Chair	EXSS (Movement Studies in Disability)	2004
Jennifer Overlock	Chair	EXSS (Movement Studies in Disability)	2004
Kristine Hagar	Chair	EXSS (Movement Studies in Disability)	2004
Christina Taylor	Chair	EXSS (Movement Studies in Disability)	2003
James Tabb	Chair	EXSS (Movement Studies in Disability)	2002

Note: NES: Nutrition and Exercise Sciences, EXSS: Exercise and Sport Science

List of the Completed Master Students without Thesis

Student Name	Role	Major Dept. (Major)	Completion Date
Jill Pawlowski	Member	Public Health (Health Promotion and Health Behavior)**	2015
Samantha Sanders	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program)†	2015
Kirk Case	Member	Bio & Pop Health Sci. (Physical Education Teacher Education program)†	2015

Chris Meyer	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2015
Torin Pulfrey	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2015
Jessica Hamm	Member	Public Health (Health Promotion and Health Behavior)**	2015
Colin Brooksby	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2014
Tyler Phillips	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2014
Stephanie Marchant	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2014
Karmen Holladay	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2014
Robert Hansmann	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2014
Caitlin Breenna	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2013
Lisa Proctor	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2013
Meara Murphy	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2012
Kenneth Ernst	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2012
Jacob Whitehead	Minor	Bio & Pop Health Sci. (Physical Education Teacher Education program) [†]	2012
Hannah Thackery	Chair	NES (Movement Studies in Disability)**	2011
Melinda Hundlbey	Minor	NES (Physical Education Teacher Education program) [†]	2011
Ian Huntley	Minor	NES (Physical Education Teacher Education program) [†]	2011
Bridie Hunt	Minor	NES (Physical Education Teacher Education program) [†]	2011
Amanda Olsen	Chair	NES (Movement Studies in Disability)**	2011
Ann Carson	Minor	NES (Physical Education Teacher Education program) [†]	2010
Audrey Watson	Minor	NES (Physical Education Teacher Education program) [†]	2010
Marcy Brown	Member	NES (Physical Education Teacher Education program) [†]	2009
Travis Gardner	Member	EXSS (Physical Education Teacher Education program) [†]	2009
Chris Collard	Member	NES (Physical Education) [‡]	2008
Kyle Teamplin	Member	NES (Teacher credential program) [†]	2008
Aaron McKee	Member	NES (Movement Studies in Disability) [‡]	2006

Brett Phillips	Member	EXSS (Physical Education Teacher Education program) [†]	2006
Garrett Yoshiwara	Member	EXSS (Physical Education Teacher Education program) [†]	2006
Virginia Shultz	Member	EXSS (Physical education) [‡]	2005
Berry Wilcox	Member	EXSS (Exercise physiology)**	2005
Jake Huffman	Member	EXSS (Physical Education Teacher Education program) [†]	2005
Keri Nelson	Member	EXSS (Physical Education Teacher Education program) [†]	2005
Dennis Palmer	Member	EXSS (Physical Education Teacher Education program) [†]	2005
Jed Pennell	Member	EXSS (Physical Education Teacher Education program) [†]	2005
Raquel Tambio	Member	EXSS (Physical Education Teacher Education program) [†]	2005
See Chang	Member	EXSS (Physical Education Teacher Education program) [†]	2004
Kelly Ceder	Member	EXSS (Physical Education Teacher Education program) [†]	2004
Jeannie Harris	Member	EXSS (Physical Education Teacher Education program) [†]	2004
Robert Hill	Member	EXSS (Physical Education Teacher Education program) [†]	2004
Steve Miller	Member	EXSS (Physical Education Teacher Education program) [†]	2004
Kelly Billion	Member	EXSS (Physical Education Teacher Education program) [†]	2003
Ryan Henderson	Member	EXSS (Physical Education Teacher Education program) [†]	2003
Scott Fortner	Member	Education (Physical Education Teacher Education program) [†]	2002
J.C. Lizza	Member	Education (Physical Education Teacher Education program) [†]	2002
David Rasca	Member	Education (Physical Education Teacher Education program) [†]	2002
Leslie Houston	Member	Education (Physical Education Teacher Education program) [†]	2001

Note: Bio & Pop Health Sci.: Biological and Population Health Sciences, NES: Nutrition and Exercise Sciences, EXSS: Exercise and Sport Sciences, [†]completed the degree with professional portfolio, [‡]completed the degree with comprehensive exam, ** completed the degree with project

List of the Post-doctoral training and Visiting Scholar Sponsorship

Name	Position	Year
Bong Jin Kim	Visiting research associate from Korean Broadcasting System, Sport News Team	2010
Seung-chul Kim	Visiting professor from Sung Kyun Kwan University, Seoul Korea	2007
