

## OSU MATRN Program

### Prerequisite Courses Self-Audit

Please fill in all of the prerequisite course information below. If you are currently taking a course to satisfy a prerequisite insert 'IP' for in-progress. If you are taking a course in the next term, please list the term and year (ie. Spring/2022).

All prerequisites courses must be 3-4 quarter/semester credits with the exception of the Human Anatomy and Human Physiology Series which must be 12 quarter/8 semester credits. Applicants are required to list the courses that meet the requirements in the MATRN application. Program faculty will review the applications to determine if the courses meet the requirements and may request a course description and/or a syllabus. Applicants can contact the MATRN Program Director with specific questions.

Prerequisite Course	Course Prefix (ie. CHEM)	Course Number	Course Credits	Earned Grade
