

HOW MANY CHILDREN ARE SERVED BY OREGON'S CHILD CARE SUBSIDY?

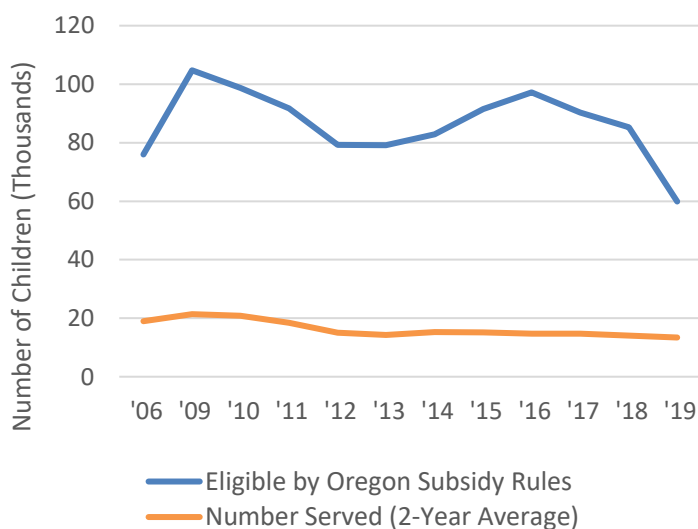

Produced by the Oregon Child Care Research Partnership, 2023

In 2019, the total number of Oregon children served by child care subsidy was **13,399**, or 22% of eligible children by Oregon Rules.

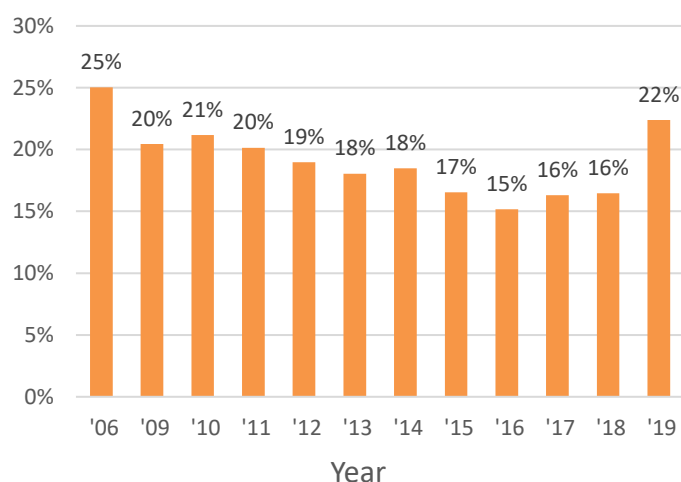

The percent of eligible children served by subsidy increased by about 6% from last year but has declined by approximately 3% since 2006.

	2006	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019
Eligible by Federal Rules ^a	138,290	153,588	150,954	143,814	137,302	140,651	137,958	136,729	147,240	144,260	140,890	118,860
Eligible by Oregon Subsidy Rules ^b	75,940	104,734	98,789	91,780	79,285	79,189	82,903	91,539	97,210	90,350	85,310	59,870
Number Served (2-Year Average)	18,999	21,410	20,901	18,488	15,046	14,291	15,314	15,127	14,732	14,728	14,044	13,399

Number of Children Eligible vs. Served ^b

Percent of Eligible Children Served ^c

a Federal eligibility estimates were produced using the Transfer Income Model (TRIM), which compares family income and work status data from the Current Population Survey against Child Care and Development Fund rules to generate estimates of children and families eligible for subsidies. Visit aspe.hhs.gov to learn more.

b Number of children eligible by Oregon rules is estimated by family income (185% FPL) and additional criteria, such as child age (0- 13) and residing with parent(s) who are working, attending job training or educational program. Reference: Administration for Children and Families (ACF) Assistant Secretary for Planning and Evaluation Eligibility Estimates.

c Number of children served by subsidy comes from Early Learning Division 801 administrative data, averaged over the current and prior year.
