

Across Oregon, there is inadequate regulated child care supply - especially for infants & toddlers

Public funding plays a major role in creating Oregon's child care supply - especially for preschoolers

A child care desert is a community with 3 or more children for a single child care slot

All 36 Oregon counties are child care deserts for infants & toddlers

3/4 of Oregon counties have fewer than 25% publicly funded regulated infant/toddler slots

There are 3 preschool-age children for a single child care slot in Oregon

All but 9 Oregon counties are child care deserts for preschool-age children

Without publicly funded slots, 7 additional counties would be child care deserts.

All but 9 Oregon counties have at least 25% publicly funded regulated preschool-age slots
