INSTRUCTIONS

- Confer with the course instructor when preparing the form. Verify that the instructor is a member of the program faculty for the course.
- List school/program, course number, course title and number of credits requested. (example: H505 – Reading and Conference, 2 credit hours)
- State purpose of the course in terms of student competencies to be achieved.
- Indicate completed courses and/or experiences that prepared student for the requested course.
- State number, frequency, and length of meetings with university professor
- List hours per week expected of student in reading, research projects, and/or other activities during the term. (Three credit hours require 9-12 hours per week of outside preparation for meetings with the professor.)
- List papers, projects, reports, and/or other products to be completed during the course.
- Indicate evaluative criteria for the course. (Oral or written examinations, research critiques, written assignments, and/or other requirements.)
