

2015 Oregon Parenting Educators Conference

Keynote Speaker

Dr. Tina Payne Bryson

New York Times best-selling author Dr. Tina Payne Bryson speaks internationally to parents, educators, camps and clinicians, focusing on how we can help kids be happier, healthier and more fully themselves.

Her research has explored attachment science, childrearing theory and the emerging field of interpersonal neurobiology.

CONFERENCE WORKSHOPS

The conference offers more than **30 workshops** covering topics including attachment, teen parents, brain development, safety, dual language learning for young children and more.

The workshops will focus on the three parenting education core knowledge areas:

- Human growth and development
- Parent, child, family and community relationships
- Parenting education and professional practice

Additional focus areas include:

- Home visitors
- Early childhood care and education
- Serving cultural or ethnic minority parents
- Working with pregnant or parenting teens

*View the complete list of workshops on the conference webpage.
