Professional Physical Education Teacher Education Program: 
Documented Successful Experiences working with Children & Youth

Verification of successful experience working with children or youth must be documented on a personal resume and supported by recommendation letter(s) from immediate supervisor(s) or concise experience descriptions.

**Minimum requirements** include volunteer experiences observing/interacting with children/youth within two public school physical education settings under the supervision of a
1) licensed elementary school physical education teacher (30 hours) and 
2) licensed secondary physical education teacher (30 hours)

**In addition strong consideration will be given** to applicants who have worked with children and youth of different
- ages (4 to 18 yrs),
- grade levels (elementary, middle school, high school),
- cultural backgrounds, and
- physical/mental disabilities.
